TWENTY TWENTY THREE & WE

MORE THAN

GREEN & WHITE

ENGAGED
EQUIPPED
ENRICHED

THEREFORE WE EXCEL

In a school of nearly 1,000 students, WE all found our own sense of *individuality*.
WE each had *unique* experiences. Whether you focused on *academics* and won that scholarship, whether you *painted* your entire body pink and *cheered* for your best friends at the Pink Out game, whether you wore cowboy boots or Air Force Ones - WE all made *different* memories. Did you get caught with your Crocs not in sports mode? Did your phone go off in Mrs. Hale's class? Did you *finally* get that A on one of Coach Kidd's tests? Did your TikTok go viral?
WE each wrote our own story.

WE are BOLD, WE are BRIGHT, WE are DETERMINED. WE are fueled by our DIVERSITY.

Collectively,

WE are WILDCATS!

KENNEDALE HIGH SCHOOL

Athlete, News Anchor,
President: All WILDCATS
But do you really
KNOW US?
PLAYING AT KHS TAUGHT ME HOW TO BE A LEADER, GAVE ME CONFIDENCE, AND A STRONG WORK ETHIC. I'M EXCITED TO PLAY FOOTBALL FOR KANSAS STATE UNIVERSITY.
KAMERON SALLIS, SR.
ATHLETE
"BEING BEHIND THE CAMERAS ALLOWS ME TO CREATE THE IDEAS, BUT BEING ON CAMERA MAKES IT COME TO LIFE."
JACOB RODRIGUEZ, JR.
WCN ANCHOR
"I GREW UP BELIEVING IN SERVICE BEFORE SELF. I LIKE TO HELP, SERVE AND I STRIVE FOR EXCELLENCE."
JUSTIN WALKER, SR.
STUDENT COUNCIL, PRESIDENT
THEY'RE WHAT
MAKES US
WHO WE ARE.

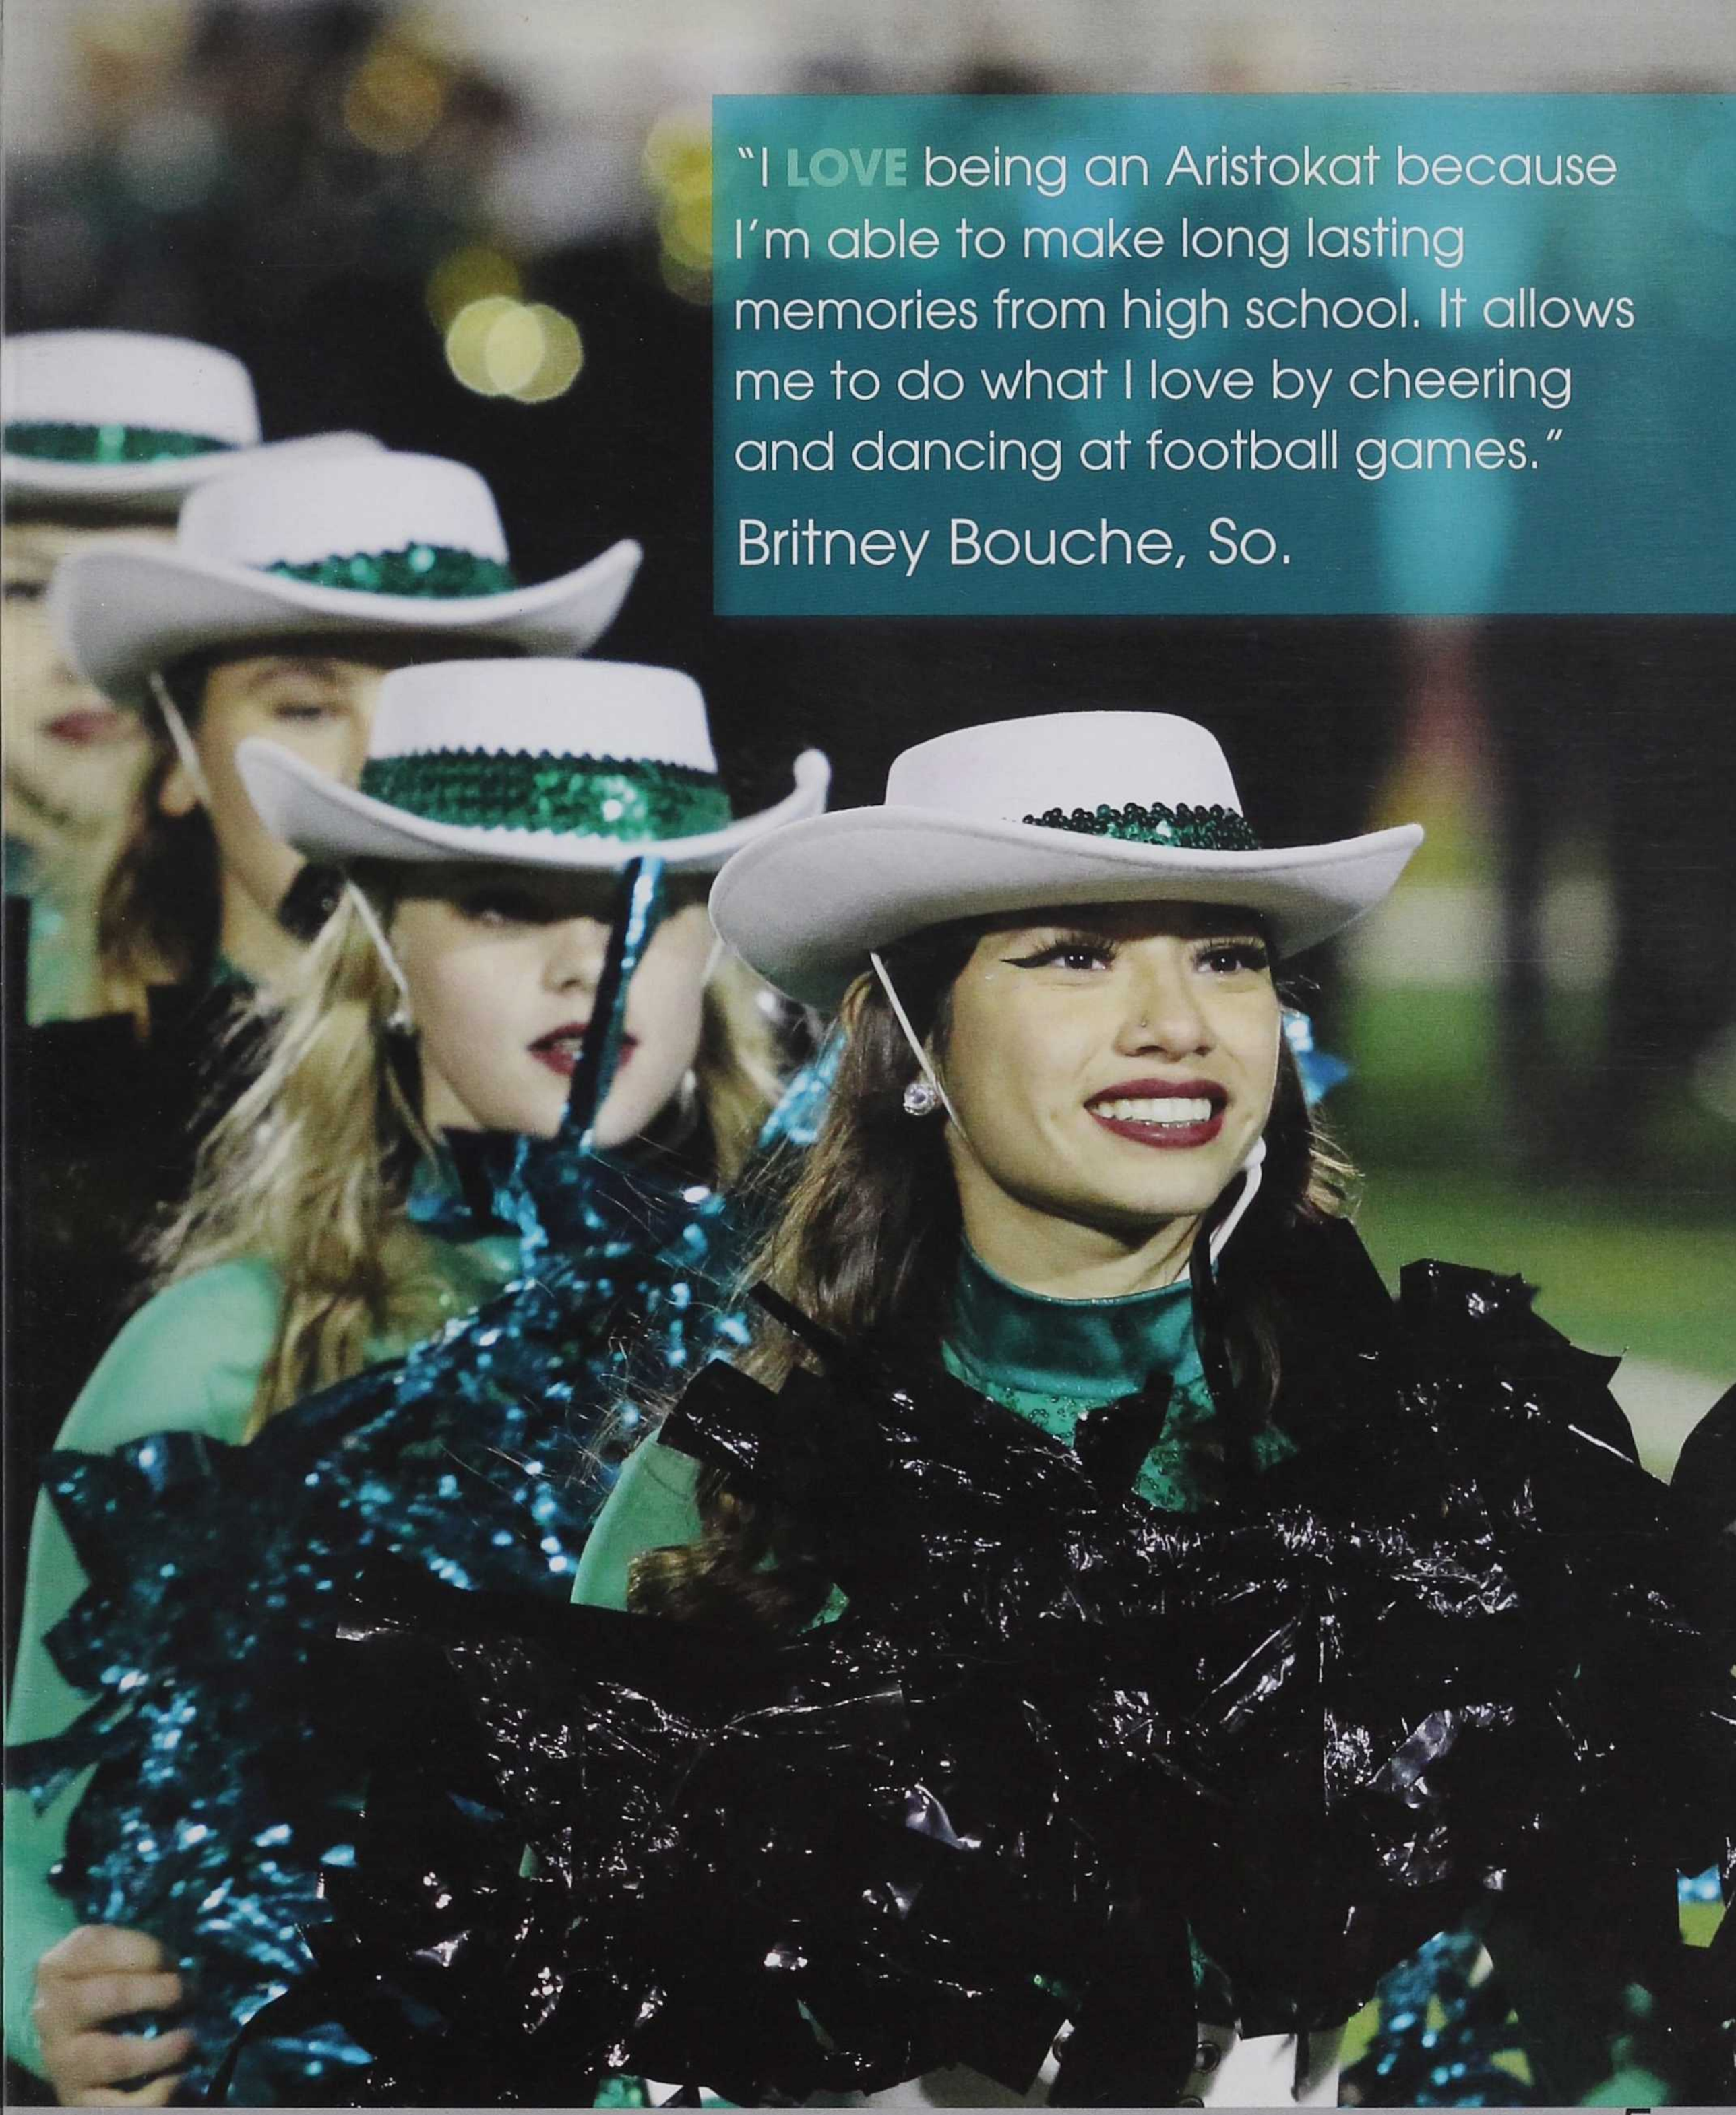
WHO **WE** ARE

Your story provided a perspective on **STUDENT LIFE** at KHS. You cheered as loud as you could to help your class win the battle cry or you may have dressed up for the student spirit section at sporting events. Did you have the largest mum during Homecoming? The student experiences you chose helped you **EXPLORE YOUR PASSIONS.**

You defined your **ACADEMICS**. Culinary students helped prepare hundreds of meals for not only our school, but also the community. Mrs. Robinson's classes learned about broken bones through the manipulation of carrots. you are not defined by your score on the SAT but rather the **PATH YOU CHOSE**.

Our school culture is **MUCH** more than academics and friendships. We carry on traditions that have been established before us such as Senior Sunrise and the graduation parade through all of our campuses. Even though **WE** have all chosen different paths and experiences

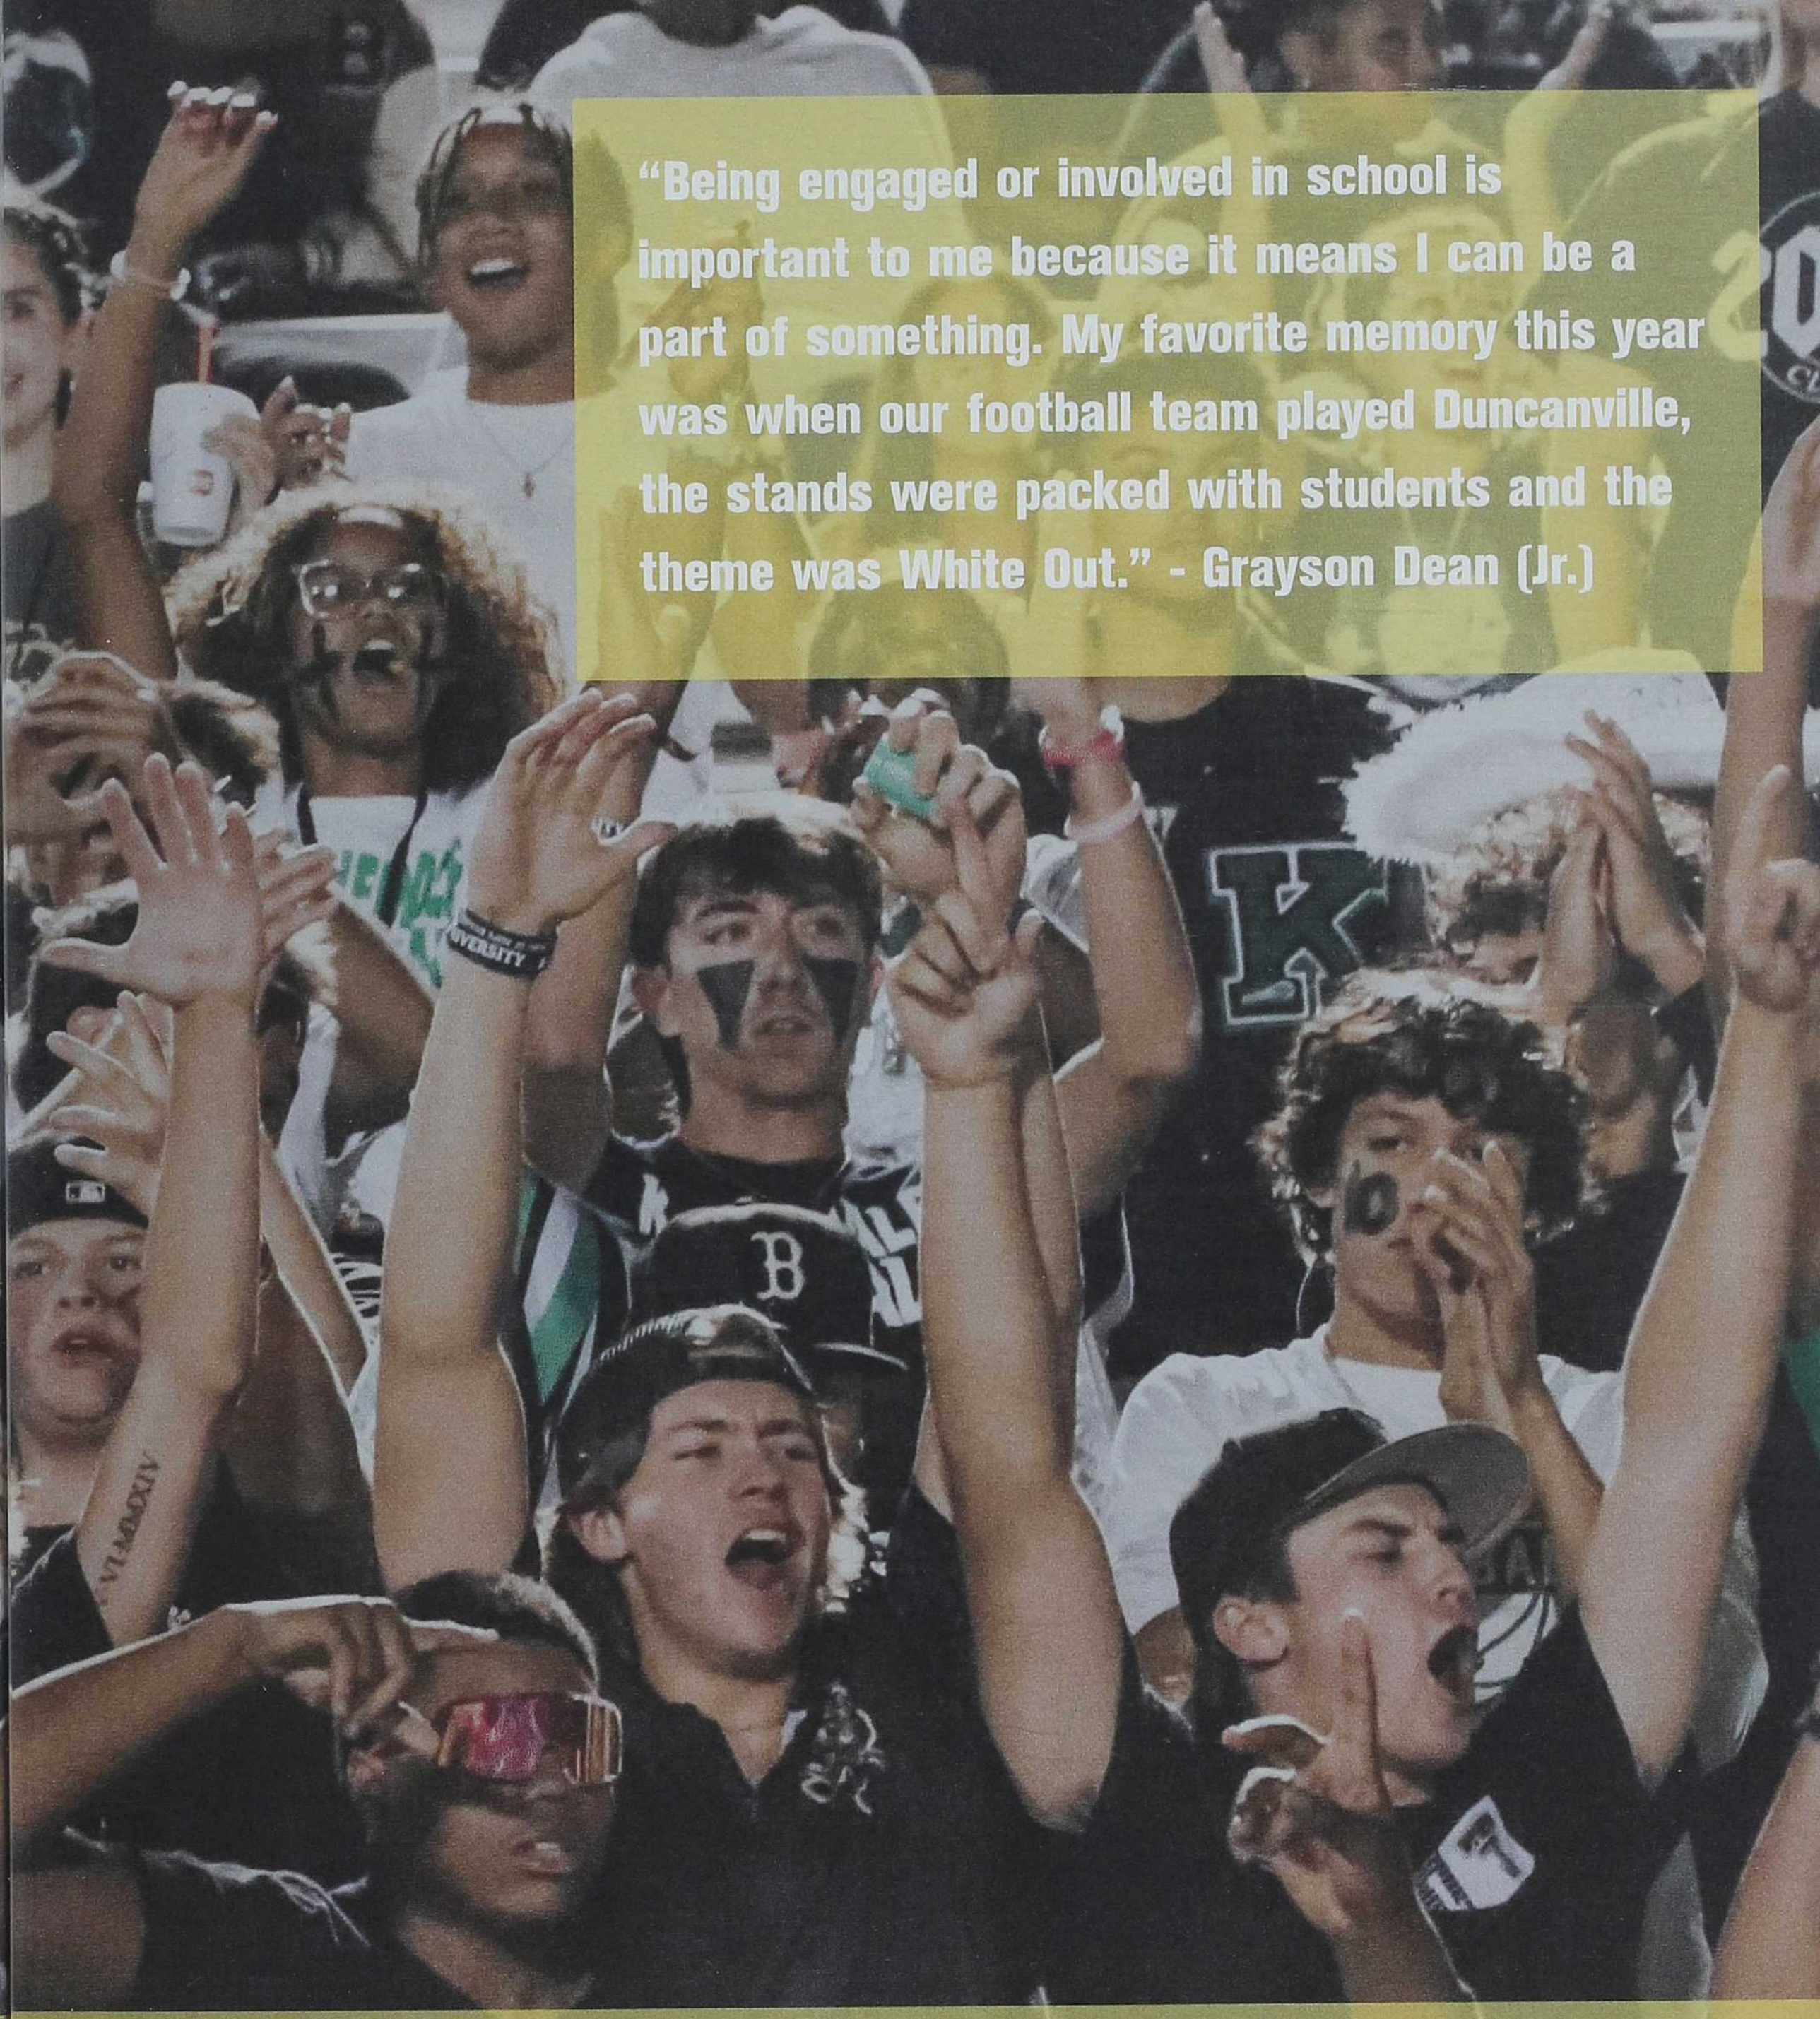
WE ARE ALL WILDCATS



"I LOVE being an Aristokat because I'm able to make long lasting memories from high school. It allows me to do what I love by cheering and dancing at football games."
Britney Bouche, So.

MORE THAN GREEN & WHITE

WE ARE ENGAGED



"Being engaged or involved in school is important to me because it means I can be a part of something. My favorite memory this year was when our football team played Duncanville, the stands were packed with students and the theme was White Out." - Grayson Dean (Jr.)

First Days Of School - Summer Travels - Summer Band - Spirit Week - Homecoming - Student Life

SOUNDS of Summer

WHY BAND ?

"I enjoy band because of the fun memories you can make with those around you. May it be sad or happy memories, all will be loved and cherished."
Isabella Hughes (So.)

"Band is a nice experience that isn't a sport. You grow and learn from one another in your section. It feels like I have another family I can belong to."
Aaron Bustos (Fr.)

LEADERS ON AND OFF THE FIELD

The title of drum major is symbolic of leadership, responsibility and motivation. These students went through a significant tryout process in order to declare that title. "Being a drum major has taught me a lot about responsibility, staying positive, how to support people on off days, how to be selfless, and to be a person that someone can depend on."
Valeria Castro (Sr.)

SUMMER FUN

This year was Kennedale's 75th anniversary parade. For this occasion, the KHS Marching Band decided to play for the parade. The route started at Delaney, a stop in front of the local Subway, and then ended back at Delaney. "The parade was fun. Most of the band wasn't there, but it was an interesting experience to meet alumni that graduated from KHS before I got here," said head drum major Valeria Castro (Sr.) It was a great start to the year for the band, especially for the members that played in the parade and got to march alongside the alumni that returned per Oktay's request.

SIZZLIN' SUMMER

This summer was officially the fourth hottest summer on record. North Texas saw 47 days of 100 degree or higher temperatures with 21 of them being between July 16th and August 5th - right during summer band practice. When asked how the band student's survived out there, Andrea Carter (So.) replied, "The heat was brutal, people were drinking bottles upon bottles of water just to keep moving." Band celebrated the end of summer with a play day and pizza!

FISH CAMP

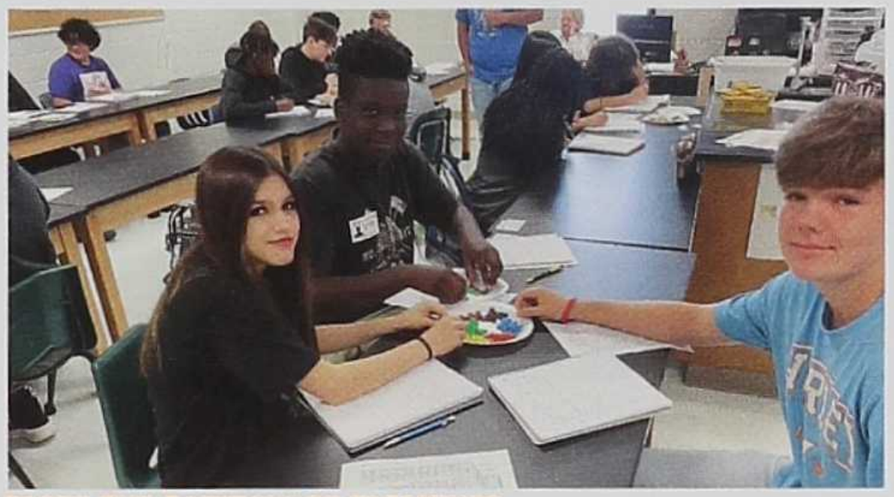
During fish camp, all of the freshmen had the opportunity to see their new campus for the first time. Guided by upperclassmen, they met their friends after the long summer break and explored what the next four years may bring them. After lunch, they ended off the day with some fun and games. "I loved the experience of getting to see my friends after the summer break and I was a lot less nervous after seeing the campus to begin high school," Emma Easley (Fr.) Quite the exciting introduction to their new campus!

SCHEDULE SITUATIONS

The bell rings to begin the new school year and school is back in session. After two years, 2022 seems to finally be getting back to normal. However, the day wasn't without its challenges. Once students walked in, they were greeted with long lines leading up to the cafeteria. Turns out a schedule problem arose, and this needed to be fixed. Some students stood in line for only a few minutes, others a little longer! A pretty interesting event to start off the year. More importantly, the students were excited to be back with their friends.

MEET THE WILDCATS

Meet the Wildcats is the first opportunity for our community to learn about fall sports which include football, volleyball, cross country, cheer, Aristokats, leading band members, and drum majors. When asked about the event, Christopher Bond, a sophomore football player, responded, "It was very exciting, we just wanted to show them what we had prepared for the season. I could tell that it was going to be a good year."



TASTE THE RAINBOW OF ELEMENTS

Freshman in Coach Daniel's IPC class review the atoms by using M&Ms. Students were excited to brush up on the science knowledge in a fun and different way. Freshman Kevin Godfrey said "it was really fun because we got to eat the candy after."

FRIENDS TILL THE END Seniors Emily Londono and Sydnee Leclear stop and pose for a friend picture on the field during Senior Sunrise.

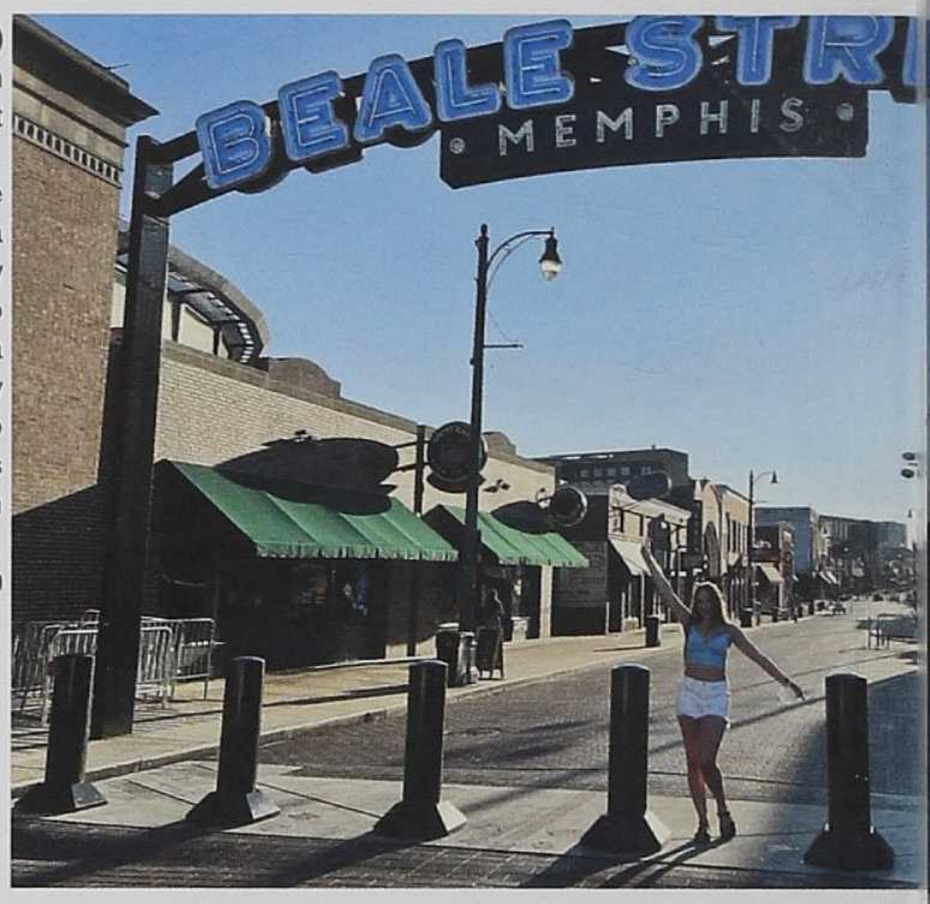
SENIOR SUNRISE

RISE AND SHINE! After a few delays due to our unpredictable Texas weather, seniors were finally able to celebrate the last first day of school. The birds were chirping, singing their morning songs, and as the sun rises, it showcased summer tans, new hair-dos, and one-of-a-kind fashion. Each senior was ready to make their last first impression. Realizing this was their last first day, it was definitely bittersweet. "It was kind of surreal knowing that this is the end of a chapter, but also exciting knowing that we are all getting ready to graduate." Ariel Usher

SMILE! Senior cheerleaders Kyira Dorsey-Lawson, Kori Lehman and Taylor Fail celebrated with their friends during Senior Sunrise.

FAMILY TRAVELS! Tinley Wease (So.) spent part of her summer vacation in Memphis, Tennessee. She went with her grandparents for 2 weeks and spent 3 days in Memphis. She had the opportunity to go onto a stage and sing Tennessee Whiskey by Chris Stapleton. She also got to travel down a river in town with a band at Rum Boogie Cafe. Tinley said, "Memphis is a great place to find culture with so many blues inspiration. It really inspired me with my own music!"

-Tinley Wease, So



Linh Ngo, Evelyn Nunez, Ashley Heredia, Daniel Castor, Adrian Gonzalez, Adrian Guzman-Diaz, Aimee Baza smile for the camera.

LAST FIRST DAY! Larry Bostice, Ty Blocklyn, Dylan Harrison, Ethan Massey, Preston Roller, Evan Massey and Nevyn Johnson are notorious around campus for their school spirit. It wasn't a surprise that they all showed up to Senior Sunrise and stopped to pose for a picture.

SUMMER TRAVELS AND FIRST DAYS

The one thing each student looks forward to more than anything - summer vacation! It's where you get to throw away all your school work, graded papers, and put your backpack in the closet until next school year. It's the time when we get to go out of town, spend time with friends, and have a blast with family. Some of our students traveled far distances like Senior Bahij Said who visited the Middle East. Other students stayed a little more local and traveled to Alabama, Florida, or Tennessee. Regardless of the location, students were happy to be enjoying time away from school.

As the summer comes to an end students scramble to finishing preparing for their first day; they try to fix their sleep schedules and pack their new clear backpacks for the most important day of the year all while trying to get their nerves under control.

As they enter the building the first priority is to find your friends and see what each others classes are for the semester! The freshman race to find all their classes and the bathrooms while the seniors enjoy their last first day. Students sit through class while their new teachers go over the boring classroom rules and procedures while waiting to see what the next class holds. Summer has come to an end and our next chapter of high school has just begun.

As this is a moment of emotions, Reagan was sentimental while Kenzie was excited!
"Aweee it's my last year with Kenzie!"
Reagan Jackson, Sr.
"Yes! It's my last year with her."
Kenzie Jackson, So.

"While Mrs. Hammonds gave us no choice to take the picture, it was definitely a memorable way to go into our sophomore year!"
Alyssa Torrez, So.
Sophia Porras, So.

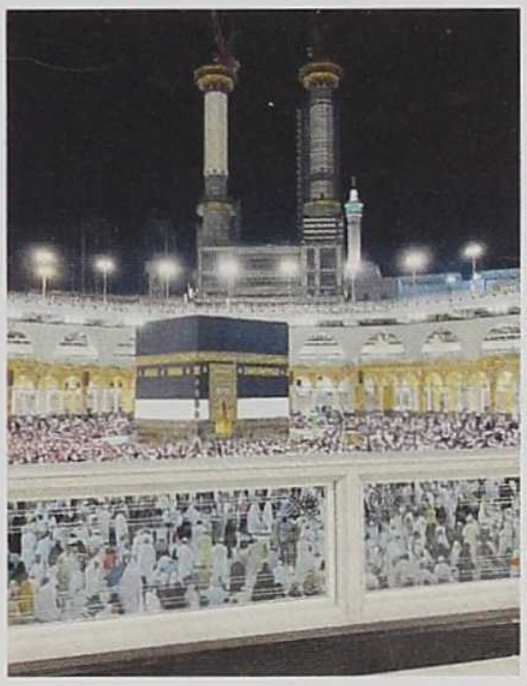
"I was walking up to the At-Bat at the start of a 3 inning at a baseball tournament and said all he thought of during the game was 'Just Send It'"
Antonio Curran, So.

"I was with my mom at a car race and I decided to take this picture in the moment because we don't go out that often anymore to the races and we were having lots of fun at the time!"
Caden Fincher-Lamb, Fr.

FALL OPEN HOUSE! Mia Douglas and her family were making their way around Kennedale High School campus as she introduced her teachers to her family. She stated, "This picture was very important to take with my family because it is my senior year. My family wanted to be there for the start of my new school year as it is very important and special for us!" **Mia Douglas-Luckey, Sr.**

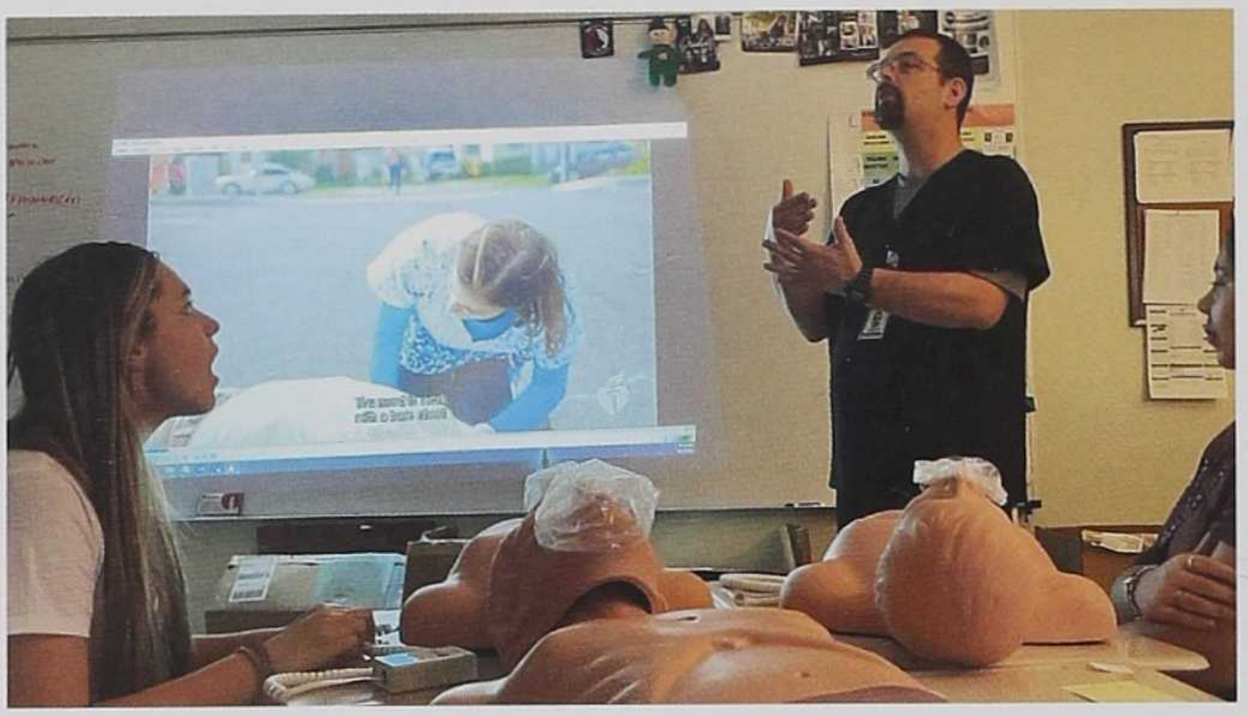
FUN IN THE SUN! **Faith Nevarez (So.)** went on a summer trip with **Lexi Roman (So.)** and her family to Orange Beach, Alabama for a family reunion. Lexi said, "We chose this location because it is kid friendly for the entire family and a beautiful area to visit!"

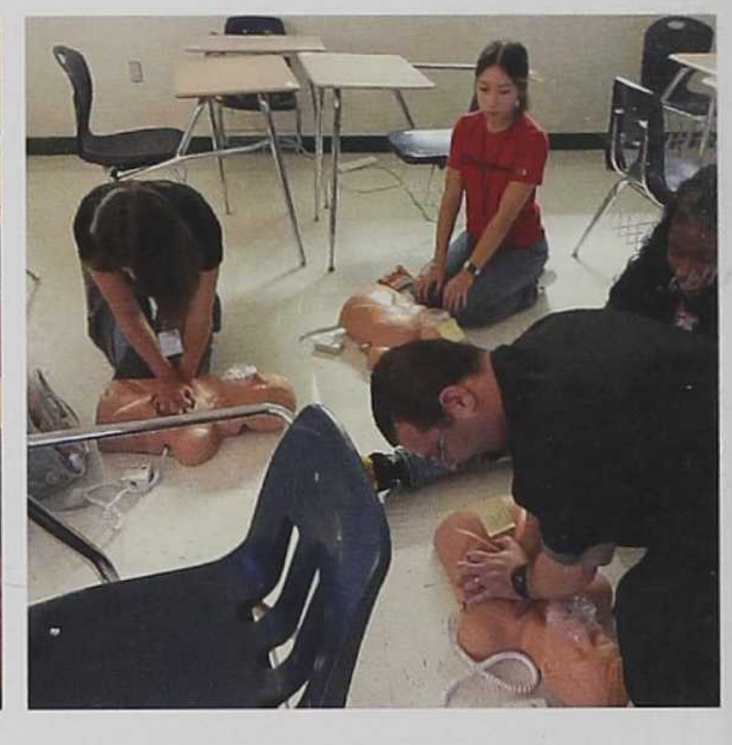
TRAVELING OVERSEAS



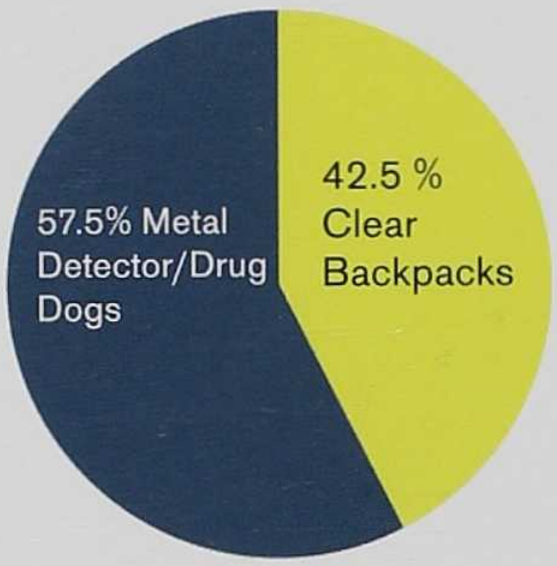
"Traveling to the middle East, in particular, Saudia Arabia, has been a continued yearly tradition for me and my family. Although I was born in the United States, I lived abroad for a period of years in Saudi Arabia where I developed lifelong friendships and was exposed to a variety of cultural practices that continue to amaze me. During our most recent trip to Saudi Arabia, most of my time was spent with friends playing soccer on the rooftops of buildings, hiking in the mountains with friends, shopping at exquisite malls, and visiting a multitude of tourist attractions including the world's largest clock tower. Traveling to the region remains the highlight of my year that I continue to look forward to!"
Bahij Said, Sr.

CPR SAVES LIVES. Students in Mr. Burke's classes learn the basics of CPR. Practicum students earn their American Heart Association Basic Life Support certification which is an 8 hour course and is required for most health care careers.





STUDENTS VOTE



WHAT'S YOUR VOTE? Students in Mrs. Clendenen's Business Practicum class conducted a student survey on the new clear backpack policy. The results were very interesting showing that more students actually feel safer and would prefer having metal detectors and the presence of drug dogs rather than requiring clear backpacks.

"I understand why we have clear backpacks, but from our research most kids still feel that if students wanted to bring in contraband they will find a way to do it. But it did shock us that more students would prefer the metal detectors and drug dogs. My research group was really surprised by that finding."

Lizzy Richardson, Sophomore

"I don't really like them. I think we should go back to regular backpacks. I don't feel like it really changed anything to be honest."

Bryan Poland, Senior

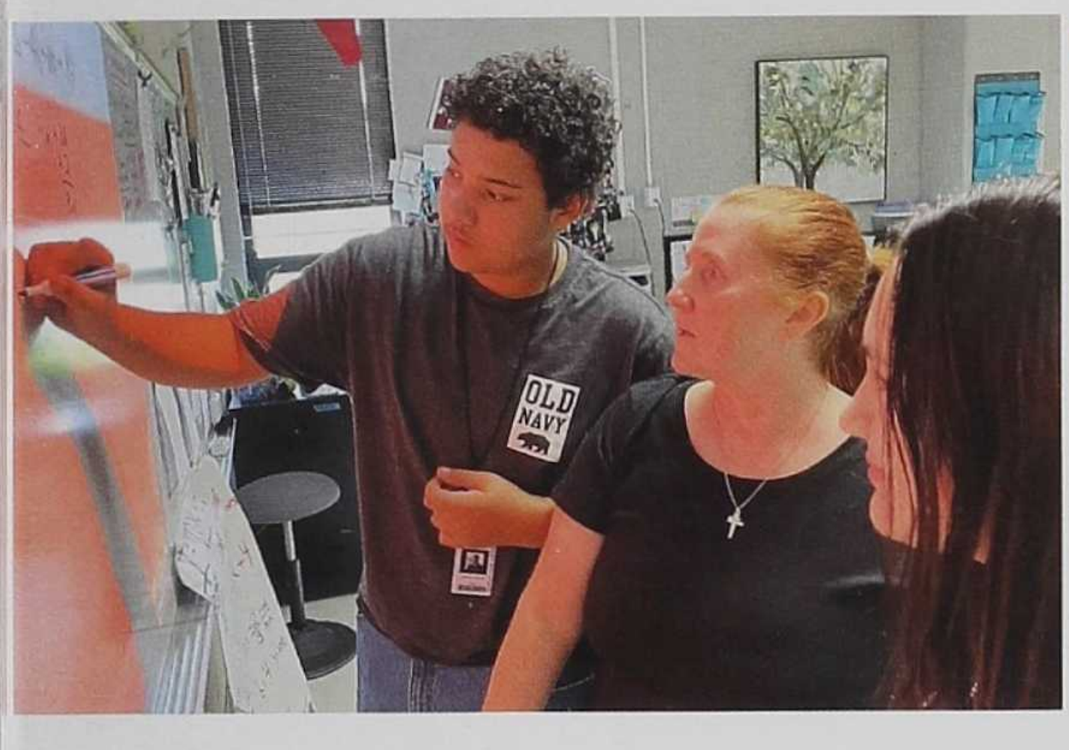
"Ultimately our goal is to keep students safe," Principal Mr. Cagle

CLEAR BACKPACKS LOVE AND HATE

We have seen, purchased, and are now required to wear them, clear backpacks, a new school policy this year. Students have different points of view on them, some don't like the cost, some think it's an invasion of privacy, and some think they keep us safe, but why do we have them?

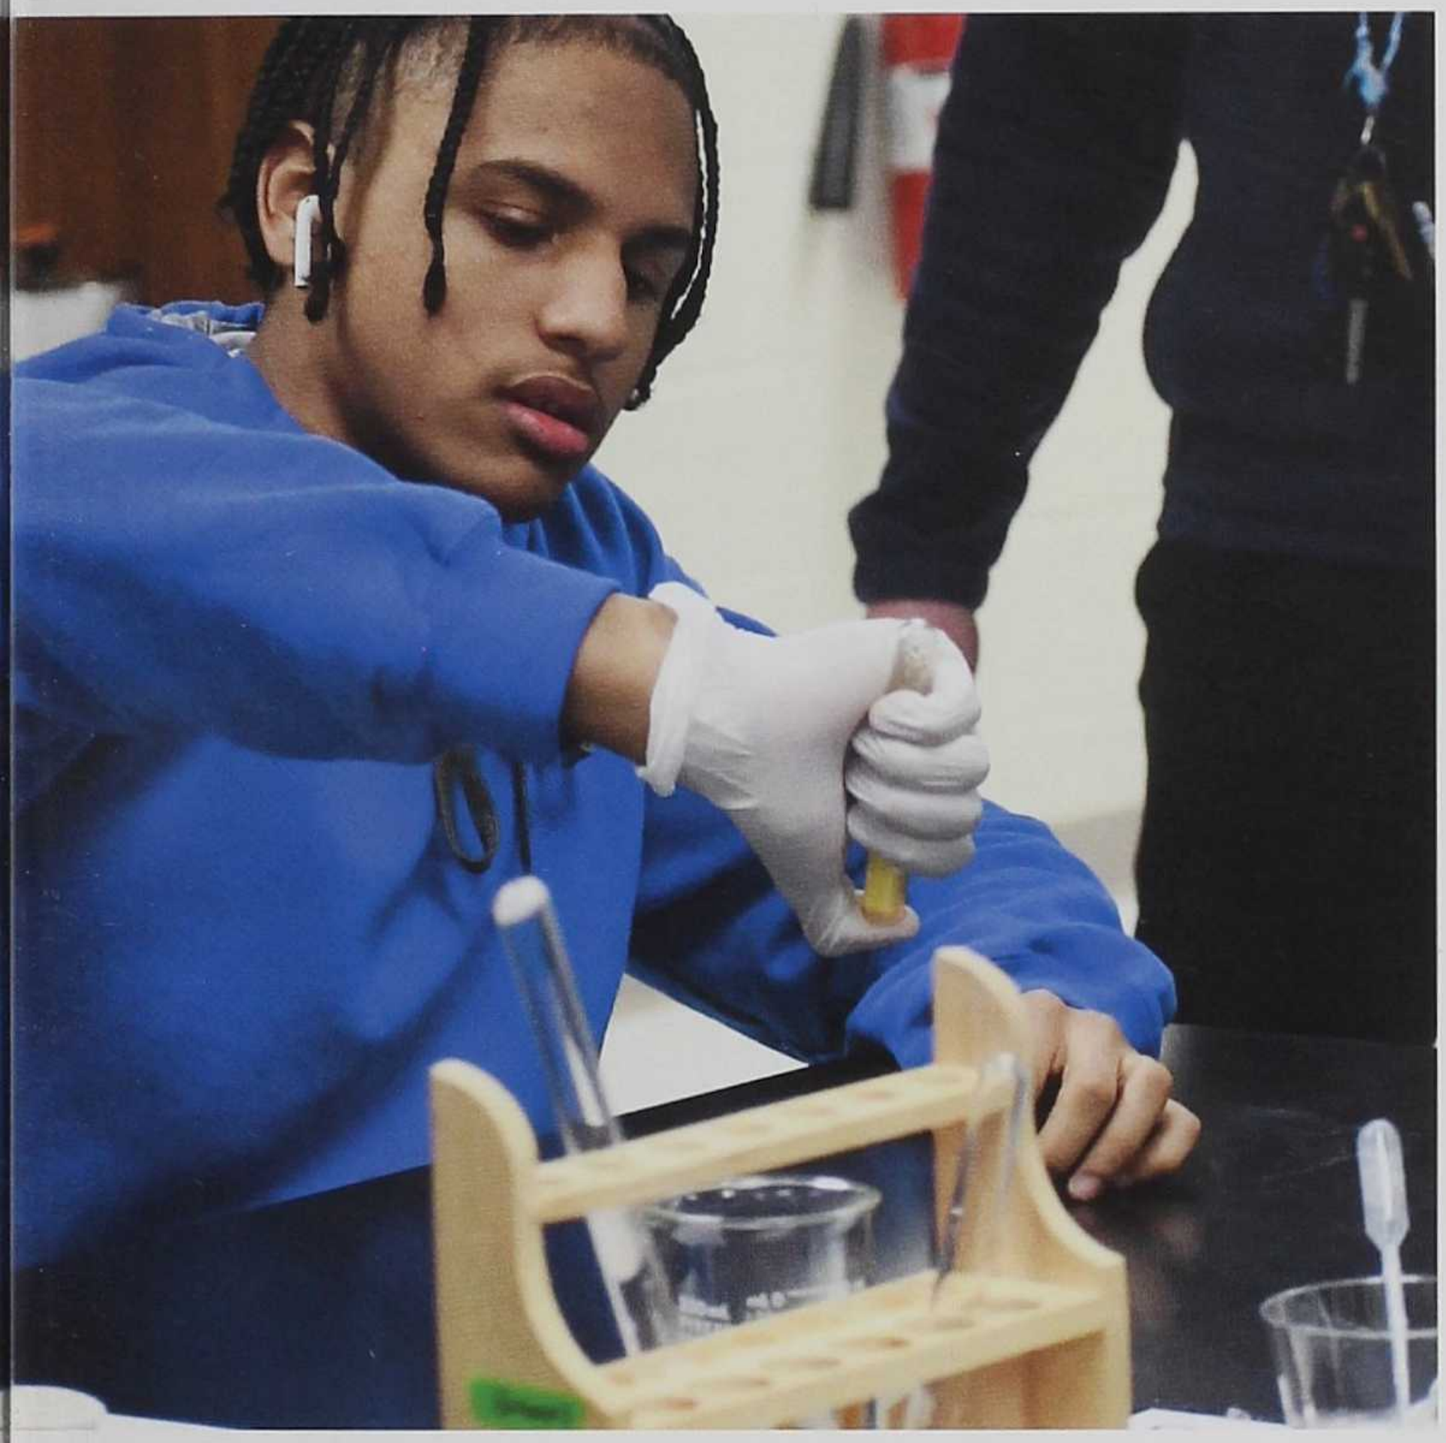
School officials believe that they have many benefits. "This is a way to reduce things coming into our school and ultimately keep our students safe," says Principal Michael Cagle. He continued by saying "We are not going to stop everything that comes into this school, but clear backpacks are just one part of our efforts."

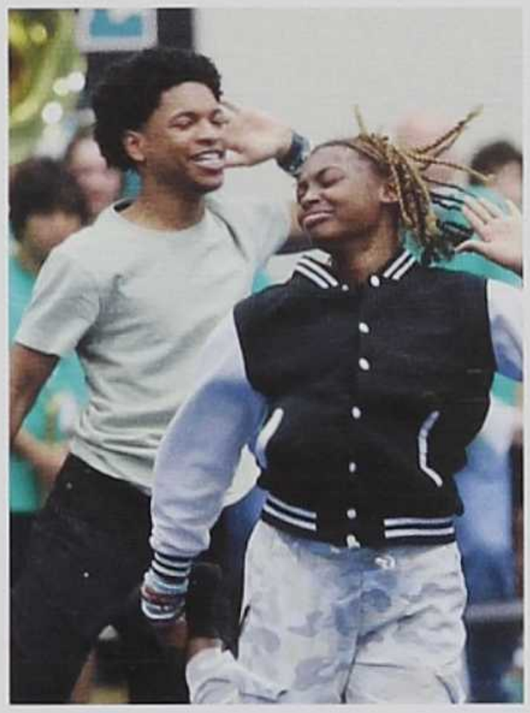
With the rise in violence on school campuses all across America, schools are now proactively seeking ways to keep students safe. While it may be an inconvenience having to purchase them more frequently due to their longevity, ultimately it provides a peace of mind for some students and parents.



MATH IN ACTION. Freshman Deshaun Pearson and Marie Jones are learning how to solve equations in Mrs. Begere's Algebra 1 class. "Mrs. Bergere is a really good teacher and helps her students in many ways. She is very positive, helpful and is always there for her students," said Pearson. Her hands on activities develop a deeper understanding of the material.

WE STAND WITH UVALDE. Freshman Giselle Hernandez wears maroon to show her support for the innocent lives that were taken during the Uvalde shooting. "I just wanted to show support for all of the families. It felt important to me."





DANCE BATTLE

Joryian Daughtery (Jr.) and Robyn Hughes (Jr.) battle it out in a dance duet busting out old school moves from the movie White Chicks. "The practice was difficult, but we wanted to put on a great show. When we nailed the flip, it felt exhilarating," said Robyn

NATIONAL RECOGNITION

WINNERS. Seniors: Adetola Awe, Brieanah Gomez, Megan Cerda, Nevyn Johnson, and Valeria Castro, were five of 62,000 students from across the country to earn academic honors from the College Board's National Recognition Programs.
These Wildcats earned this recognition by excelling on their PSAT/NMSQT, PSAT 10, or AP Exams and in their classrooms.

GARGLING GATORDATE

Students in Mr. Nguyen's Biology class learn about DNA. Students had to swish around Gatorade and then spit into a cup mixing it with a DNA extractor. Students were trying not to laugh before they were able to finish the experiment with the end result being an image of their own personal genes. "I thought it was a unique experience and one I'll remember from my science classes," said William Shepard (So.)

Buddy Cox (So.) mixes his sample with Gatorade to extract his DNA.

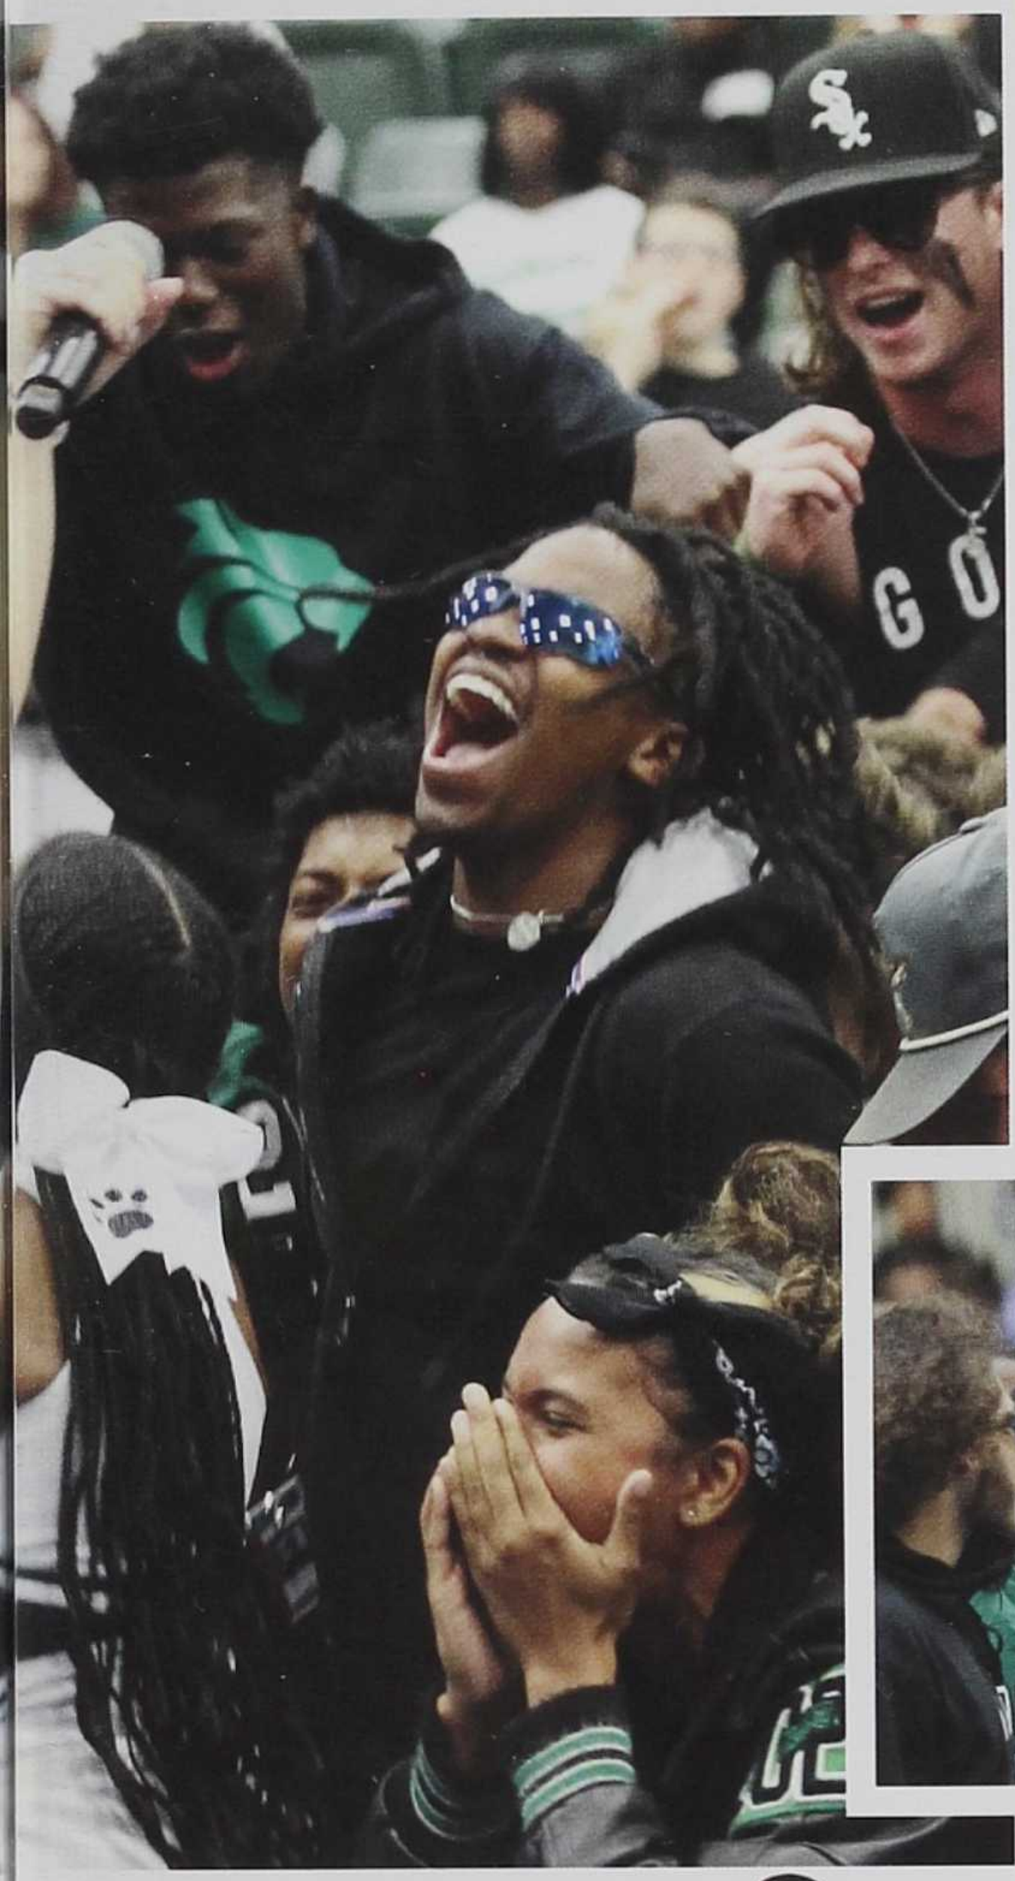
Cameron Lyles (Sr.) dances during the pep rally

No pep rally would be complete without the band!

Junior Reagan Gunter dresses up for Jersey Day

Sophomores Tyler Greenfield and Aidan Ruiz dressed up as the girls from the movie White Chicks

WILD WITH WILDCAT PRIDE



Spirit Week - a student favorite! "It is just a fun week that we are allowed to be out of dress code and show off our personalities," said Jenny Phan who is the Junior Class President. Spirit Week always falls on the week of Homecoming so it is full of dress up days, hallway decorating, and ends with an awesome pep rally.

One of the student's favorite dress up days is always Opposite Day. "This year I borrowed a flower dress from my mom and I had a bonnet. At first when I walked into school I was making sure I wasn't the only one, but once my friends started getting there everyone was dressed up. It was dope," said Jadarion Roberts (Fr.) "Opposite Day is the best day of the week. I think almost everyone participates. It is fun to see everyone's outfits,"said Senior Autumn Abdalla.

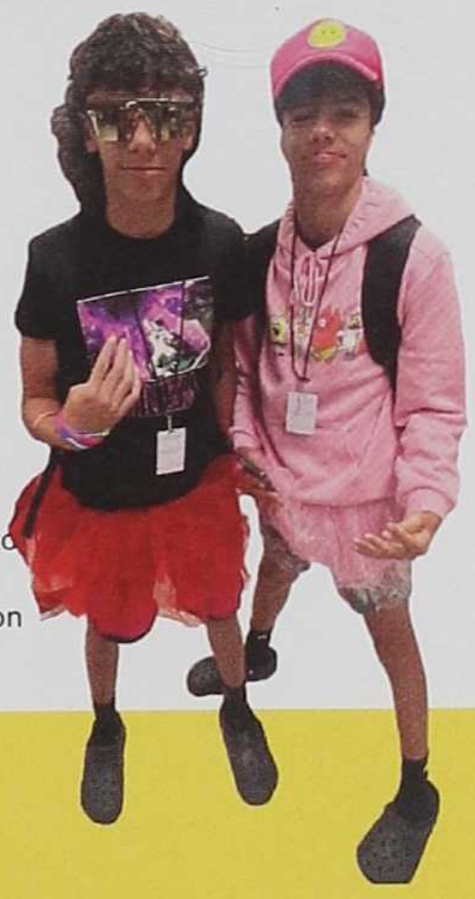
During the pep rally students and teachers had a tug of war. "Everything does not go as planned, the teachers won. It was disappointing, but fun to watch," said Jordon Franklin (So.) The pep rally also included a dance among the football players and the cheerleaders in which they all did Tik Tok dances. "It was a fun last dance for all of the seniors. It was something that I'm definitely going to remember from high school," said Cameron Lyles (Sr.)

Poasa Utu (Sr) pumps up the crowd during the Pep Rally and encourages everyone to come out to the football game to support their Wildcat football players.

Sidney's Solo

Sidney Bouche (Sr.) sings the National Anthem at the Homecoming Pep Rally.

Sophomores Joycelynn Evans and Antonio Curran having fun on Opposite Day



Freshman twins Colto Sandoval and Dilon Sandoval go all out on Opposite Day

WHO DRESSED BEST?

FRIDAY HUG DAY
Seniors Dylan Harrison and Preston Roller took it upon themselves to begin spreading cheer by visiting classrooms and giving away free hugs every Friday.

WHAT'S YOUR PLAN?

Students speak with representatives on September 27th during the College, Career and Military Fair. "I enjoyed seeing all the different schools and options for my future career", said Ruben Rivera- Agosto, (Jr.) KHS hosted over 80 different vendors including FedEx, naval branches and many community and D1 colleges.

TAKING CARE OF OUR OWN

OUR VOICES CAN BE POWERFUL. A select group of students meet monthly with Superintendent Mr. Gee. They are able to provide input regarding matters that directly affect our schools and students. "I like being on the council because I feel it gives students a voice and I'm able to communicate student's perspectives to our administration", Jaylen Bettis (Fr.)

COMMUNITY TOY DRIVE. Students plan a toy drive with all of the campuses to ensure that any Kennedale ISD families that need help during the holidays have support. KHS collected over 200 items which were then distributed to both Delaney and Patterson families. John Johnson (Sr.) said " I recommend volunteering wherever you can because it is cool knowing how you can help our your own community."

Mr.Burke and his health science program was awarded the Carter Bloodcare Great Grant of $1,500 for blood drives in the 2021-2022 school year. With just 3 blood drives the KHS population collected 236 units of blood, saving 708 lives.

GIVING THANKS

Maestra Stephens' Spanish Club raises money every year to recognize and show appreciation to our campus custodians. They are very much a valuable asset ensuring that our classrooms are safe and we are are able to learn in a healthy environment. Junior Aaliyah Leija was able to give one to her father, the District Custodial Supervisor who oversees all schools in our district, said "It feels good to show our appreciation for all of their hard work."

GIVE LIFE

Students sign up for local blood drive

Every two seconds, someone in the U.S. needs blood. In an effort to provide blood for those in need, Mr. Burke's Health Science practicum teams us with Carter BloodCare to help fulfill that need. Carter BloodCare provides transfusion resources to over 200 medical facilities here in North Texas and the blood donations are largely supplied by high school drives.

Kennedale High School hosts two blood drives a year and this past Fall, with the help of 130 blood donors, KHS was able to collect 101 units of blood. This donation touched 303 lives within our region.

"This program is a way for students to directly impact the lives of those in our community. We never know when it will be us or one of our loved ones that need blood due to an accident or illness and if we don't have the blood on the shelf today that need will not be met", said Mr. Burke. This program allows students to easily gain the satisfaction of knowing they are making a vital difference. Through the Red Honor Cord Program, students are tangibly recognized for their contribution. For many, this may be the only recognition they receive at graduation. "My dad always taught me to help others in need whenever I could, and I try to live by that philosophy every day. Me donating blood is just me following it." says senior Mazen Hamad.

"To plan a blood drive it takes a lot of patience. We have to be understanding if plans change and be flexible with different solutions."
Megan Cerda, Sr.

#BLUEUP

Elijah Doane (So.), Jacob Golden (Fr.), Avery Baker (Fr.), and Ethan Daniels (Fr.) support our anti bullying campaign. Everyone looks good in blue, especially when it means you are wearing blue for World Day of Bullying Prevention. Students wore a blue shirt to join in solidarity with fellow supporters across the globe who are standing behind bullying prevention. Together we can all make a difference.

CANNED FOOD DRIVE

Key Club officers Agnes Chireza, Amber Lei and Tatenda Chireza organize cans from the Fall Canned Food Drive. Students donated items during their 5th period class and all donations were given to The Mission Store and the Senior Outreach programs in Kennedale. In total over 500 cans were donated that benefited our community.

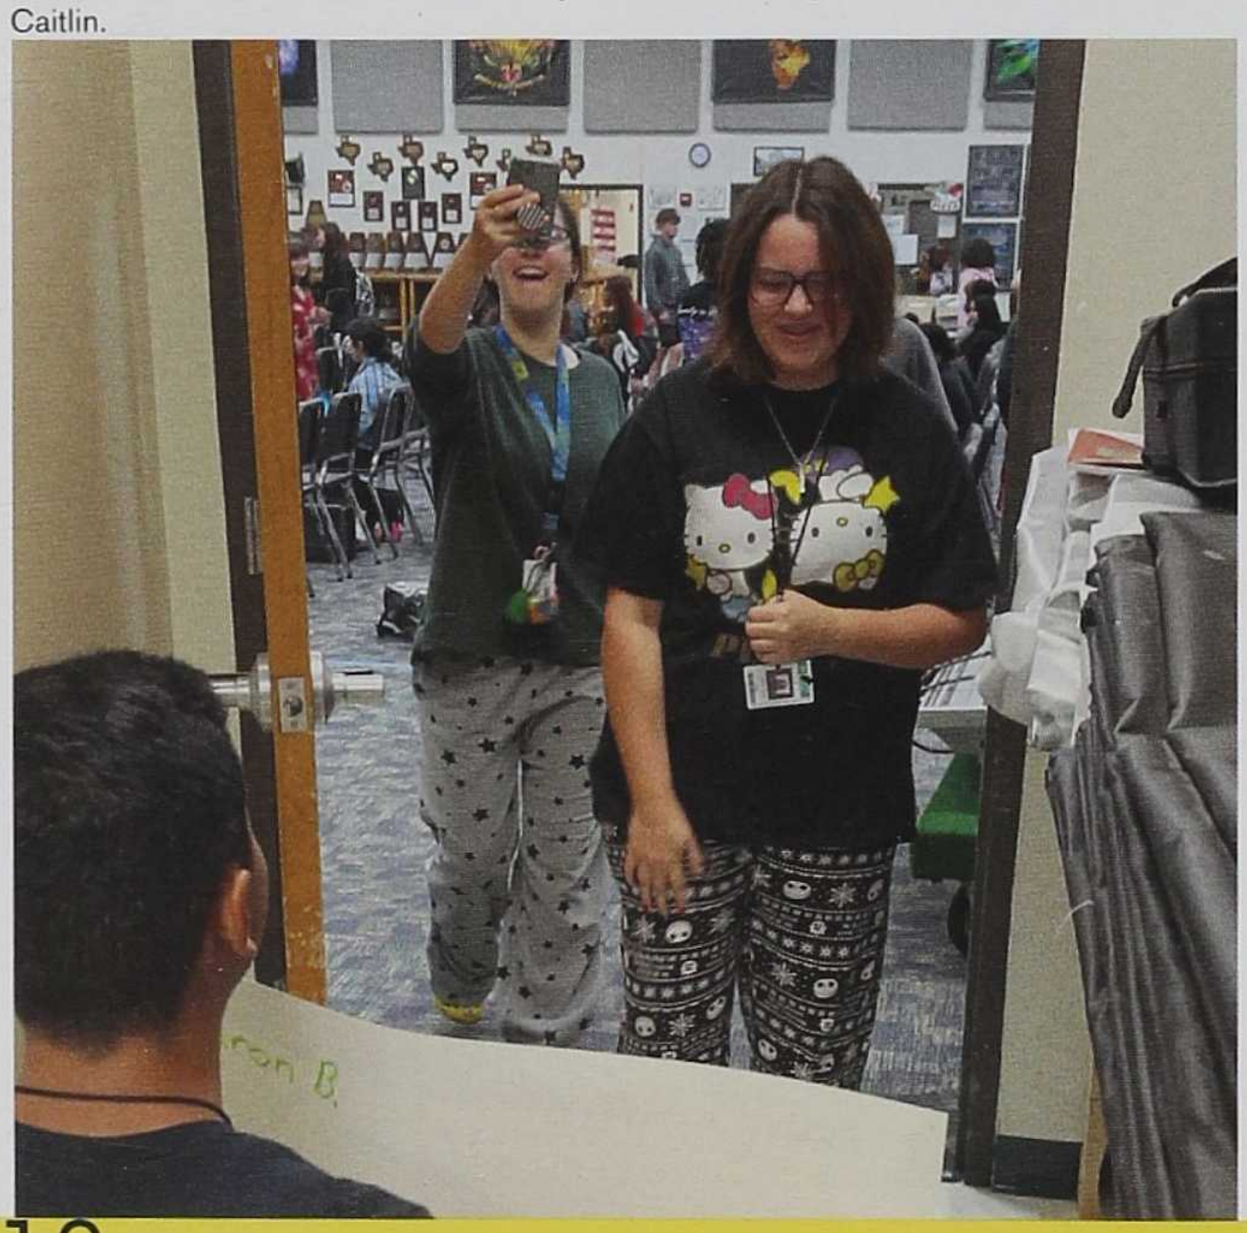
WILL YOU GO TO HOCO WITH ME?

Aaron Bustos (Fr.) surprised Caitlin Weatherford (Fr.) with a homecoming proposal in the band hall. "I was nervous because everyone was watching, but it was a lot of fun." said Caitlin.



"I wanted to make good memories for senior year and having my brother there with me meant a lot, I felt the love."
Austin Pickett

"I was so happy and grateful to have this amazing memory for senior year."
Emily Londono

IT'S A TEXAS THING

If you know people that live in other states and you are talking about mums, chances are they have no clue what you are talking about. Mums are clearly a Texas thing and obviously the bigger the better.

Down to the matching mums and creative Homecoming proposals they were all unique in their own way. Each mum and proposal clearly brought out creativity and individuality. Senior and also Homecoming Queen Eowyn Martinez said "My boyfriend Kaleb had it made for me, I definitely wanted pink in it because it shows off my personality" Freshman Caitlyn Weatherford got to experience her first Homecoming proposal. "I was completely shocked. He asked me in band hall and people were recording. We had a lot of fun."

Zachary Zare-Mehrjerdi

"I became very invested when people actually started voting for me. It was a great feeling being a finalist because I didn't think people would actually vote and I loved my mom being there with me."

Elizabeth Martinez

"I ran because I thought it would be a fun experience and a good senior memory. It was honestly shocking getting votes but it was also really cool, and i was so happy my dad being there with me."

Eowyn Martinez

"I wanted to do something fun my last year of high school, and I was shocked that people were voting for me. I chose my dad because he has always been my Number One supporter."

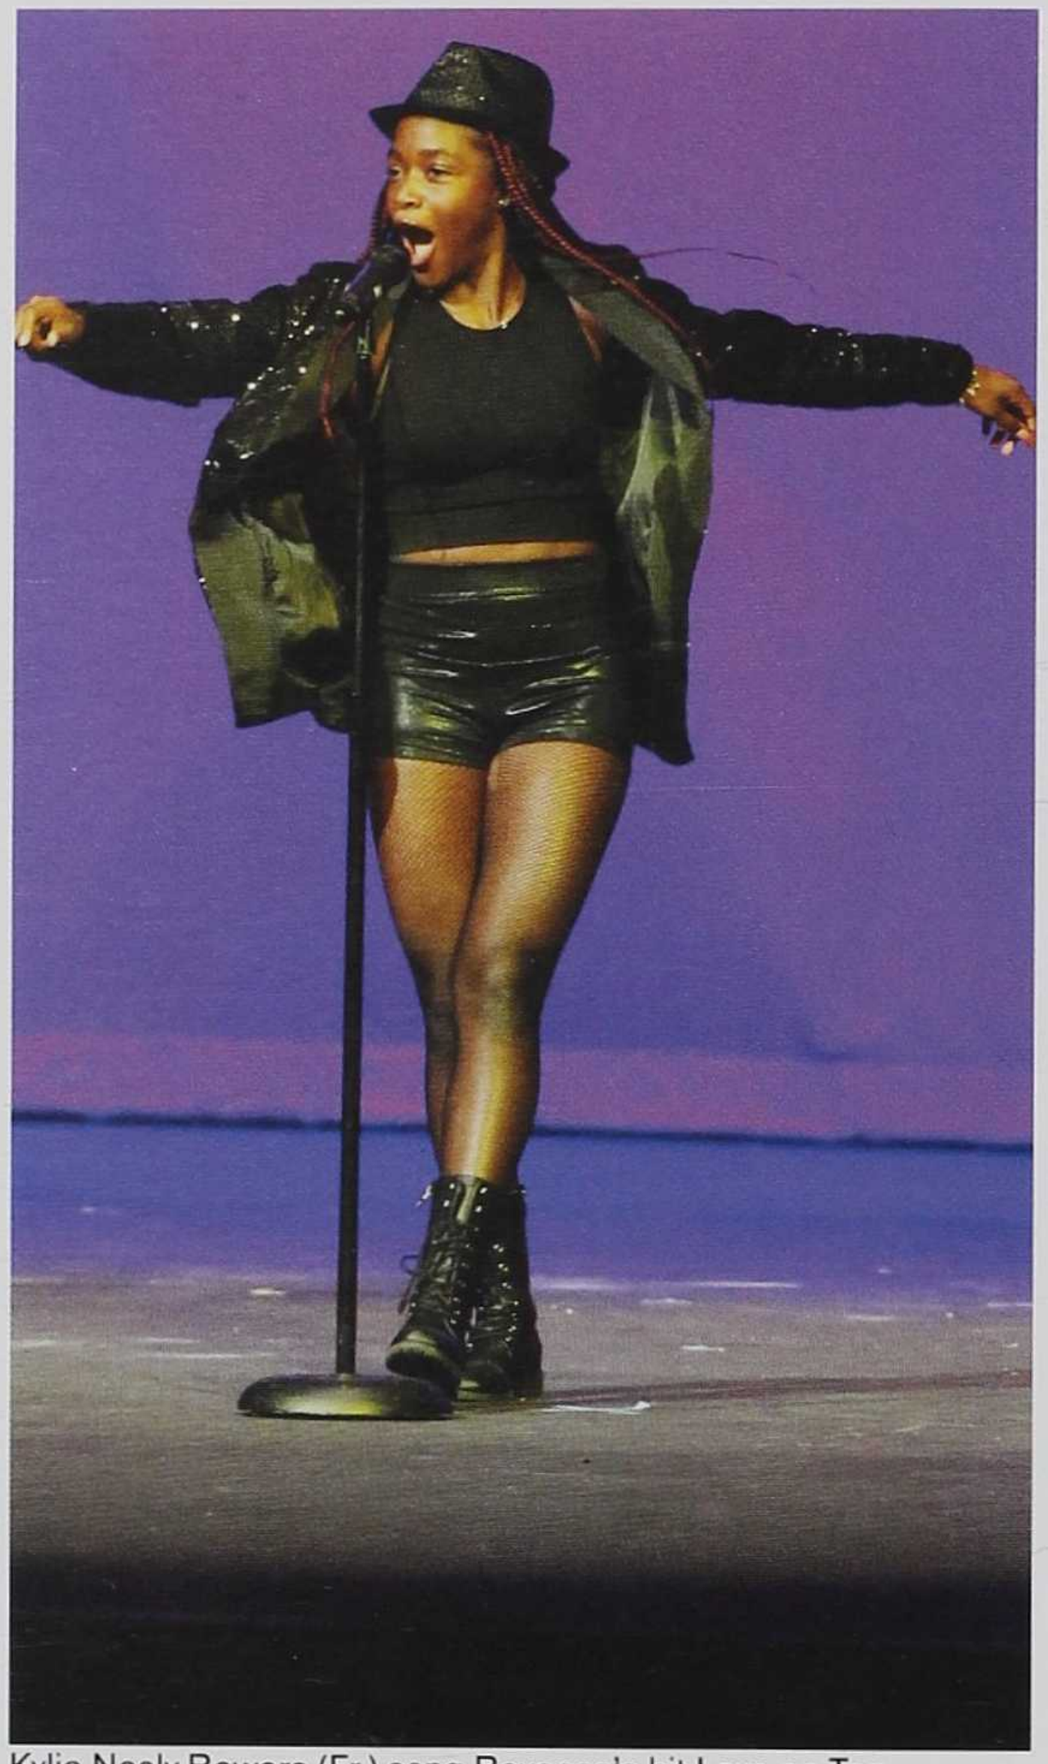
Maddox Wheeler

"I was really motivated to run because of the previous soccer boys that ran. I was actually nervous and exited that I got a chance to win. I wanted my mom there because she always helped me out and alway supported me."

WHO'S GOT TALENT?

The Senior Class hosted a Talent Show on February 10th to raise money for Prom. The show was a huge hit! The show began with a performance by Coach Hammonds and Mrs. Hammonds followed by very talented singers, piano players, dances and even included an epic Star Wars battle.

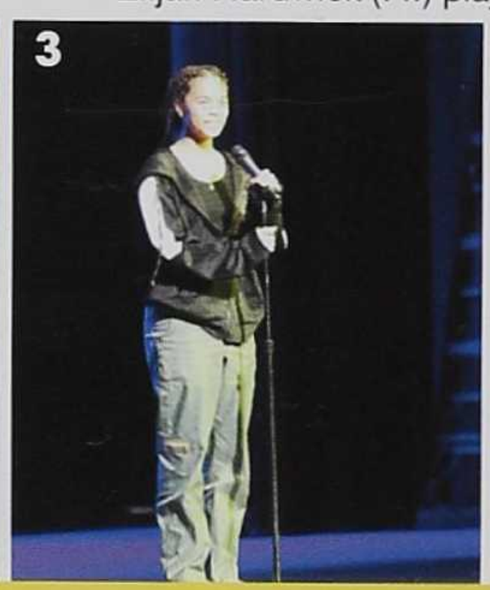
Quantrell Parks (Jr.) was voted best performance and won the talent show with his dance moves. "I've been dancing my whole life. I didn't expect to win, but I was cool with it," said Quantrell. Freshman Kylie Nealy Bowers stole the show with her rendition of Beyonce's Love on Top. "I chose this song because I sang it for my parents anniversary and thought it would be cool to redo it. I was shocked that the crowd was singing along. I had fun and I'm already planning next year's performance."



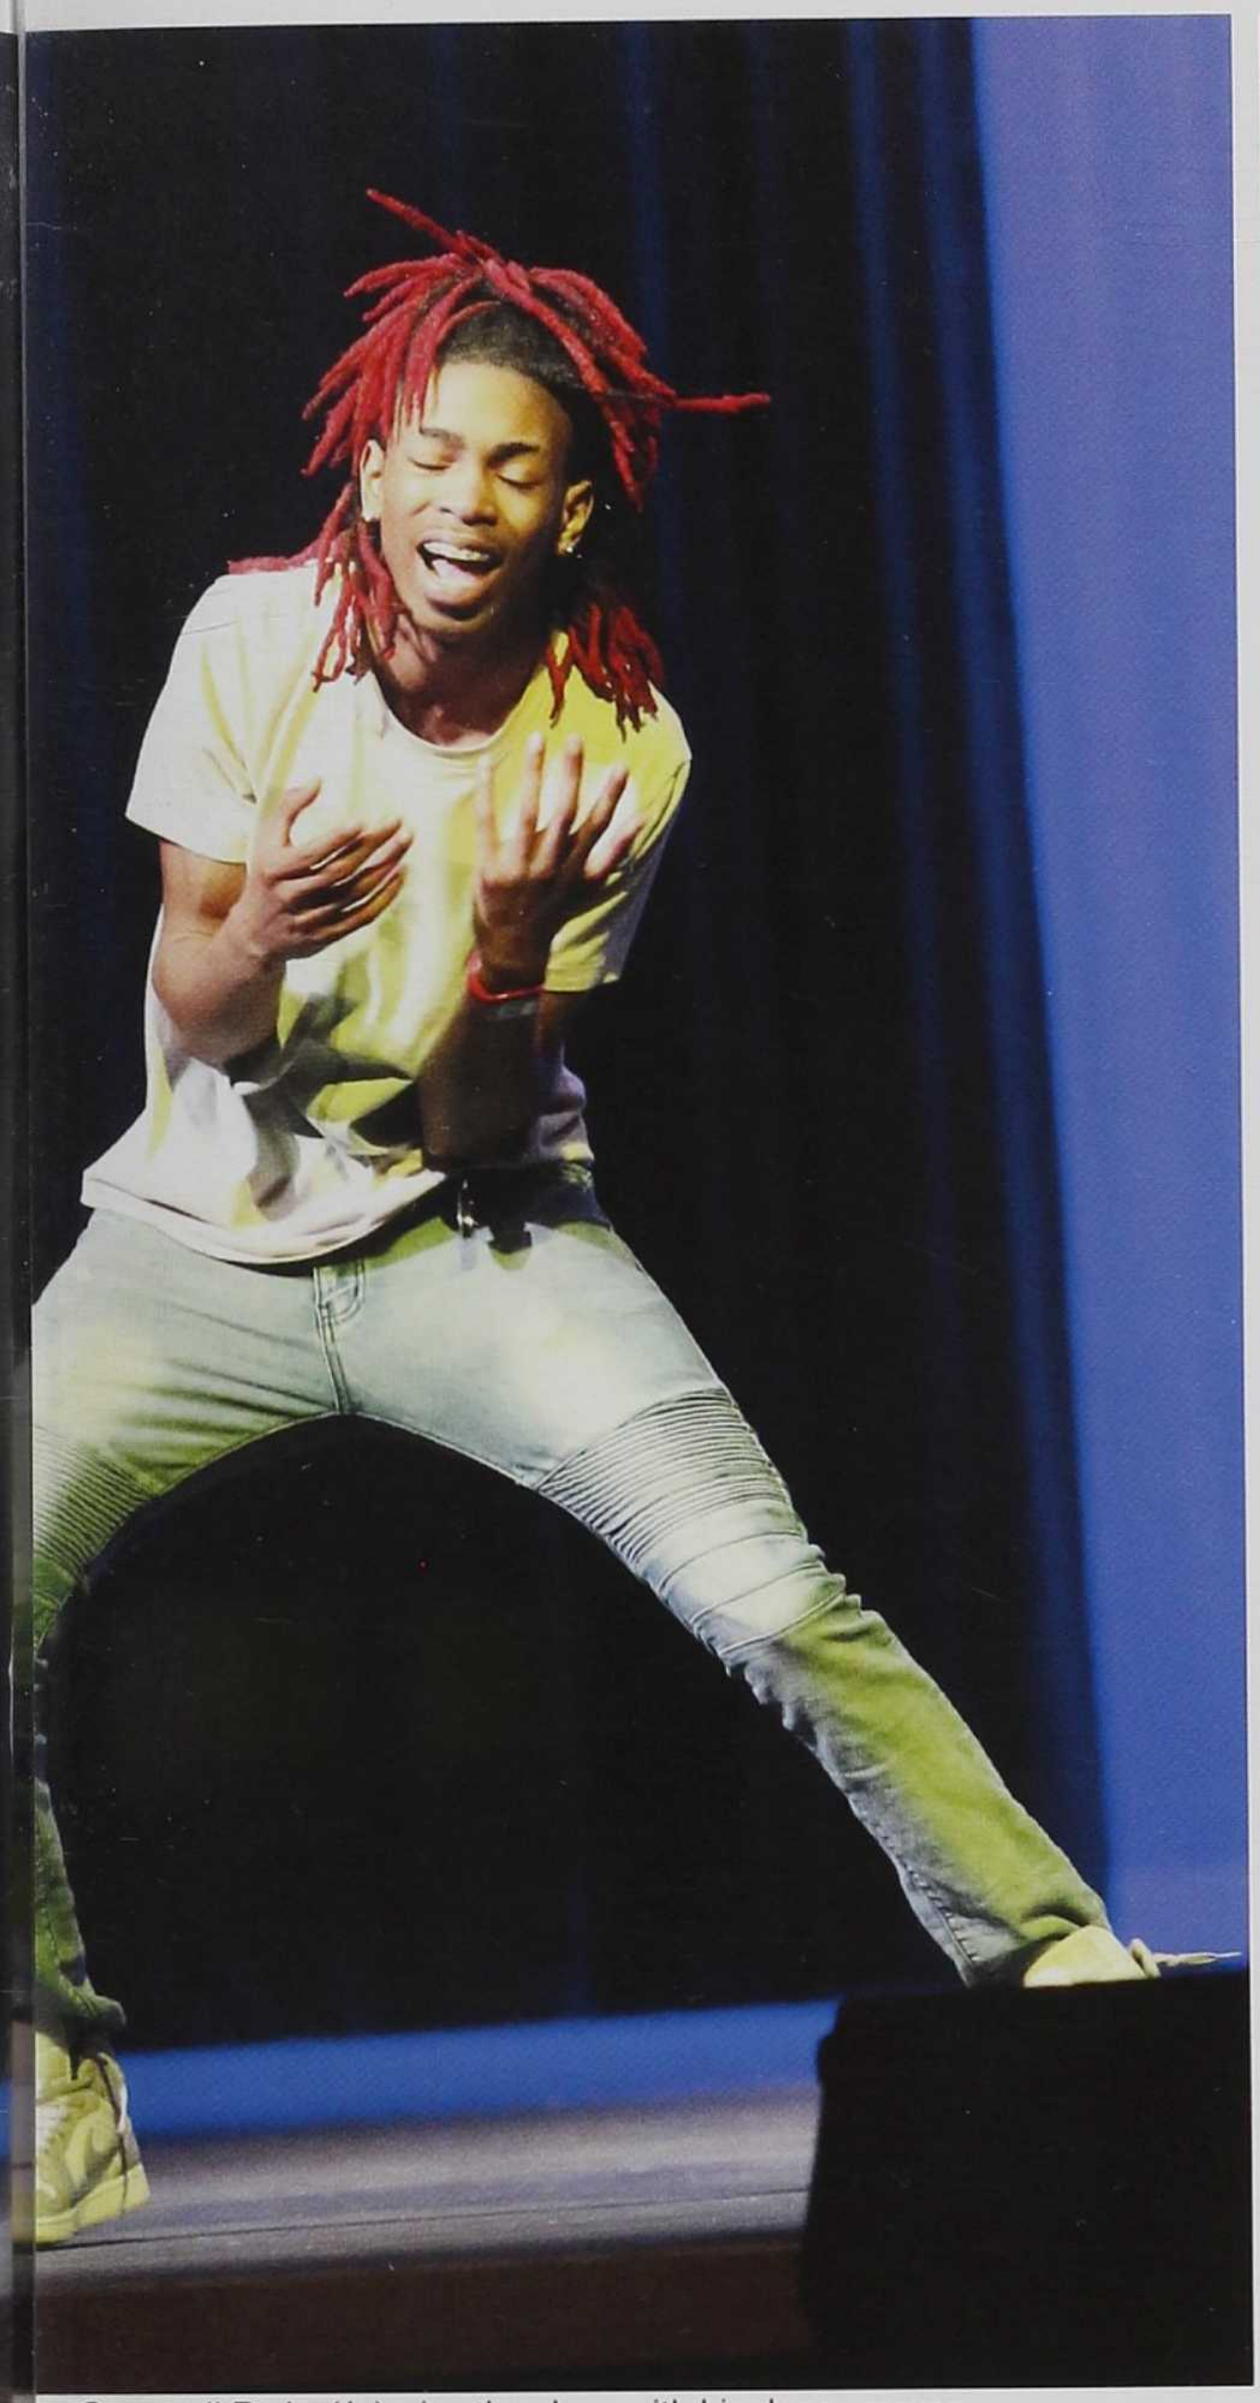
Kylie Nealy-Bowers (Fr.) sang Beyonce's hit Love on Top

Benjamin Doane (So.)and Elijah Doane (So.) Star Wars battle

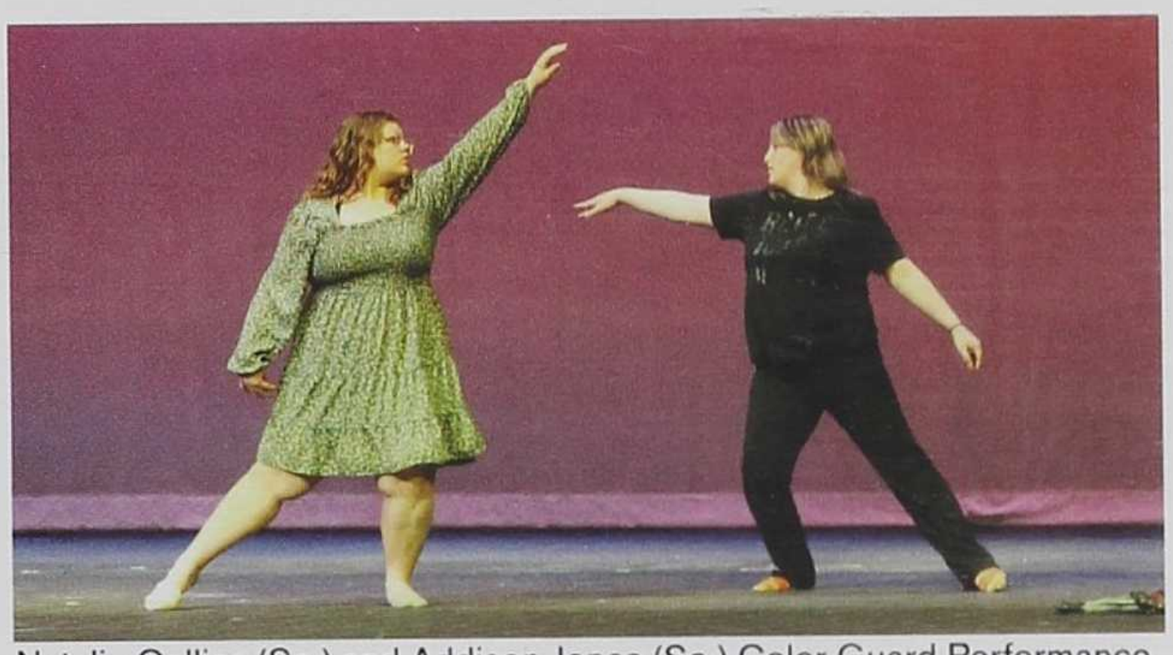
Elijah Hardwick (Fr.) plays Bohemian Rhapsody



1. Ronald Jones (Fr.) singing Candy Rain
2. Kathryn Abercrombie (Jr.) singing Eight
3. Tityanna Williams (Fr.) singing Lovely
4. Sidney Bouche (Sr.) singing Every Summer Time
5. Kaylie Anderson (So.) singing Never Enough
6. Payton Smith (Fr.) singing Never Enough

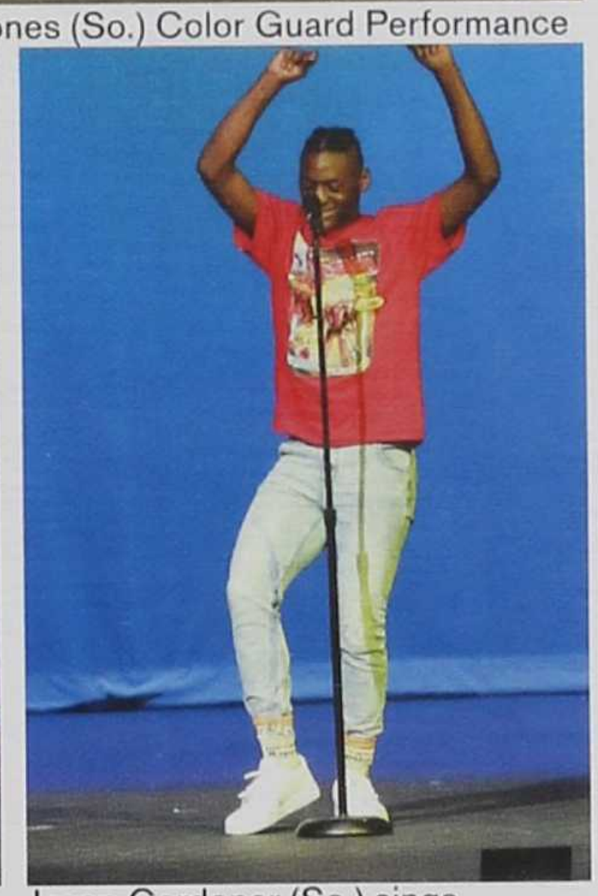


Quantrell Parks (Jr.) wins the show with his dance moves.



Natalie Collins (So.) and Addison Jones (So.) Color Guard Performance

Pfeiffer Galloway (Jr.) Signing Black Sheep by Metric.



Jason Gardener (So.) sings Dancing With a Stranger.

Above: Mrs. Hammonds and Coach Hammonds play a few songs as the show opener. Below: Rachel Omorogbe (So.) plays piano and sings How Deep in Your Love.

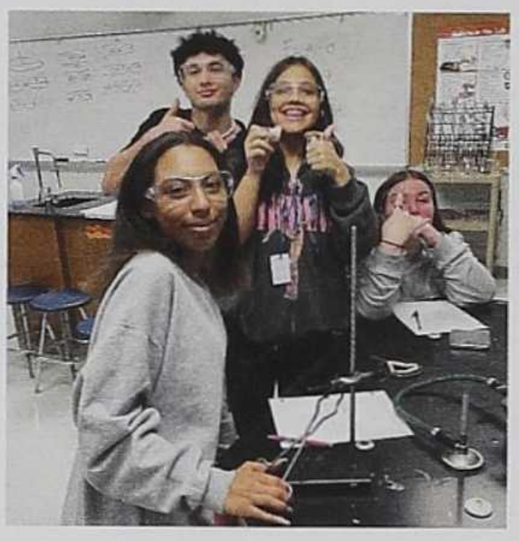
To the window...

TO THE WALL!

Stuck Up. The Spanish club tapes Coach Munson to the cafeteria wall for their fundraiser. Students voted for the teacher they would like to see on the wall and Coach Munson won in a landslide.

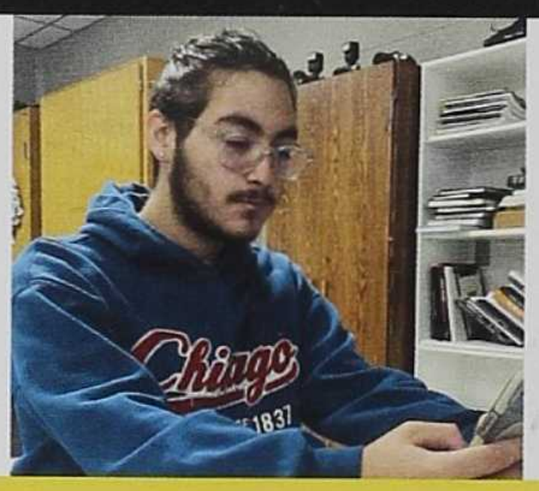
Teacher shout out! Mr. Phil Oakley is a retired journalist from WFAA workings as a Special Education Paraprofessional as a way to stay active. As a journalist, Mr. Oakley took some famous pictures of Cesar Chavez at the 1966 Farm Workers Association Labor March in Austin and later donated the pictures to St. Edwards University.



Lab Facts!
Students in a science lab class stop and pose for a quick picture. Most students prefer doing labs as opposed to class lectures.

TIK TOK *Wins as most popular social media platform*

"I use TikTok, Snapchat, and Instagram. I like TikTok the most because it's more entertaining. Tiktok is different from other social medias because you can watch videos and don't have to talk to anyone. My favorite videos to watch are about basketball."
-David Rogers, (Fr.)



"I would say I spend about 7 hours a day on social media, but my favorite is TikTok. I mainly go through my For You page looking at artistic things such as tattoos, memes, guitars, funny videos and much more."
- Mason Allen, (Fr.)

Brr! Winter guard puts on a show at Martin High School and dazzles the audience.

Wildcats taking charge. Seniors Toni Hughes and Adetola Awe advanced to compete in the final round of the Business Plan competition at the Future Business Leaders of America (FBLA) State Conference in Galveston.

"TikTok is just fun entertainment. I probably spend the most amount of time on it at home. I like watching a lot of animal and lifestyle videos."
Belle Hughes (Sr.)

POWERING UP *to Keep Up*

STUDENTS PLUG INTO SOCIAL MEDIA TO KEEP UP WITH FRIENDS.

"I prefer Instagram as my favorite social media app because I like the platform and layout better than Snapchat."
-Delilah Ortega, (Sr.).

"I prefer Instagram over Snapchat, because I feel that has a better layout and overall a better app."
-Tyler Heutzenroeder, (So.)

"I like Snapchat more than Instagram because I can do streaks with my friends."
-Tristan Carrillo, (So.)

"I like Instagram more because it's more interactive."
- Alicia Millogo(Jr.)

JUST DANCE

With this being the first year for prom to ever be in a Kennedale High School Yearbook, we are more than excited to have this special chance to create a memorable page for our Juniors and Seniors!

This year the Kennedale High School Prom of 2023 was held at ArtSpace 111 in Downtown Fort Worth, Texas on March 4th, 2023. The event was held from 7:00 pm to 11:00 pm! As the doors opened, everyone made their way into the venue for a group dinner outside in the beautiful seating area. The food included tacos, rice, beans, chips, and more along with an ice cream truck for 1 hour during the event. “Our theme was Enchanted Garden and it matched the feel of our venue and the magical mystical feeling we wanted for that night,” said Valeria Castro (Sr.).

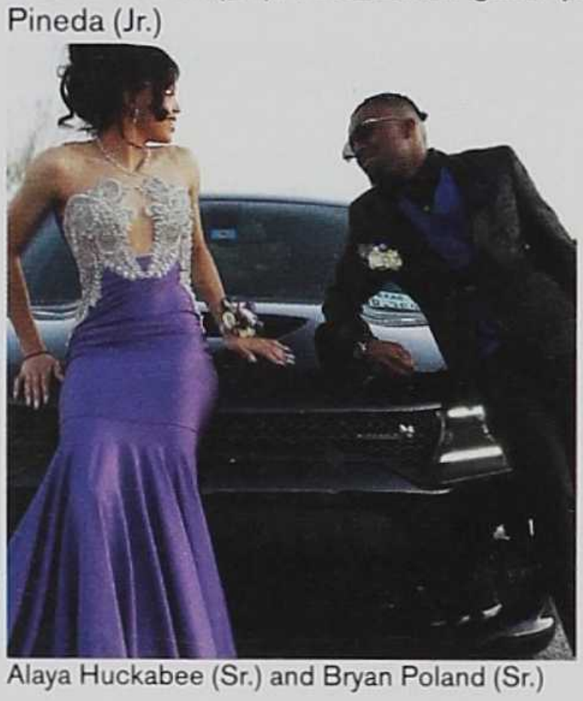
Prom was open to both seniors and juniors this year with After Prom being held at Alley Cats, sponsored by the PTO. Students were able to bowl, play arcades, play golf, use the batting cages, and even had fun prizes to be won.

Sydnee Leclear (Sr.) and Andie Padilla-Chiles (Sr.)

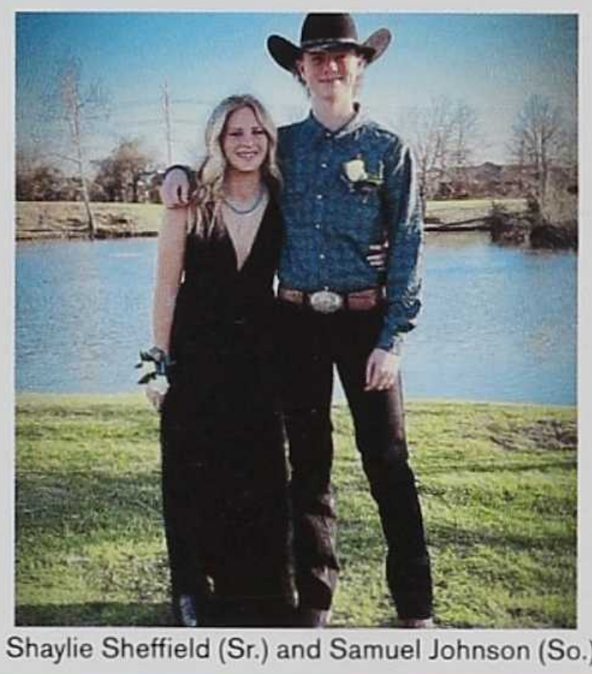
Emily Londono (Sr.) and Hope Kinser (Sr.)

Nathan Porras (Sr.), Alexandria Aguilar (Jr.), Brieanah Gomez (Sr.) and Javier Pineda (Jr.)

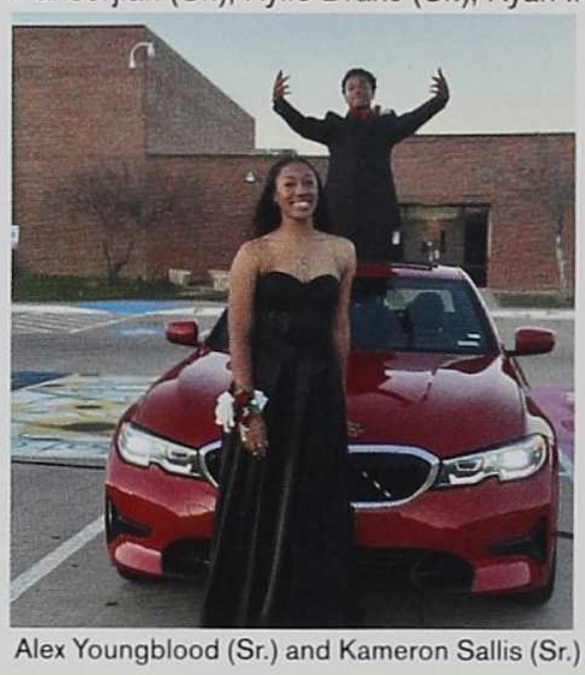
Megan Cerda (Sr.), Alexandria Mclean (Sr.), Valeria Castro (Sr.), Samuel Mahserjian (Sr.), Rylie Drake (Sr.), Ryan Inlow (Jr.), Breylen Harris (Sr.)



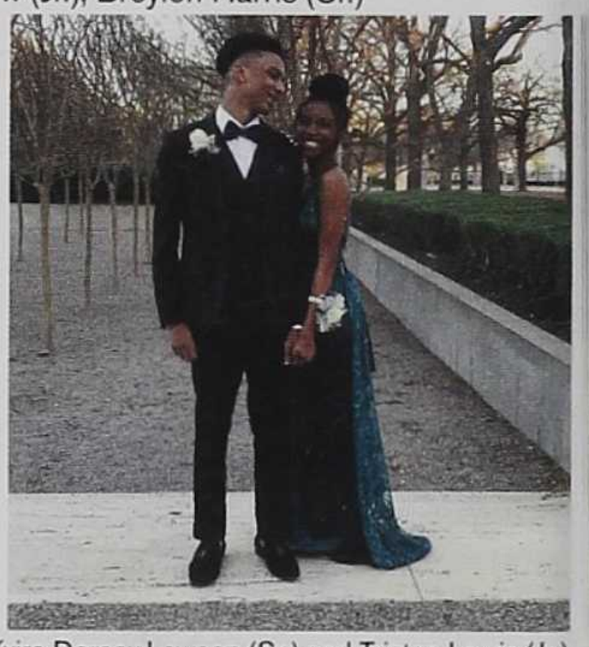
Alaya Huckabee (Sr.) and Bryan Poland (Sr.)



Shaylie Sheffield (Sr.) and Samuel Johnson (So.)



Alex Youngblood (Sr.) and Kameron Sallis (Sr.)



Kyira Dorsey-Lawson (Sr.) and Tristan Lewis (Jr.)

Prom King Maddox Wheeler (Sr.) and Prom Queen Allison Ramirez (Sr.) taking a quick picture after being awarded their titles!

Kennedale High School Seniors Jeremiah Myers, Ronnie Johnson, Savannah Allen, Dezanae Coleman, Kori Lehman, Tyler Choice, and Cameron Lyles celebrating their memorable prom send-off!!

Belle Hughes (Sr.) is at her prom send off with friend Sophia Porras (So.).

The Kennedale High School baseball boys put away their game uniforms for a fun, memorable night with friends in unique suits!

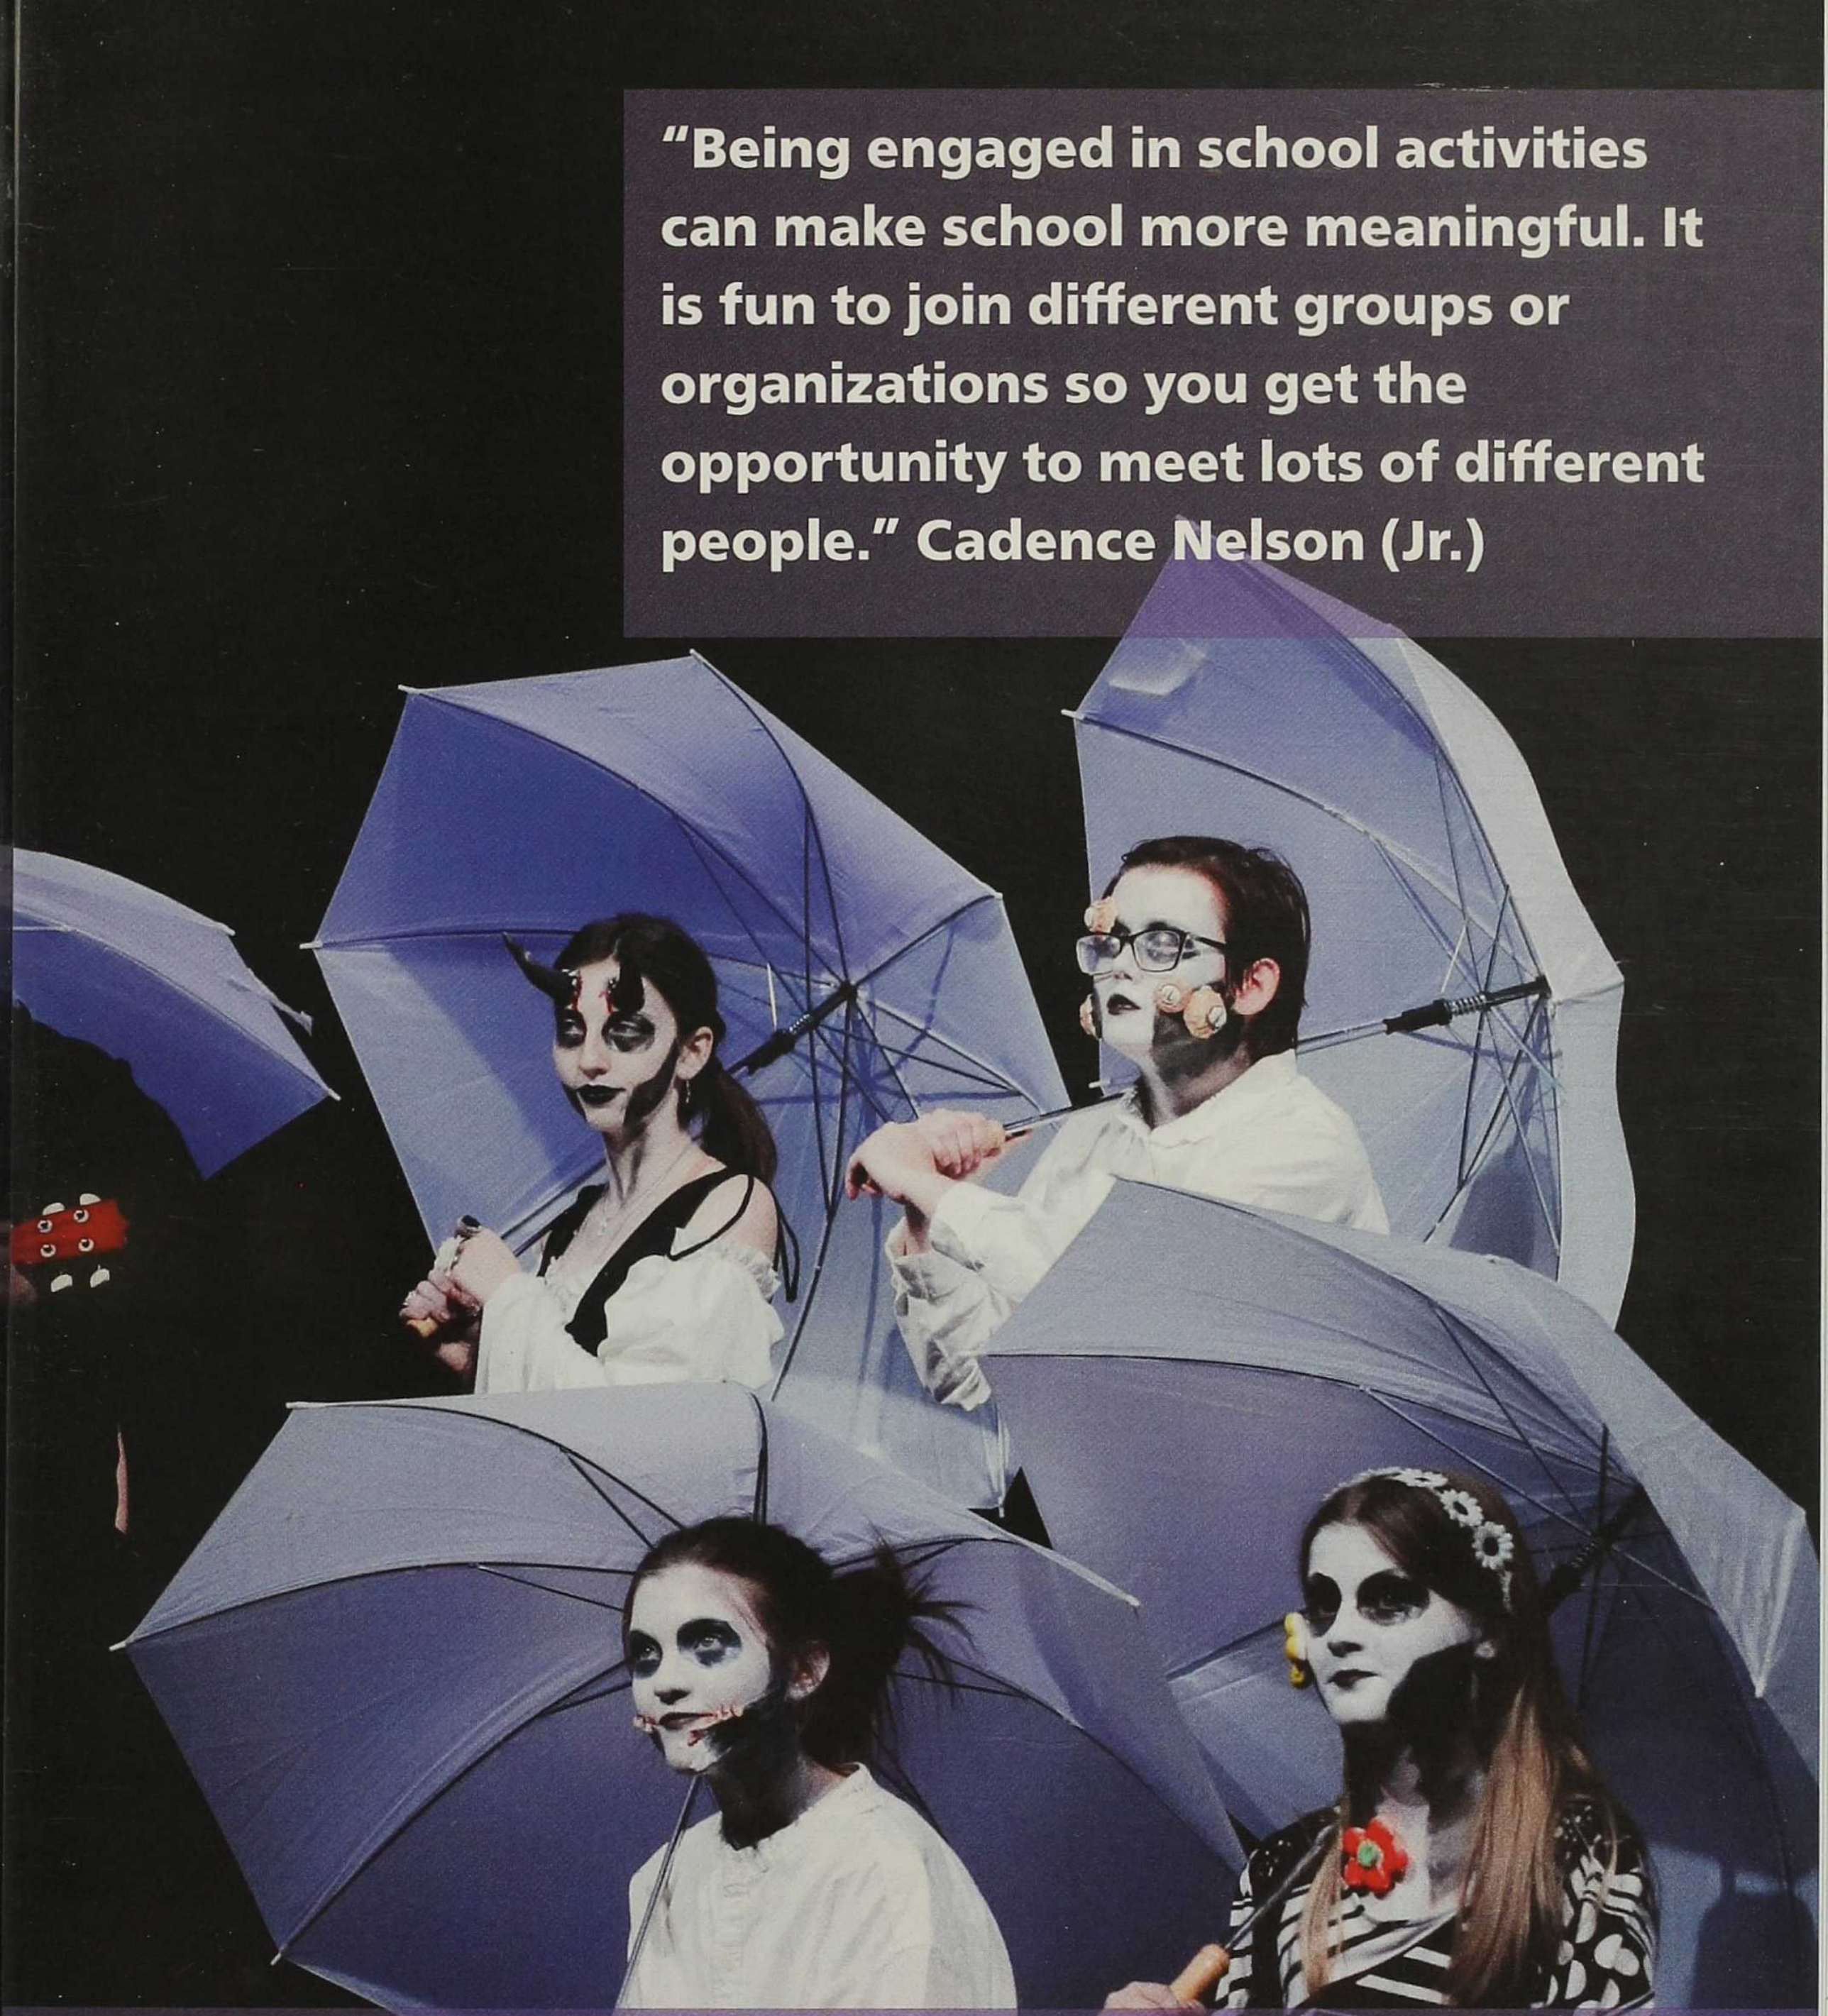
MORE THAN GREEN & WHITE

WE ARE ENRICHED

"Being engaged in school activities can make school more meaningful. It is fun to join different groups or organizations so you get the opportunity to meet lots of different people." Cadence Nelson (Jr.)



Addams Family - Cross Country - Football - Aristokats
Volleyball - Basketball - Soccer - Track and Field - Powerlifting - Baseball - Softball
Cheer - Outdoor Education

"I loved this number. It was the opening scene and included all of the ancestors of the Addams Family," said Cadence Nelson (Jr.)

"I loved playing the role of Grandmama. I felt like I was really able to show a lot of personality. In this scene I was eating a rat, which I named Frank"
Madison Renz (Jr.)

They're creepy and they're kooky, Mysterious and spooky!

KHS Theater presents
THE ADDAMS FAMILY

Stay seated as a group of talented wildcat students perform the amazing remake of the Addams Family television series. The cast and crew performed three different performances on October 22nd and 23rd for our younger campuses and the community. This was a trailblazing play which included Kennedale Junior High students with some leading roles and also the first time an adapted full length Broadway show was performed.

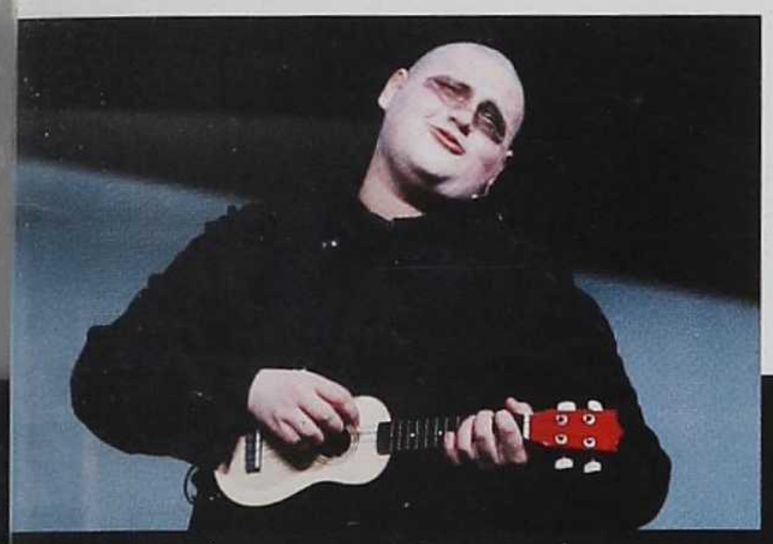
Annabell Dixon (Jr.) played the leading role of Morticia. "This was the biggest role that I have played and yet it was awesome to see what the younger kids brought to the stage," said Annabelle. Madison Renz (Jr.) who played Grandmama said "It was fun being able to mentor the younger students during this production." Madison also said she loved her role as Grandmama because it allowed her to bring out her crazy."

Scout Harbster (Jr.) who played Gomez, along with Annabell debuted their dance scene Tango de Amore. "Everybody started hollering and screaming and it was hard to even hear the music; the people's reactions were priceless," said Scout.

The Addams Family was the first production of the season and in December they performed The Best Christmas Pageant Ever.

Chloe Tran (Fr.) as Wednesday during her first high school musical. "Wednesday and I have polar opposite personalities. It was fun to try something new," said Chloe

Scout Harbster (Jr.) played Gomez Addams. During the scene, Gomez was acting as a matador in which he lures Morticia into a tango dance. "It was a hard dance to learn, but it was so fun. The crowd loved it,"said Scout.



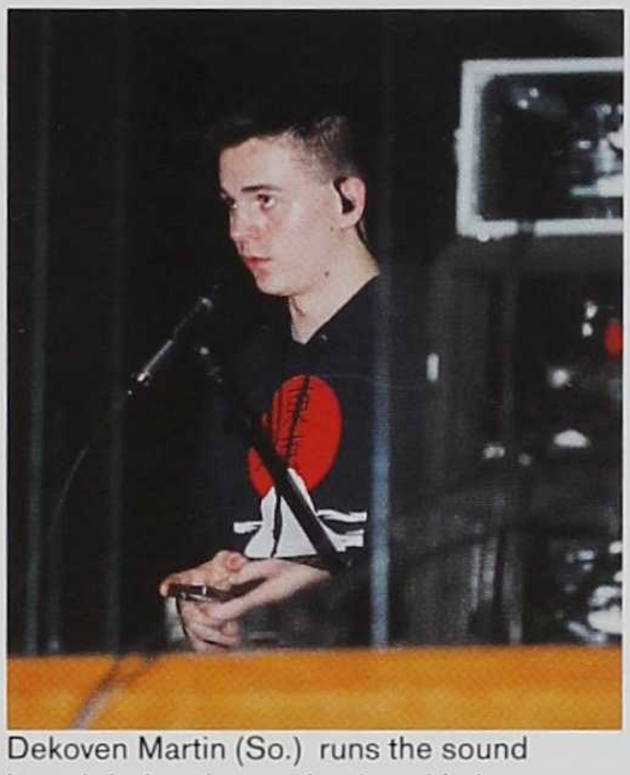
"I even shaved my head so I looked like Uncle Fester. This was the biggest role I have played in high school theater. It was a blast," said Mason Maltos (Jr.)

Silas Marvine (Jr.) who played Lucas was going in to kiss Wednesday before he was interrupted by her little brother, Pugsley, who wanted to torpedo their relationship.

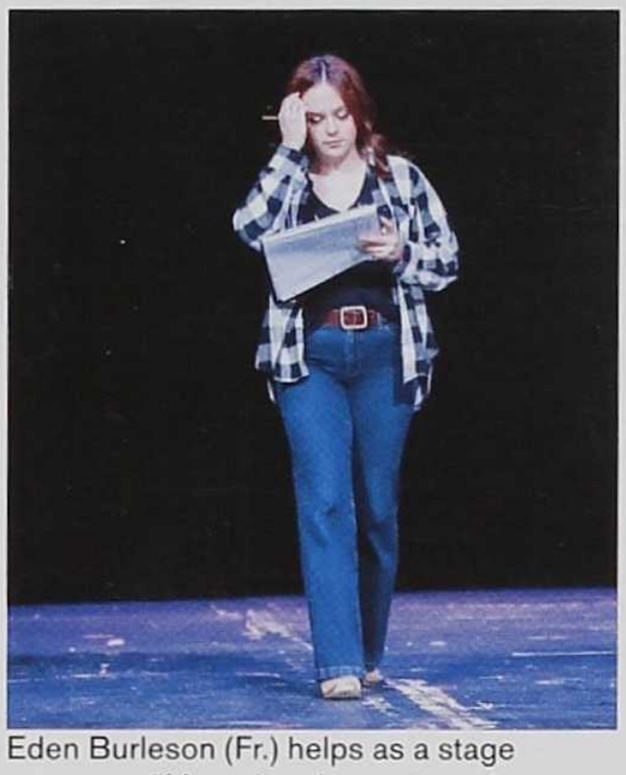
"This was an intense, but awkward scene. We were practicing different poses and this one seemed the most realistic. It made me come out of my comfort zone," said Merari Madero Marquez (So.)

BEHIND THE SCENES

Kathryn Abercrombie (Jr.) worked tirelessly to design and help apply makeup during the production. Kathryn, who is self taught, says she learned mostly by watching YouTube videos. "The Addams Family was a new kind of make-up for me. I had to learn how to create wounds and also make sure the actors didn't have any latex allergies. I used scar wax, liquid latex and practiced a lot on myself before I was ready to help the performers."



Dekoven Martin (So.) runs the sound board during the production. He has his sound certifications and is a vital part of the production.



Eden Burleson (Fr.) helps as a stage manager. "My main role was to make sure the curtains were set and going up and down at the correct times. It was a lot of fun."

LEFT: Annabell Dixon (Jr.) earned the leading lady role of Morticia.

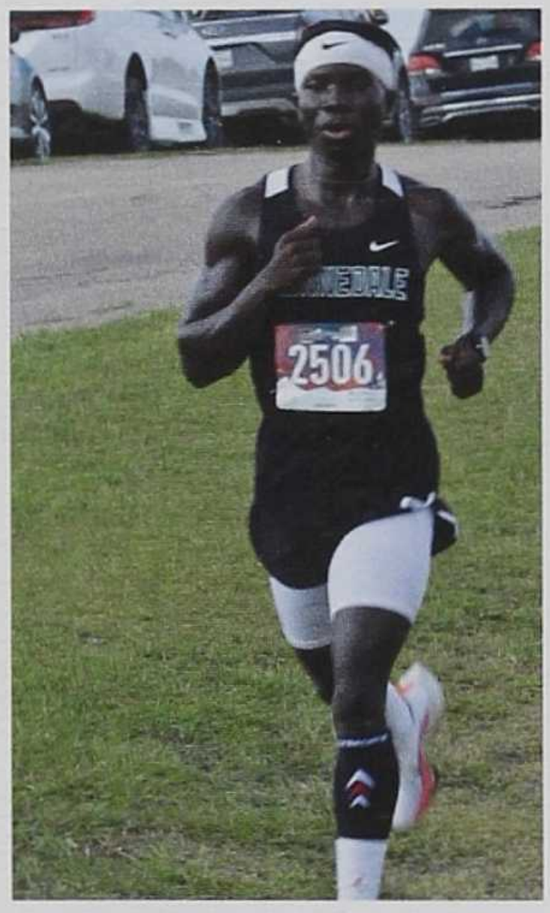
STATE QUALIFIERS Senior Justin Walker qualified for the State Cross Country meet held in Austin. It was such an amazing experience and I was thankful to be back for a second time, but it was an adjustment because I didn't have my team by my side running with me."

RUNNING FOR THE FINISH LINE

Maddox Wheeler qualified for Regionals and accompanied Justin to the State meet. His PR this year was 17:56 for 3.1 miles. "We did a great job of holding each other accountable."

Racing for the FINISH LINE

Boys and Girls Cross Country runners leave it all out on the course



"I enjoy running because it mentally and physically challenges me. This year was the first time I had an injury and it made me realize that you can't take anything for granted, it made me thankful for when I am healthy. I have committed to Oral Roberts University and will continue to run track and cross country."
Jonah Marvine (Sr.)

"My first season of cross country was a truly memorable and unforgettable experience. Although initially I was attracted to the sport of cross country because of the strenuous physical activity, disciplined and regimented schedule, and most important preparation for my enrollment in either a federal service academy or senior military college, the reason I stayed was because of the amazing group of people and exceptionally great coaches. " Bahij Said (Sr.)

"It's enjoyable to be around the team and having people that care about you. It allowed me to have fun with other people . It's fun being a freshman in cross county, but also sad knowing that all the seniors are leaving"
Kylie Mattews (Fr.)

COACH SPOTLIGHT

Coach Ndlovu, who goes by Coach G, is our newest Cross Country coach. She comes to KHS with 6 years of experience including coaching at a collegiate level. Her goal is to build a program that brings home a state championship!

ON YOUR MARK. The Wildcat Boy's CC team takes off at the start of a race. Senior Joseph Farris says "Before I run, I always listen to music and load up on carbs."

W IS FOR WILDCATS Cross Country runners stop and pose for a picture on the way to a meet. Carlos Gonzalez (Sr.) says "The bus rides were always fun. We bonded as a team."

GIRLS RULE! "We had fun team bonding after meets, as well as after practice. We all strive to do our best and put our best foot forward. We would always support one another in our highs and lows," said Aubrey Haub (So.)

DISTRICT WINNERS "We knew that it was going to be a tough race (Midlothian Meet). We really had to pace ourselves, but we worked together as a team and we didn't leave anyone behind," said Carlos Gonzalez (Sr.) The boys persevered despite injuries and won the district title.

HARD WORK PAYS OFF! "This cross country season was impressive; we were all able to improve and connect as a team and grow with one another. I believe if we work even harder we will be able to achieve great results next year," said Valencia Munoz (So.)

37 PLAYERS ONE TEAM

From team bonding off the field, to beating the odds and defeating Waco La Vega in the 1st round of playoffs, our Wildcat Varsity Football team had an incredible season this 22-23 school year. Were you Zach Conner and appeared on Fox 4 News alongside your best friend? Or were you Dedaunte Scott and received not one, but two D1 scholarship offers your Junior year? What about OSU commit Poasa Utu who was nominated for the Texas High School Football Playoff Hero? Or Tyler Choice who was out for the entire season and still managed to receive an offer? Whether you started the season with a torn meniscus, broke your ankle during a game, or got moved up from JV just before the last game of the season, your contribution to the team mattered. Quarterbacks, linemen, receivers: it's all the same to us. You're a wildcat no matter where you stand on the field. 37 players.....37 names 37 jersey numbers 37 futures.....but only one locker room, one field, one season, and one team. The Wildcats.

Making it to the 2nd round of playoffs, our boys ranked 2nd in the District. Pictured to the left is our Wildcats cheesing after a 38-0 win against the Western Hills Cougars. But shutouts weren't the only thing common this season; the bonding and chemistry amongst the players was exuded this year. "We're like a family, I love them like my blood," said Captain and Kansas Sate commit Kameron Sallis(Sr.)

Aiming for the END ZONE

There's always a learning curve when learning something new, but the freshman and JV football teams both have proven that hard work and determination pay off. This season the Wildcats dominated district play and are already looking forward to next year's season.

"I've never been to a school that had such intense and devoted training for football. I am from Colorado, so this was my first time experiencing Texas football and Friday Night Lights," said Aleksandr Degtyar (Fr.)

Some of the players were able to experience a little of what Varsity football is going to look like. Several players were moved up during the playoffs. "Having the opportunity to play on Varsity during the playoffs as a freshman was a privilege. It wasn't easy, but if you put your head down and work hard, it will happen. Varsity has a whole different vibe during the playoffs, it is just different," said Brady Cantu (Fr.)

We are looking forward to watching these boys play and represent KHS!

Riley Henry

"The Alvarado game is the game that I will remember most from this season. We didn't win, but came back from way behind. It was a fun game."

Jordan Woodard

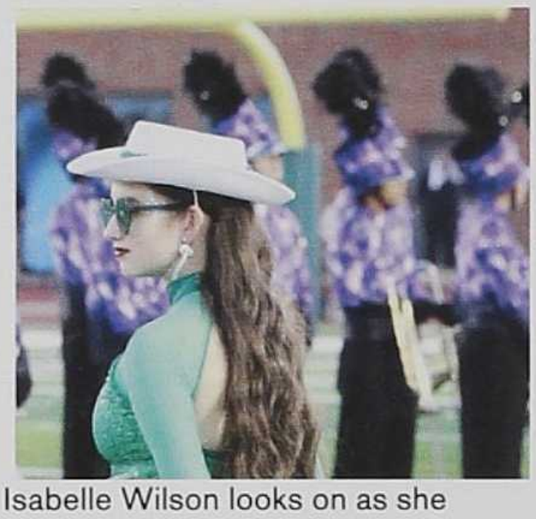
"The best part of football is getting to hit people."

CJ Bond

"My favorite memory was definitely the Alvarado game. We came back from way behind and almost won."

What is a drill team without pictures? The Aristokats are always picture perfect ready and has a picture from every game!

This years senior Aristokats celebrate one final dance as a Kennedale Aristokat before graduation during the Kennedale senior night.



Isabelle Wilson looks on as she prepares to begin the fight song stand routine to start the game.

The Aristokats get ready for their first game of th football season for an away game against the La Vega Pirates. The Aristokats performed their "hit me with your best shot" pom routine for the first time and though it wasn't perfect, it was a great start to the 2022 season!

Aristokats Coaches and Managers

Abigail Berry (Jr.) and Sydnee Leclear (Sr.) pose with Coach Barrett with their mums before the Homecoming performance.

This year, Kelsey Christopher has joined Coach Elise Barrett in coaching the Kennedale Aristokats! Mrs. Chris says "I love seeing everyone grow and slowly come out of their shell together."

Kylie Johnson and Madison Noble-Davis are the Kennedale Aristokat Managers for the 2022-2023 school year. Together these two help by filling water bottles, stretch the girls, and bring positivity to the girls all through out the season. Though they aren't on the team they are just as much of an Aristokat as everybody else!

Aristokats Officers of 2022

The 2022 co-captain of the Aristokats is Abigal Berry (Jr.). Abby is a junior and has been on drill team almost all of high school! Not only does Abby dance for the Aristokats, she also is a trained studio dancer and has done many competitions.

The 2022 captain of the Aristokats is Sydnee Leclear. Sydnee is a senior in high school and she's also involved with Mr. Burk's medical practicum! She hopes one day to be involved in the medical field and help those around her in need!

This years senior lieutenant is Andie Padilla-Chiles . Andie originally started out as a manager for the drill team, but in her sophomore year she decided to audition and made the final cut! She participates in the culinary practicum with Chef Bolles and caters many special events!

The Aristokats are preparing to participate in the homecoming court announcements! They show their school pride by wearing their mums and garders decorated with cute silver glitter as well as using their streamers to put out a good half time show for their school!

DANCE YOUR HEART OUT

SET, SPIKE & BE HUNGRY

The girls motto this year was "Be Hungry" Be hungry for that grit that defines they way you play on the court. Be Hungry for the determination to put in the work that only makes you better. Be Hungry for that championship that wins you that title. The girls this year were hungry and it showed out on the court.

This is a fairly young team, and not only did the girls connect on the court, they also connected outside the gym. They had team dinners, scavenger hunts and built relationships that only strengthened their bond.

The team made it to the second round of playoffs losing to Panther Creek, however we are eagerly watching to see how these girls grow and continue to develop their skills.

Can You DIG IT?

FRESHMAN AND JUNIOR VARSITY VOLLEYBALL: BUILDING BLOCKS FOR FUTURE SUCCESS.

The 2022-2023 Junior Varsity volleyball team had an impressive season. They played with dedication and determination, showing up to practice every day and pushing themselves to improve. Their hard work paid off as they won several matches against other schools.

For many players, the JV team is a stepping stone to varsity. Players who perform well on the JV team can earn a spot on the varsity team the following year. This gives them the opportunity to play at a higher level and compete against tougher opponents.

The Junior Varsity volleyball team had a successful season filled with growth and achievement. All of these young athletes are the future of the school's volleyball program, and we look forward to seeing their continued progress in the years to come. We wish them all the best as they continue to build on the foundation laid by this year's team.

Wildcats got the THREE!

"You have to love THE WALK"

ADVICE FROM COACHES TO THEIR ATHLETES

As the basketball season began the team had high hopes of making it to the state finals, and even though they didn't quite make it that far they still earned second place in district and won the bi-district championship. They worked hard, played together as a team, and learned *to love the walk.*

Coach Munson and Coach Groff both emphasize the importance of focusing on daily improvement in order to achieve long term success. "Don't focus on winning a championship, focus on the reps, on the lifts, on this shot, and over time the accumulation of the work (the walk/the steps) will give you the opportunity to achieve all the goals you set - meaning if you love the walk you'll keep going. If not, you'll get distracted and make excuses for why you can't get to where you want to go," said Coach Munson.

Austin Pickett (Sr.) who is clearly a leader on the team said, "You have to take all the steps to get to where you want to go. We have some young players on the team this year and I made it a point to always step up, go first, and set an example for them." Breylen Harris (Sr.) also another standout player and leader said, "Trust the process, keep moving forward and look for opportunities to continually improve."

This year the team traveled to Austin for the first time and also had a successful pre season winning a tournament. Their overall record of 27 - 8 speaks to the validity of their team vision - "You have to Love the Walk"

Freshman and Junior Varsity Basketball

As we celebrate the many achievements of our freshman and junior varsity basketball teams, it's important to note that their record this season was an impressive 22 wins and 9 losses. This record is a testament to the team's hard work and dedication.

"This year was a lot of fun, it was different being on a high school team because I was able to play with all of my friends. You also have the opportunity to play with older athletes and learn Coach Groff's playing style," said Damarcus Gardner (Fr.).

"Our goal was to win games and to learn to play together as a team. Coach Casey is a great coach and helped us learn a lot in order to prepare us for Varsity,"said Jackson Stingley (So.).

We are looking forward to watching this team build upon their skills and the future of the basketball program.

Coach Casey devising a plan with Junior Varsity. "Coach Casey is a really chill, fun coach. He could identify small mistakes and know how to correct them so we could be successful on the court." Reagan Echtle (So.).

The Road to VICTORY

GIRLS' BASKETBALL TEAM EXPLAINS THE IMPORTANCE OF TEAMWORK TO SUCCEED!

Jayla Jackson Allen (Sr.)

Sometimes victory comes in other forms besides just the title at the end of the season. The LadyKat basketball team had their fair share of challenges this season, but still managed to win the Bi-District championship.

"The season was very successful. I feel like we all grew as individuals and as a team. We still have a lot to learn for next year, but we all worked hard and never gave up," said Morgan Applewhite (Jr.).

For Coach Jackson this was a special season as it was the last year that she was able to coach both of her daughters, Reagan and Kenzie. Reagan has committed to continue playing basketball at the University of Cincinnati. "We were a pretty young team and had a few freshman this year. We had a lot of unexpected injuries. These girls still managed to meet my expectations, but I'm sad we didn't have a further run in the playoffs, " said Jackson.

Senior Peyton Landry credits the team chemistry on and off the court to their success. "We communicate and pick each other up. We are a very high energy team and you can see that on the court."

Coach Jackson believes in creating bonds with her athletes and believes in the motto Work Hard, Play Hard. When she isn't coaching on the court and shouting plays, you can find her cooking team dinners at her house. Creating relationships and strengthening the team bond leads to better teamwork which is the recipe for success.

HOT SHOTS

JUNIOR VARSITY BASKETBALL PLAYERS SHOOT FOR SUCCESS

Team huddles up during a game to talk strategy.

Arlys Nixon (So.)

Destiny Drake (Jr.)

Brookelyn Watts (Fr.)

Through hard work and determination the girls basketball team had a successful season finishing with a 10-2 overall record coached by Gary Burkham. The most memorable game being against Alvarado where the LadyKats defeated their opponents 72-16. Kayden Miller (So.) said "It was a pretty physical game. We just put our heads down and all worked together as a team and the final score showed that."

"Overall it was a great season. We are a younger team so our overall goal was just to improve. Coach B is really funny and understanding, but in the end we all need to get our jobs done," said Destiny Drake (Jr.)

We are looking forward to watching all of these girls play next season.

Start a LEGACY Leave a Legacy

Lance Pate, (So)

"Our first game was against Ferris and they were a new team. We didn't know a lot about them, but we defeated them 4-0. We new that we were going to have a great season."

No doubt soccer players are tough with their season starting in January with some of the coldest temps and playing in shorts and shirts, but these players have proved their toughness and dedication. Varsity boys ended with an impressive 11-4-4 season record.

"I feel that not only have we grown as a team, but also as individuals. We've improved a lot over the off-season and I think we're only getting better," said Nicholas Castro

This year we are losing some phenomenal seniors, that we are going to miss out on the field, but we know that they have contributed to our younger players and leaving them with knowledge and preparing them for next year.

Carlos Gonzalez, Sr.

"I have had fun playing the field with the team and winning games over the past four years."

Adrian Gonzalez, Sr.

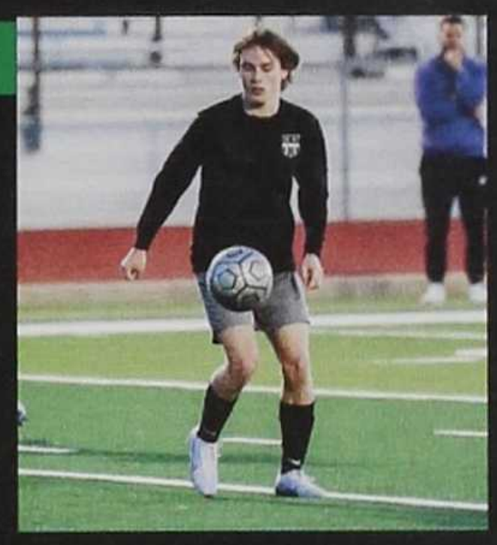
"I have played midfield for 4 years and my favorite thing is when we score and the whole team celebrates together."

Julius Perez, Sr.

"My favorite thing about playing keeper is that I know that I am helping my team."

Austin Thiele, So.

"I have been playing right wing since Freshman year. It's been fun playing with the high school team, it is definitely different than club. We have a lot of more fun together.



Silas Marvine, Jr.

"I've been playing for about 10 years and this is my second year with KHS. I play wing and on this team we are like brothers. We are all disciplined and push each other to be better!"

Alexander Wysong, Jr

"Even though it wasn't the best year, being captain I saw lots of improvement from some of our players. My defense work I felt also improved."

Shaun Hannon, Jr.

"I felt like my season went pretty good and I got bigger to body the other opponent. Overall, I had a fun time playing."

Juan Rodriguez Cordon, So.

"My season went well. I feel like I put a lot of effort in and trained hard, my shooting got a lot better. Since, I was out for a bit it was nice watching my team play."

Benjamin Guerra, Fr.

"I feel we all did good, but I think that we could have done better. We had a lot of fun and for my freshmen year it was a good experience."

Brandon Gonzalez Tavares, Fr.

" I definitely improved over the season in my teamwork skills and running. It felt really good being a starting player as a freshmen."

Hanging out on the sidelines

Hassan Mohamed (Fr.)

Fightin´ Together

JV Boys Soccer

The 2022-2023 JV soccer season was one to remember. The hard work these boys put into this season really showed their improvements and talent on the field. "JV is a stepping stone to Varsity. We saw lots of growth and constant improvement," said Coach Spinks. Many memories were made and some they will never forget. There were ups and downs to this season, but the boys still managed to learn each and every game. Nothing but hard work was left on the field.

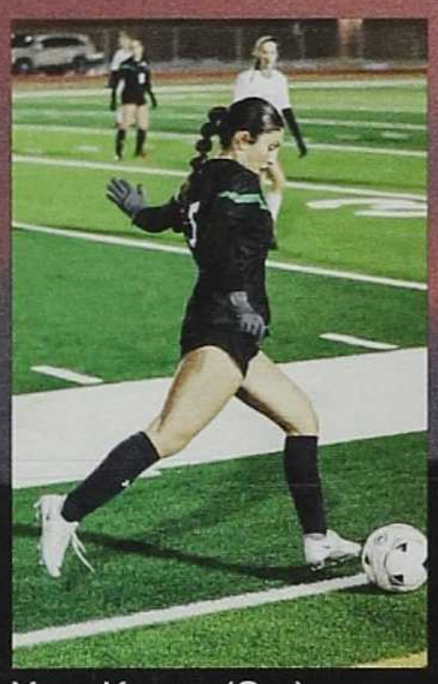
Prado-Gonzalez

It really shows how much effort Karen put into this season, especially it being her last. She works so hard every game!



Yara Kanan (So.)

Kylie Elmore (Jr.)

"TIME TO LOCK IN"

Eat. Sleep. Soccer.

This season was one of the most reflective seasons that the Kennedale Lady Kats have had in years.

With our past graduates being key players, we've lost some core pieces to the team. However, we've also gained some amazing additions to the team.

"Not going the way we planned, this season was definitely a learning experience to take away from and come back stronger from," said sophomore Yara Kanan. With tons of new people coming to try this sport out, there has been so much progress compared to the beginning of this year.

That being said, the Lady Kats soccer team has also worked on making it a comfortable and fun environment for everyone included.

"This season has by far been the most enjoyable. I genuinely get excited to come up to practice everyday and work with you all," said head Coach Hughes. This team is known to be one of the most welcoming and comfortable places and people to be around. Along with the fun practices, all the bus rides, the concerts, the locker-room TikToks, and all the times we go out to eat together are all of my favorite memories and I couldn't have asked for better teammates," Junior Kylie Elmore exclaimed. To end off the season, the girls are eager to come back next year with bigger goals and better outcomes!

:APTAINS:
enny Phan [Jr.]
auren Mcintyre [Jr.]
lexia Cordova [Jr.]

This season has been really njoyable. I feel like this eason is an adjustment from ıe past because we have lots f new additions to the team. Ve put in lots of effort but ıere are times when our erformances could've been etter. Next year I see lots of nprovement and more hemistry on the field."
Jenny Phan

SENIORS: Emily Londono, Valeria Castro, Elizabeth Martinez, Karen Prado-Gonzalez
"Being my first season, I enjoyed it a lot because I just made the best out of what I could do. I may not be the best, but I stilled loved being around the girls," said Valeria Castro (Sr.)

Lauren Mcintyre (Jr.) with a beautiful goal against Alvarado and then team celebration

TOURNAMENTS

The 22-23 season started out with two tournaments. Getting put into the hardest bracket in the first tournament definitely took a toll on our confidence. We fought as hard as we could but unfortunately we lost a couple key players due to injuries, and it didn't look too well on our part. Venus! After the last tournament, our Lady Kats came back stronger for the next one in Venus. We went from losing every game the week before to winning every game as we all gave in 100% effort every single minute. We had to work with our unfortunate circumstances, and we did with all the determination from all of us, on or off the field.

INJURIES
Although we've had our fair share of injuries this season, we had two major ones that made a big difference to our team. Two of our starters, Alexia Cordova, who broke her collarbone. As well as Morgan Franklin, who tore her ACL. They both unfortunately sat most of this season out, with tons of support from the rest of our team.

"I felt extremely frustrated getting injured during my first high school season. During recovery, I plan to push myself to come back stronger than ever and I cannot wait to be back," said Morgan.

"I honestly felt devastated and I feel like I let my team down. Knowing my team is playing without me is the worst feeling. I'm expecting to come back better and stronger and I cant wait to get back out there and work as hard as I can with the team I love," said Alexia.

Where STRENGTH Meets WILLPOWER

Powerlifting season is fast and furious with most of the meets happening in the month of February. On February 25th, KHS hosted the regional meet with teams traveling from all over the region packed into the main gym to compete to see who is the strongest man or woman. After many practices, hours of training and lots of hard work, both our boys and girls' teams had members that qualified and earned the opportunity to compete at the state level.

Out of 29 teams Kennedale boys finished 18th overall, and that is with only four lifters. John Lawing (Jr.) finished 9th in the 123 WTC with a total of 690lbs; Sebastian Pagan (Fr.) finished 9th in the 132 WTC with a total of 845lbs; Nathan Porras (Sr.) finished 11th in the 181 WTC with a total of 1180lbs. Finally, our THSPA State qualifier, Arath Herrera (Sr.) finished with a total of 1300lbs and ended up 4th overall in the 165 WTC. "I joined power lifting not for the competition, but for the moments with friends," said Arath Herrera (Sr.).

Allison Ramirez stated: "I tied for 1st but another weightlifter weighed .4lbs less so she got first. I finished with 1015lbs overall." Allison moves on to the state competition and we wish her the best of luck!

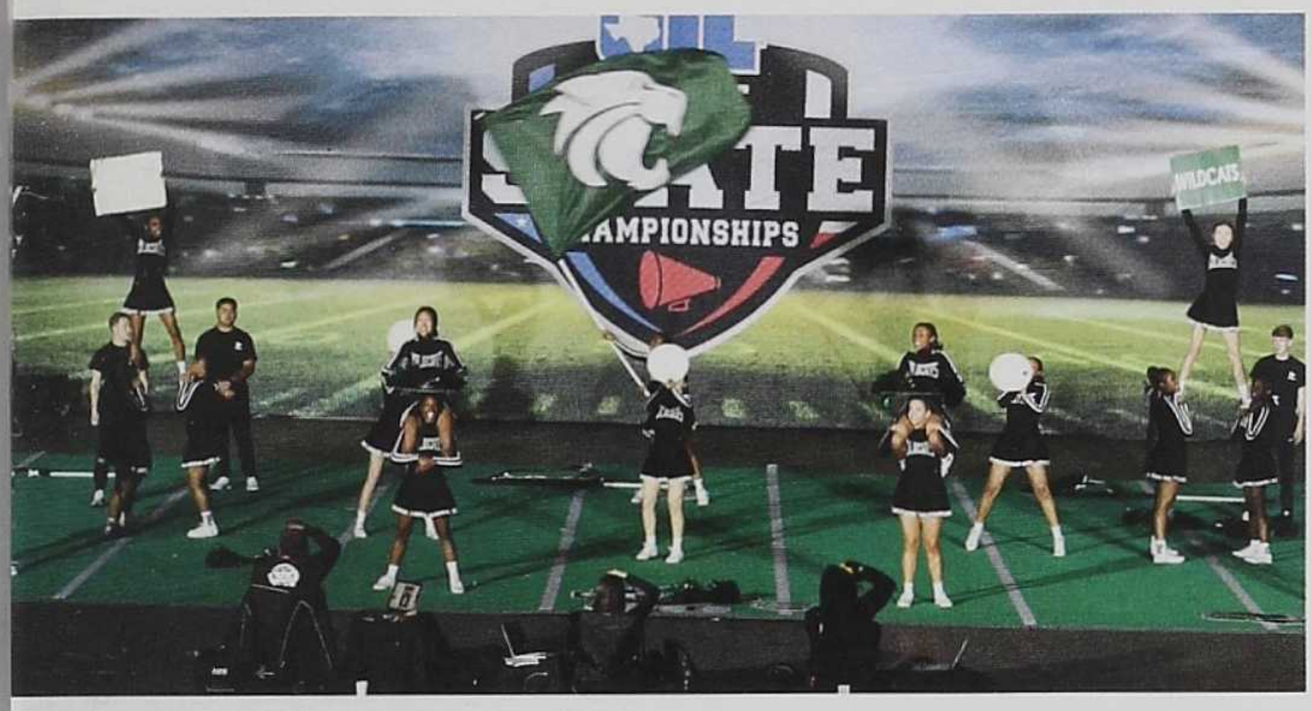
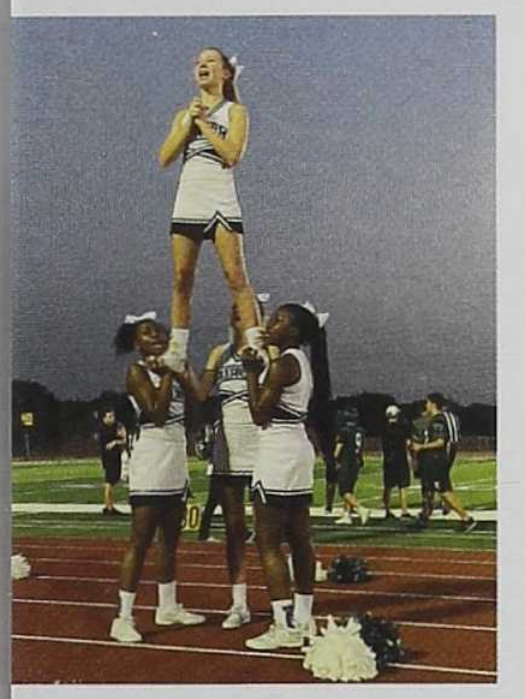
Ready.....okay! CHEER

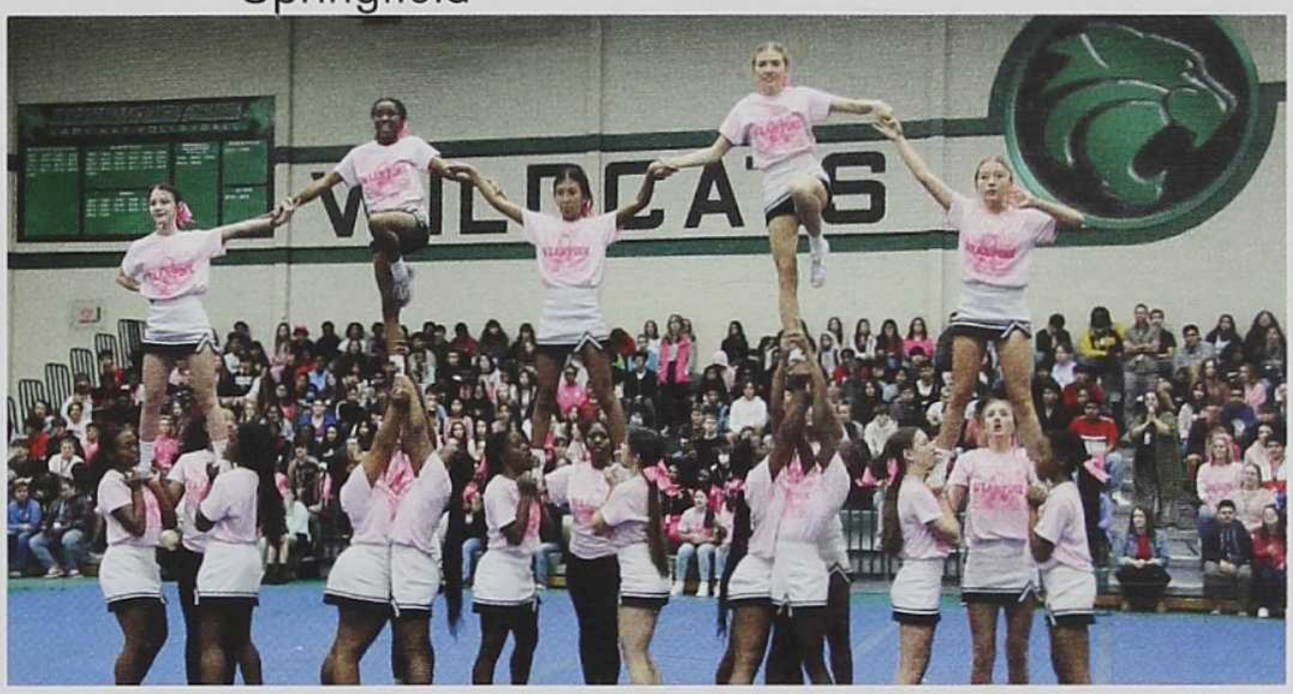
This year the cheer team was coached by Ms. Springfield and Mrs.Allen. The cheerleaders had a set schedule for practices where they do something different every day during 8th period. This teams tradition is something called big sis little sis. Every yea at cheer camp the girls get assigned either a big sister or a little sister. The cheerleaders stay enriched by doing what makes them happy.

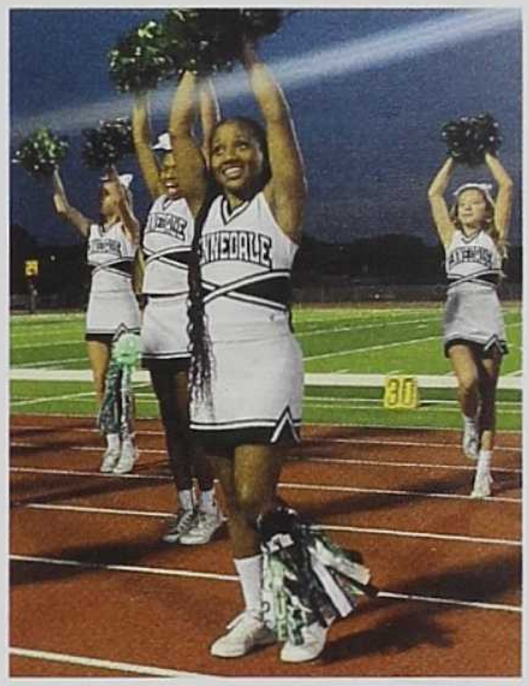


UIL SPIRIT COMPETITION

Entering UIL this year, the cheer team was very determined and hard working. They were practicing from early in the morning to late at night. They competed in three total competitions and they received a bid to Disney. Their hard work paid off because they made it to finals this year and finished 14th in the state. "I'm proud of all the hard work and dedication that this team had this year. I could not have asked for a better group of young ladies to work with," said Coach Springfield







CHEER CAPTAINS

"My favorite part of this year was football games."

"My favorite memory this year was getting 2nd place at our first competition"

"My favorite memory from this year was getting 2nd place at competition"

TENNIS This year the tennis teams were coached by Coach Hayes and Coach Jackson. Students enjoyed this season and all had a blast together learning how to play and having fun.

Kelton Mackey (So.) and Jacob Golden (Fr.) both became members of the 280 club.

"I started Archery my freshman year and I plan to do it all four years. I love Archery because it is challenging, but fun." Teighan Gilland, So.

Jackson Sellers (So.) and Marie Jones (Fr.) during their flight at the Texas Two Step Challenge at the KJH location.

And... Bullseye!

The Kennedale High School Archery team has grown exponentially in the last 8 years. It has become many students favorite organization in which to belong.

This year's team consisted of 13 freshman, 13 sophomores, 15 juniors and 4 seniors. "We are a very young team, and will continue to get better every day that the kids are putting in work," said Coach Danny Wilcox.

Several students have hit personal PRs this year and six students made it into the 280 club, meaning their points earned added up to at least 280. Marie Jones, Jacob Golden, Kelton Mackey, Stevie Cerda, Megan Tidwell and Hayden Dominguez pictured to the right.

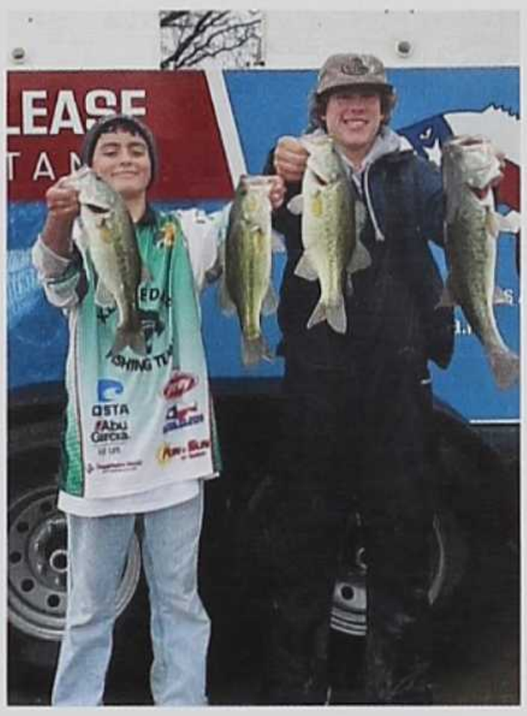
This year the state tournament was in Belton, Tx where Kennedale Archery finished 19th in the state in Bullseye and 13th in the State in 3-D. Kennedale will be returning 40 out of the 44 who participated in this year's state tournament.

280 Club

TENNIS
Matthew Davis who recently joined the tennis team is ready to receive his opponent's serve.

GOLF Zeth McGough (Jr.) and Jacob Mitchell (Jr.) having fun out on Prarie Lakes golf course.

Archers take a time out from the Texas Two Step Tournament that is co-hosted with Arlington High. There were 1,134 archers competing.



All About the BASS

FIFTH PLACE FINISH. Brendan Heutzenroeder (Jr.) and Nate Cox (Fr.) came in 5th place in the Lake Lewisville THSBA Metroplex Division Tournament. Their total weigh in was 10.43 pounds. They received $150 in Academy gift cards and a team plaque.

SECOND PLACE AND SOME MONEY! Coleton Richardson (Jr.) and Zeth Mcgough (Jr.) finished second place in the same tournament weighing in 18.47 pounds worth of BASS! They received $200 in gift certificates and $1,000 scholarship!

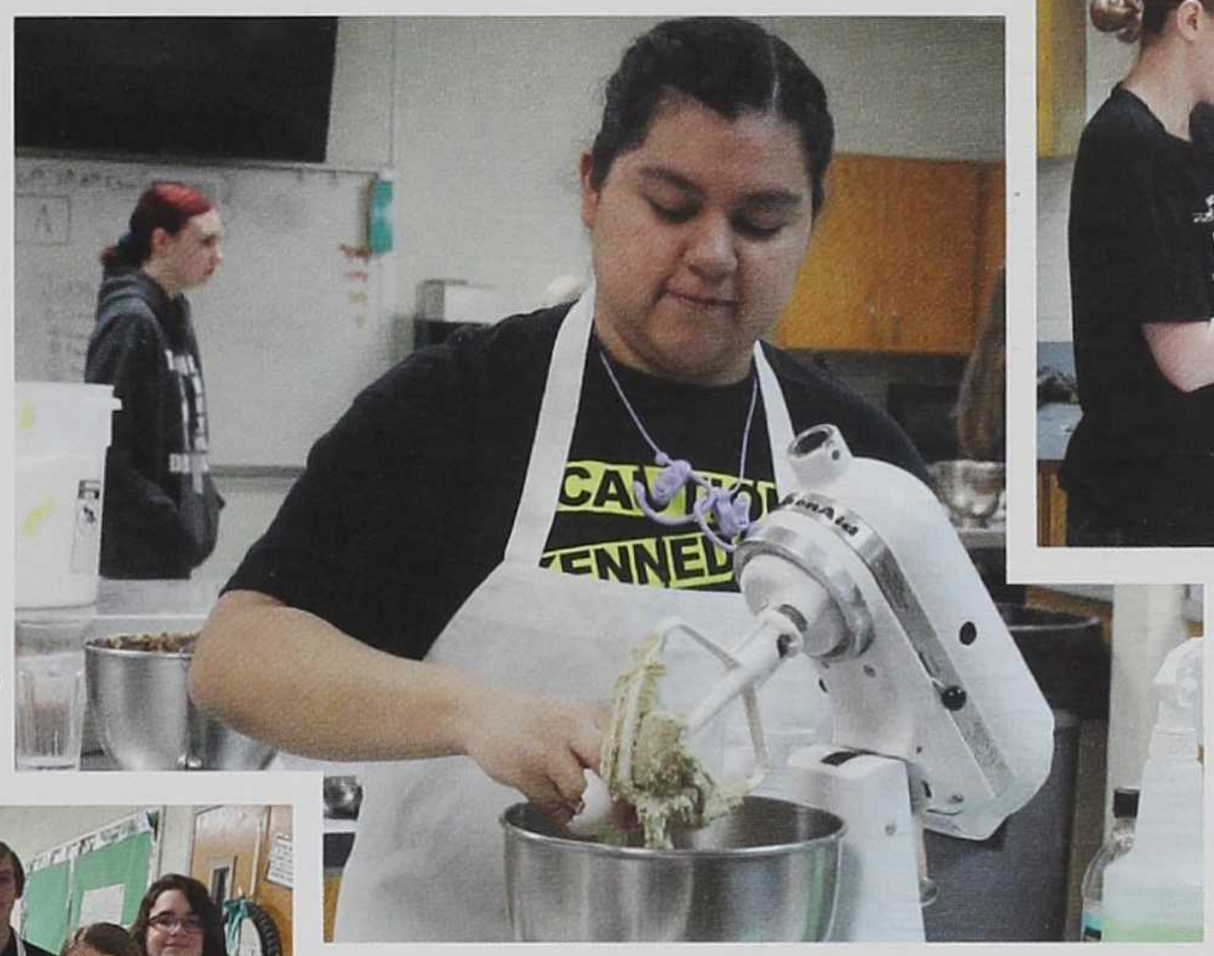
Christian Cudd (Jr) and Zeth Mcgough (Jr) making soup.

WHIPPING IT UP

Everyday in culinary is different, Monday would be the start of a meal. This is where you would make the dough for bread or pizza, or when you make the sauce for soup or spaghetti. Tuesdays would be the second stage of making your meal, this could be as easy as combining everything together or just waiting for the food to cook. Wednesday is the day where you take a break in the kitchen to learn more safety protocols and other ways to cook safety in the kitchen. Thursday you would be back in the kitchen, this could be the day you start to bake a special treat. Some treats they make would be cookies, pies, or churros. And on Friday would be the day you would clean up the entire kitchen and eat some of the food you made during the beginning of the week.



In case you didn't know what culinary is, it's a class where you learn to make all kinds of foods from different places and culinary is something that a lot of people enjoy. In culinary you can do many different things. From cooking a full course meal to just baking a family treat and learning how to substitute ingredients to learning how to make a homemade pizza all by yourself or just learning how to properly clean the different utensils. But the most important part about cooking is keeping everything clean. The dishwashers are the most important people in culinary. They try to keep everything clean from the silverware to plates, bowls, cups, pots and pans, knives, and baking utensils.

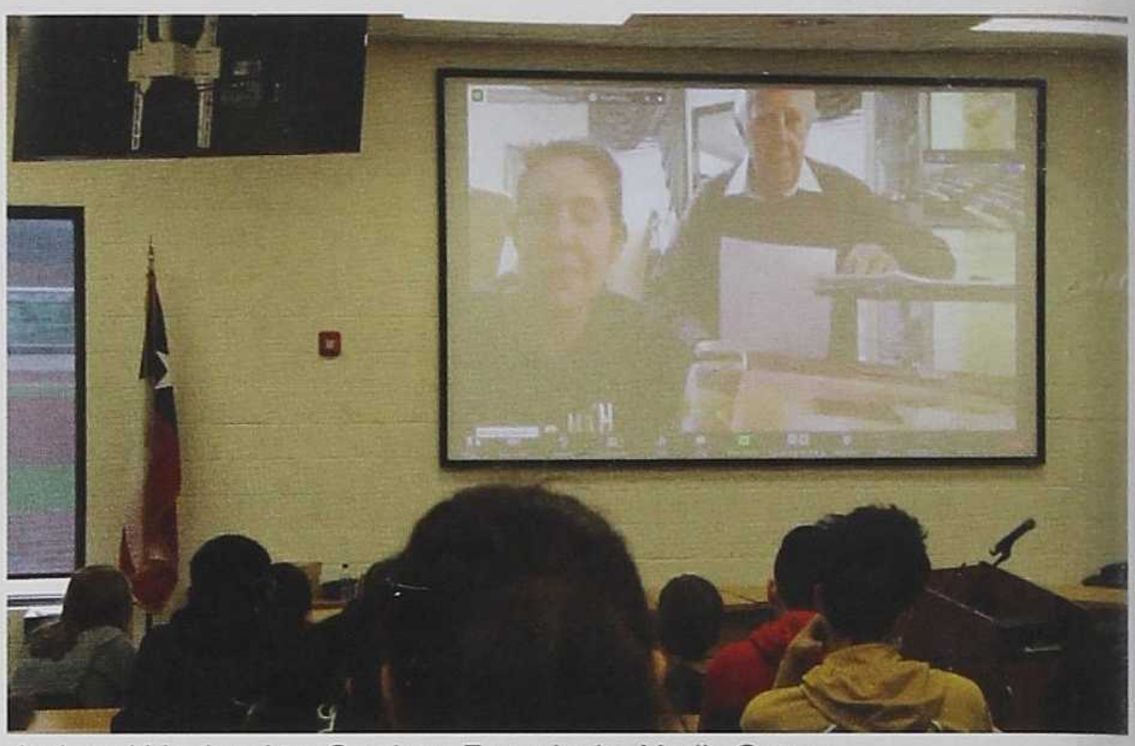
A RARE OPPORTUNITY

On December 5th, sophomore students had a rare opportunity to listen and meet a Jewish Holocaust survivor through Zoom. Jack Issac Cohen, along with his daughter, shared his personal experience with the German occupation of Greece during World War II. Jack Cohen spoke about his traumatic childhood, such as seeing a truck outside filled with bodies going around his neighborhood. Eventually Jack, along with his family, lived inside of a monastery behind German lines and stayed there for two years in hiding. However, once word got around of a German military buildup in the area, Jack and his family began to move around once more to ensure their survival. Jack Cohen and his daughter, Sarah Cohen-Wilcox, inspired students to never lose hope in dire situations no matter how stressful they could be.



Jack and his daughter Sarah on Zoom in the Media Center

"I walked away with a sense of respect for Jack and his family. They went through something that not many people in this day and age have the willingness to keep on living. The effort that they had to put forward to just live life normally and stay optimistic through the whole thing for their salvation was inspiring".
Jackson Sellers (So.)

"I knew that people under German occupation during WW2 were living difficult lives, but I didn't expect for it to be this much worse for someone who didn't go to the concentration camps during the holocaust."
Onyinyeolisa Akpom (So.)

In January 2023, CTE - Information Technology classes began a partnership with Dell Technologies. Dell provides training and supplies to teach students how to repair Dell products. On February 27th, Robert Johnson (Sr.) and Drew Hansen (Fr.) completed the required Dell course and passed their certification exam. These students are now able to work on warranty covered devices. Ms. Fable will continue to train students and ultimately they will help repair district Chromebooks. Upon completion of their certification, they can also use this in the corporate world to apply for and gain higher paying jobs.

This year, freshman Emma Easley, became the first para archer in NASP archery.

Emma has been attending Kennedale schools her entire life. In second grade, Emma encountered something known as cerebral vasculitis. In essence, she had a stroke at a very young age. This has not deterred her or let it stop her from trying new things.

Coach Wilcox, the Outdoor Education booster club, along with the Graphic Design program purchased and designed her own custom stand and platform. After lots of fine tuning Emma has not only learned how to use it, she also excelled and earned a spot to the state tournament in Belton this March.

Business Management Practicum is the highest level business class that Kennedale High School offers. To be in this class, students had to take the classes Introduction to Business and Entrepreneurship.Students will have 3 or 4 years of business education by the time they graduate.

For hands on projects, they have had to do everything from design digital marketing campaigns, to design merchandise for a company, to planning fictional business-related events like grand openings and fundraiser dinners. They make frequent presentations in class and are very well-spoken and well-written. They are certainly not your average high schoolers!

This December, students took a trip to the Stock Show to learn the importance of trade shows and how trade shows allow entrepreneurs a viable avenue to get their business out there when it is still in its preliminary stages or as a networking opportunity.

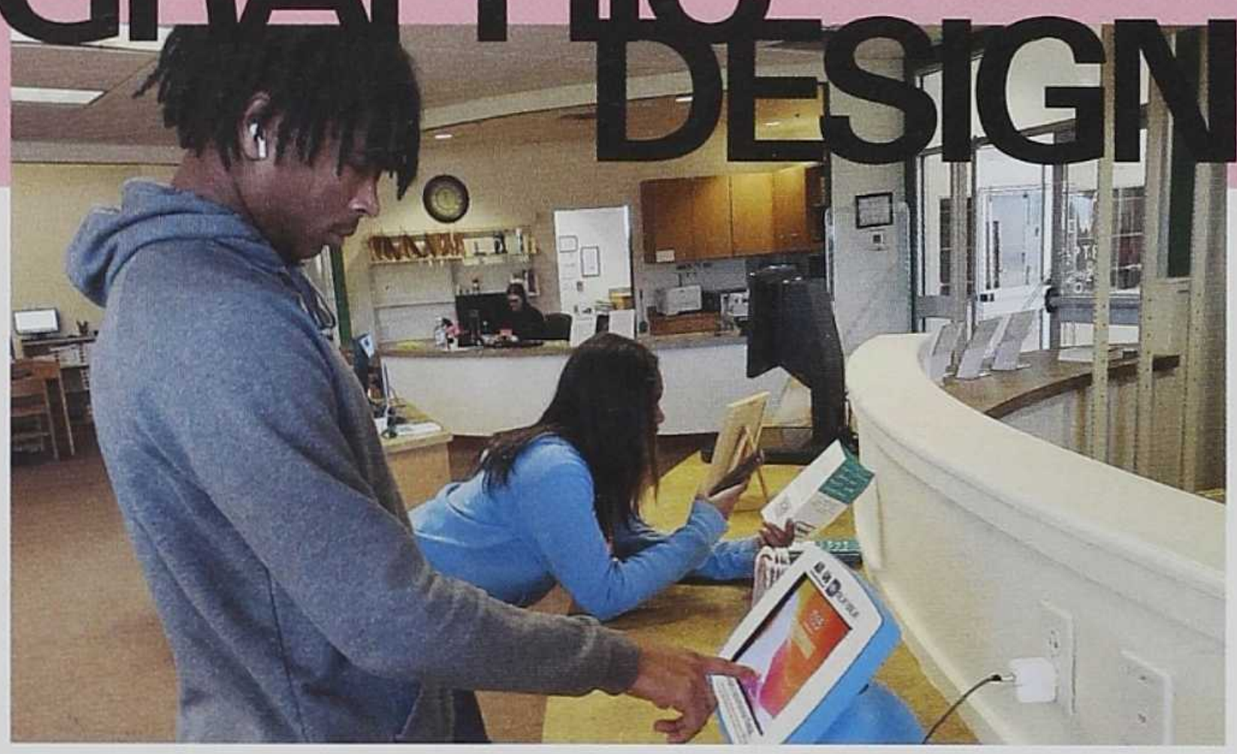
GRAPHIC DESIGN



The goal of the Graphic Design Practicum is for students to gain real-world experience in the Graphic Design Industry. This year, the program was contacted by the Forest Hill Library to do a re-branding of their library. The students designed logos based on an analysis and needs report from the client. The logos have been sent to the library and a few will be chosen to present to the public for voting. Once the voting has finished, the winning logo will be announced some time in April. In June, the library will be celebrating its 15-year anniversary and the logo will be unveiled at that time.

This was an amazing opportunity to apply all the skills that they have learned in class in a real world setting. We can't wait to see who the winner will be.

HUMAN SERVICES

CAMP THURMAN!!!! It's one of the perks in being in Mrs. Naughton's Human Services practicum. Every year, students take a field trip to experience some group bonding, build trust, and form relationships that strengthens what they learn about in class.

These same students travel to different campuses to support the emotional needs of our younger district students.

Many students in this practicum plan to work with children or mental health career field.

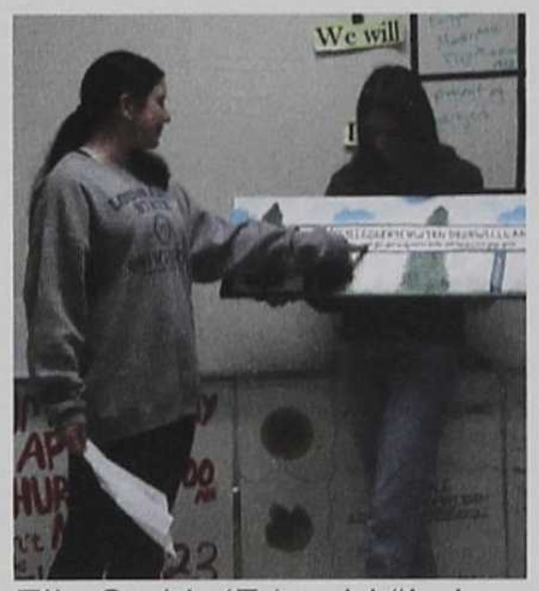
Students in Coach Munson's World Geography class learn about the Renaissance period through making personal connections to art. Students have to choose a European masterpiece and give their geographic take and make personal connections.

Jamie White (Fr.) chose to do a recreation of crows be Vein Vangrow called Loves Projects. "I choose this because it was more interesting than any other. I like the freedom that projects give us in class." Lexi Zamora (Fr.) said "Coach Munson is a fun teacher. He is good at explaining assignments and gets to the point. He is a very understanding teacher."

Natalie Calderon (Fr) said "I knew no one else was going to choose this piece; it felt like apart of my childhood



Ella Smith (Fr) said "I chose to do the Welsh painting because it was unique"

AUDIO AND VISUAL

The Kennedale High School Audio and Visual Practicum class walk the halls to get feed back on different aspects of KHS. The practicum, who produces a daily episode of Wildcat News, share important campus information along with fun segments such as Red Flags, athletic features and Would You Rather.

Sanyah Williams (Sr.) has been in the program since her Freshman year. "I love capturing special moments in students lives. I have done a little bit of everything including anchor, technical and audio director, camera operator, but my favorite is interviewing people."

Jacob Rodriguez (Jr.) Jacob Phipps (Jr.) host an episode of WCN

Sparks Of Creativity

From marketing to programming, robotics is quite the demanding course. However, the creativity of its students and the freedoms they possess lead to some quite incredible creations. The class is a workshop, full of working parts, never stagnant or still. Even after the day ends, the work continues in after school clubs and homework. The students' minds are full of ideas, and that is shown through their dedication to their craft. Kate Farrish (So.), a leading member of the class and program, when asked why she enjoys her class said, "I enjoy robotics because it makes me excited to see something I made myself work. I love creating designs, and watching them function always brings me some joy. I also find it therapeutic when I, part by part, can create a design that has come to mind. The process really lets me be in the moment, worried about nothing else, but what piece must go where."

SWEET Revenge

Mr. Cagle, principal, was a good sport!

The TAFE (Texas Association of Future Educators) group held a fundraiser in which students could purchase "pies" and throw them at the teacher of their choice. This was held during all of our lunches and it was a blast! Both students, teachers and administrators all had fun while supporting a good cause.

"The Health Science Practicum is a place where you can make close connections. Understanding new information is done in a hands on way. You also have the opportunity to gain certifications. This class is so worth it."
Megan Cerda (Sr.)

"The Health Science Practicum is a great way to prepare me for my future. By getting my CNA and EMT certifications. By the end of senior year I will be able to apply for internships with having knowledge for college."
Jenny Phan (Jr.)

"Getting into this program has been such a great experience. Being in the Health Science Practicum taught me many new things about the medical field, and I feel more prepared going into the nursing field."
Tracy Tran (Jr.)

In Mr. Burke's Health Science Practicum students learn how to perform CPR, take blood pressure, and learn basic physical therapy skills among many other things. . Most of these students plan on continuing the health science path after graduating.

Scarlet Jackson (Sr.) said "This class is challenging, but has helped prepare me for a future in the medical field. I want to be an obstetric nurse practitioner. I have earned my Certified Nursing Assistant and Emergency Medical Technician certifications."

Students in the Health Science practicum understand that they will be challenged, but will receive the tools they need in order to be successful in the medical field.

"Because of this program, I'll be able to graduate with my CPR, CNA and EMT certifications. This class has been the key factor to helping me continue in the medical field."
Rylie Drake (Sr.)

"I really enjoyed my time in this practicum, I've gotten to experience many different skills and departments at the hospital. As the end of the year approaches, I will have completed my CNA course thanks to Mr. Burke."
Alyssa Cavarlez (Jr.)

"The Health Science Practicum has benefited me by helping me establish a functional foundation for my desired career path. After obtaining my CNA and EMT certifications, I intend to work towards becoming an occupational therapist."

READY SET TEACH

Cedric Ward (So.) loves the hands on activities in Human Growth and Development

Students in Ms. Springfield's Education and Training classes learn what it takes to be a teacher in Texas. Students are trained on how to build student rapport, create engaging lesson plans and work with diverse learners. Students travel to other Kennedale ISD campuses during their practicum year in order to observe and hone their skills they have learned in class. They work with smalls groups, teach whole lessons and learn what it is like to manage a classroom. Students create memorable and lasting relationships with their students and mentor teachers. They are able to go on field trips, attend field day, as well as all the other fun activities that make teaching a BLAST!

Hannah Darjean (Jr.) said "Working with the younger kids is the best part of the whole thing! I love that I get to be in the classroom, interact, and help them with their work. I currently am working in a 2nd and 3rd grade Art classroom at Patterson elementary. My plan is to become a Child Psychologist and so this is going to be very beneficial. There is much that I am learning now that I can apply later."

Ms. Springfield also teaches Human Growth and Development and part of the curriculum is to learn about babies. Alysia Roldan (So.) said "I was excited at first, but when the baby started crying in Whataburger and I couldn't make the crying stop, I got really embarrassed. There were some women that had to come over and help me."

Students love this curriculum pathway and enjoy learning all about children and the world of education.

PRACTICUM OF CULINARY ARTS !

The Practicum of Culinary Arts is a very special program to be involved in. You get to cook meals of nearly every region, cater for multiple types of events, prepare and cook for the Intermediate and Principals classes, and much more! We have started a new cooking experience just for the Practicum 1 and 2 students as a requirement; the Dinner Series! You get to cook one region of Chefs choice from a raffle and feed as a 4 course meal to family, friends, and Kennedale High School Staff who reserve a spot. You must have at least 7 tables or roughly 21 people! It is a very great and fun experience to be a part of! As the program continued to grow each year, it is a great experience and a class that everyone should try and be a part of at least 1 of you are in high school!

"Culinary has been such an amazing experience because I have learned not only how to make some amazing dishes, but I have made some old friends. I am very sad that I'm graduating this year since there are so many other things that I would love to learn about and cook, but I will deeply miss the amazing program that has progressed over the past 4 years. It has truly shown me a lot of amazing experiences and given me the opportunity to make special bonds that I know will last a lifetime."

The Kennedale High School Practicum of Culinary Arts program made a trip to the Kennedale Junior High to introduce what the program is in depth along with showing the students how to make chex-mix as this is a first year recipe to learn and make in culinary!

Monthly District Catering!

Savannah Vaughn and Joryian Daughtery are at a catering for the monthly Kennedale ISD principal meeting. They are helping a few of their peer members in the practicum of culinary arts program to set up this meal that was made from scratch by the students! Joryian Daughtery said, "I really love being a part of culinary. The environment and experience as a whole is something I would definitely recommend for anyone who is considering joining. The plus is being able to go off campus a lot and it doesn't get much better than that! " (Jr.)

Catering Fun!

Joryian Daughtery is with peer members of the Kennedale High School Practicum of Culinary Arts Program picking up remaining food from a monthly catering for the Chamber of Commerce in Kennedale, Texas. A friend snapped this clever yet memorable picture of him wanting to eat some homemade potatoes!

ATHLETIC TRAINERS

High school sports are an important part of many students' lives. Whether it's playing on the football team, running track, playing basketball, competing in sports can help students develop teamwork, discipline, and a strong work ethic. However, with the benefits of sports also come the risks of injury. That's where athletic trainers come in. If an athlete does get injured, the athletic trainer is often the first person on the scene to assess the injury and provide immediate care.

"It's a fun experience with athletic training, I love Coach J, she's an amazing person all around"- Alexandria Youngblood

MORE THAN GREEN & WHITE

WE EXCEL

100 Divider

"I gain a lot of career experience while working in Robotics. Regularly the team and I have to brainstorm ways to adapt to issues, we have to provide a lot of documentation, and we have to talk to people within the industry. The leadership experience I have gained has been deeply rewarding, and I am hoping I can pursue something further with it."
Kate Farrish (So.), Robotics Team

"No one knows what the outcome will be. So, choose whatever you'll regret the least." Captain Levi

Zachary Zare-Mehrjerdi

Senior Class Officers

Allison Ramirez, Valeria Castro, Megan Cerda, Agnes Chireza, Justin Walker, Mrs. Robinson

What is one compliment you wanted to tell someone, but never did.

"I want to thank Coach Munson for teaching me every country in Africa."
Dren Kaba, Sr.

"I wanted to tell Ashlee Moore, that she has a very pure and bright spirit."
Agnes Chireza, Sr.

"Shout out to Mr. Cagle for your help in planning prom.

Senior Class Officers

SIGNED

Jonah Marvine
"I committed to Oral Roberts University, because I wanted to compete with my brothers and sisters in Christ. I'll be running track & cross country and majoring in Accounting / Business."

Jaylen Webb
"I signed with Kilgore College because it is a good Junior College and a has great football defense program."

Mackenzie Wirkler
"I committed to ABU because it's close to home and has a small campus. I will be playing softball."

Destined Mason
"I committed to Texas Wesleyan University. I wanted to stay local and be able to give back to the community.

Cameron Lyles
I signed with Southeastern Oklahoma University. When I visited, they made me feel like I was a part of their family.

Bethany Conner
"I'm signed with Southeastern Oklahoma University for track and field. I liked that they travel to different states for track meets.

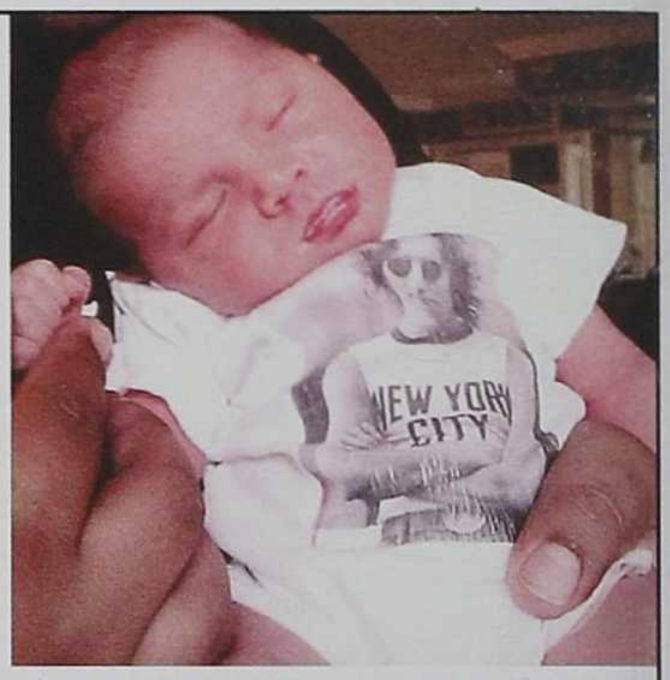
Poasa Utu
"I signed to play football with Oklahoma State University. I liked the facility and the high intensity of the coaching staff.

Alerandria Youngblood
"I signed with Lamar Community College in Colorado because I really like the coach and the school environment."

Reagan Jackson
"I signed with the University of Cincinnati. The team felt like a family and they have a rigorous academic program.

Nevyn Johnson
"I'm going to Hill college to play baseball. I chose Hill because they've been on the top of my list ever since I started my college search."

**Athletes that have signed as of March 27th, 2023



Eowyn Ashley Martinez

Congratulations on your graduation! From the moment you arrived into our world to where you are now, we are so proud of the woman you have become.

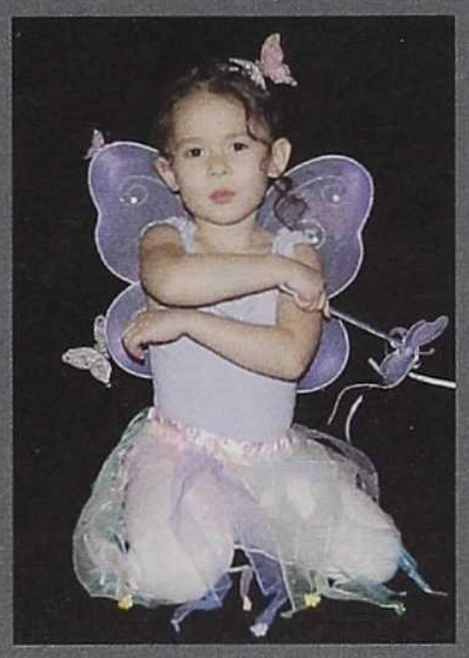
Love,

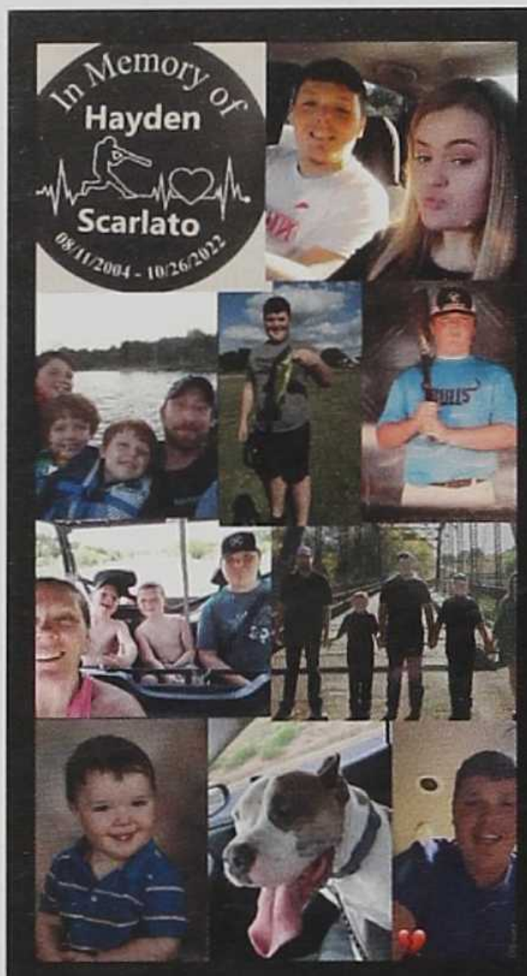
Mom & Dad

MEGAN CERDA

It's hard not to find it all a little bittersweet, our little girl has grown into a beautiful and strong woman with a fire inside of you that can't help but shine through. We've been astounded by the person you've become and eagerly anticipating the next chapter of your journey, as you take the reins as the author of your own story. Remember to always aim high, stay fierce, and above all, remain true to yourself!

Love, Mom & Dad

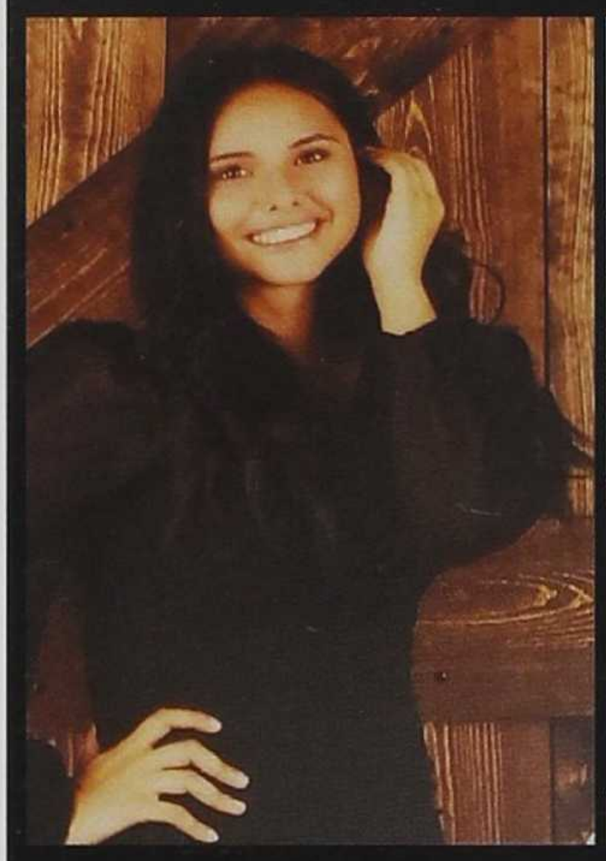




Hayden Scarlato

You never said I'm leaving. You never said goodbye. You were gone before we knew it, and only God knows why. In our hearts, you hold a special spot that only you can fill. You are very missed by everyone. You touched so many peoples lives. You were growing into an amazing young man and we were so proud of you. Until we meet again!!!!

Love Dad, Mom, Ethan and Nathan



Elizabeth Martinez

We are all so proud of you for all that you have accomplished these past 4 years. We know your future is bright and you will do great things! Love you.

Nina Garza

We are so proud of you and we love you so much!

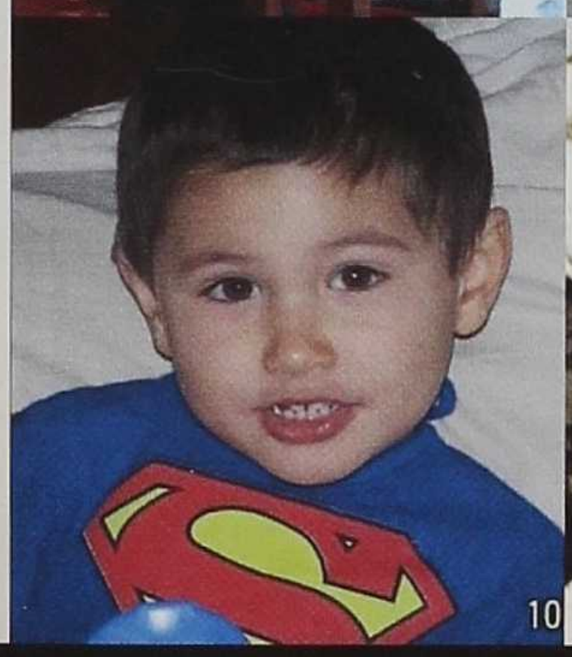
Benjamin Daniel Perez

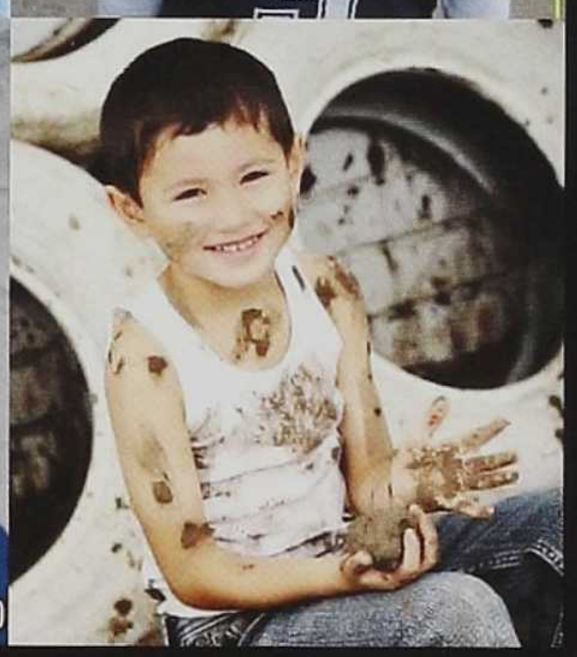
In the blink of an eye an exceptional young man stood where our sweet boy once was. You have given us so many reasons to be proud of you! Your future is full of possibilities and we can't wait to see all that it holds.

Congratulations Son!

With all our love,

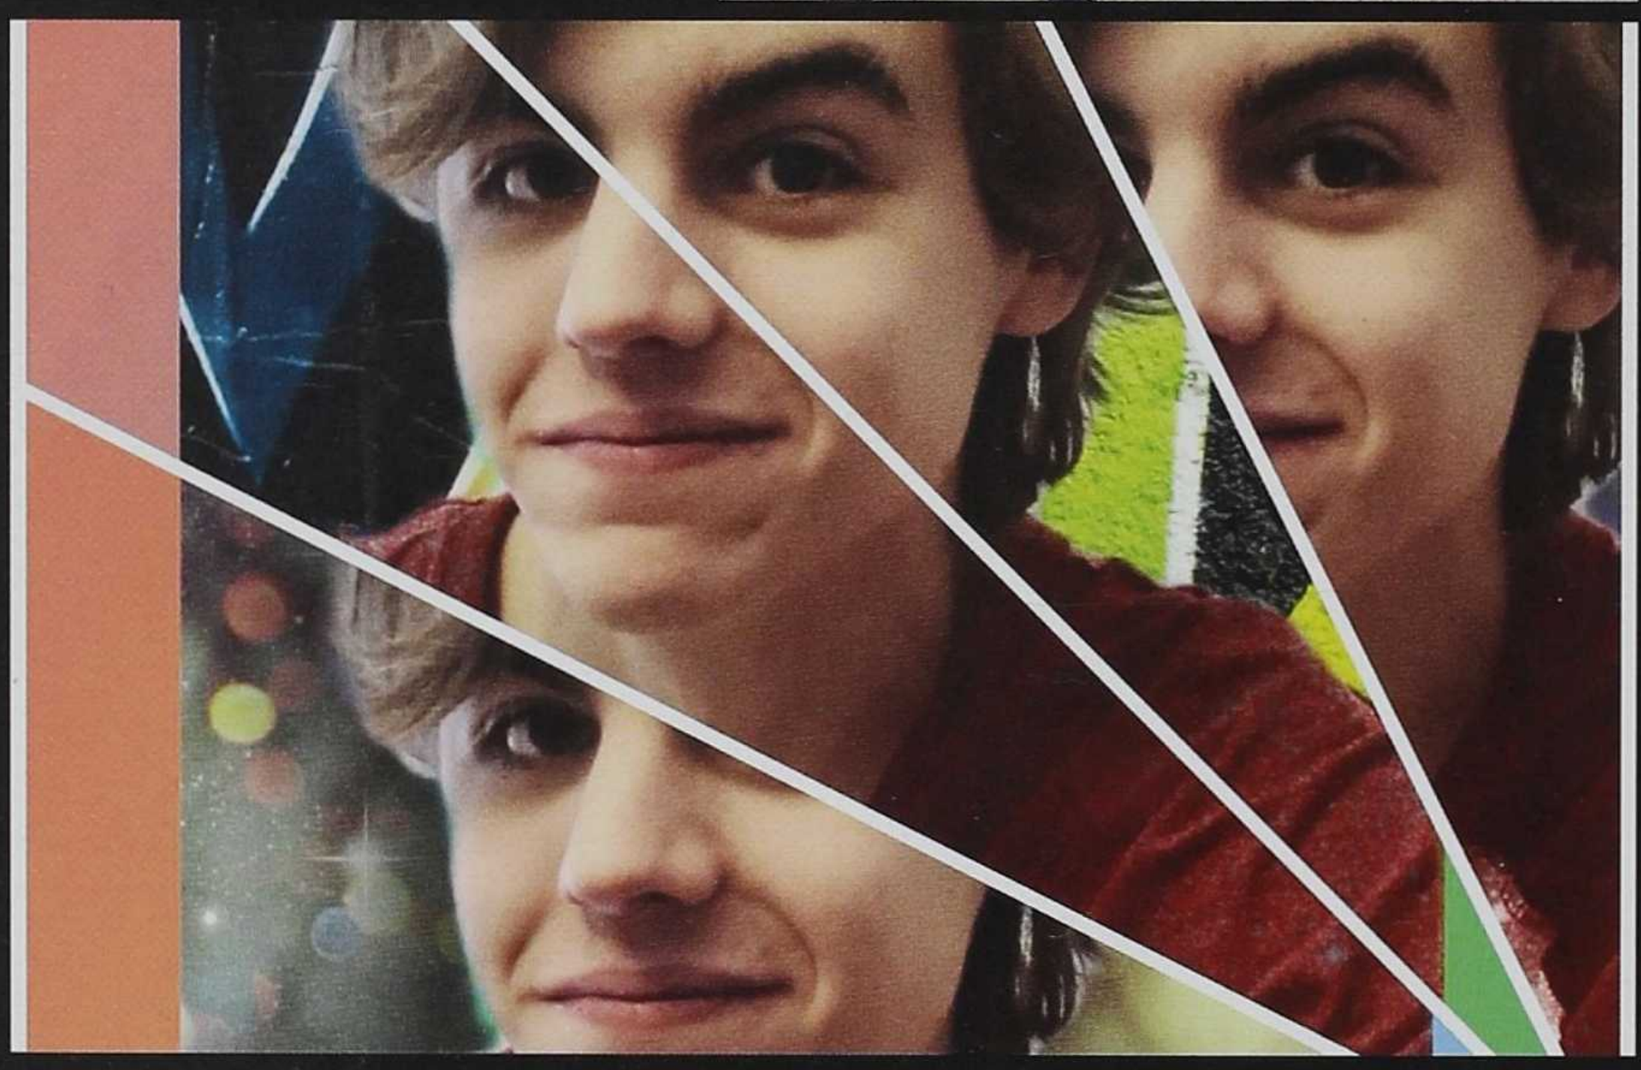
Mom & Mike
Dad & Deanna





Zane Slosson

You've come a long way, baby!
I don't think there are even enough words in the universe to describe how proud I am of you!!!!
My prayer is that you will believe in yourself like others believe in you & know how amazing you really are! God made you for a good reason! Focus on the good and push forward, one day at a time. And when you need support, I'm always here.
I love you to the moon and back
TO INFINITY!
Love,
Mom



Taylor Fail

We are so proud of you!! Can't wait to see what your future has in store!! Love, Mom, Dad, Maddie, and Jack

JAKOB
LEGAN-FULLER

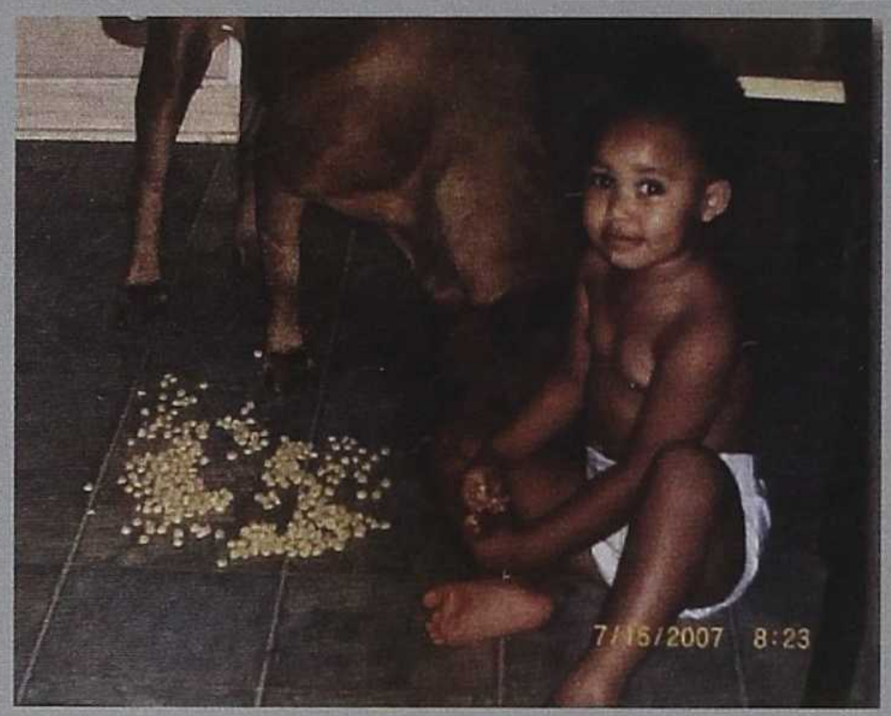
You are thoughtful, loving, and fiercely protective over those you love. You have so much to offer this world and we will always be your champions! We are very proud of the young man you have become and are excited for all the opportunities yet to come.
We love you buddy!
Mom & Dad (& your brothers)

Adrianna Arriaga

We are so proud of the beautiful, kind hearted, young woman you have become. Always stay true to your heart, believe in yourself, be open to new experiences, make good choices and be proud of your accomplishments. We can't wait to walk through this next stage of life with you! We love you!!!

Ahnyela 'Bity' Williams

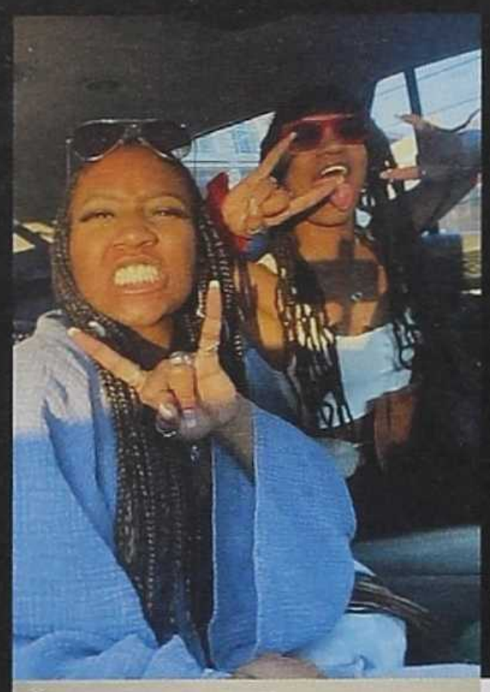
My Little Bity,
I'm so proud of the beautiful, smart, and goofy young lady that you've grown to be!!
I love you to the moon and back!
XOXOXO
MOM
(Go Cougars!)



JUSTIN WALKER

"Success is not final, failure is not fatal: it is the courage to continue that counts."
Winston S. Churchill
Continue to follow your dreams and always have faith in God's plan for your life. We love you.

TRUE JOHNSON

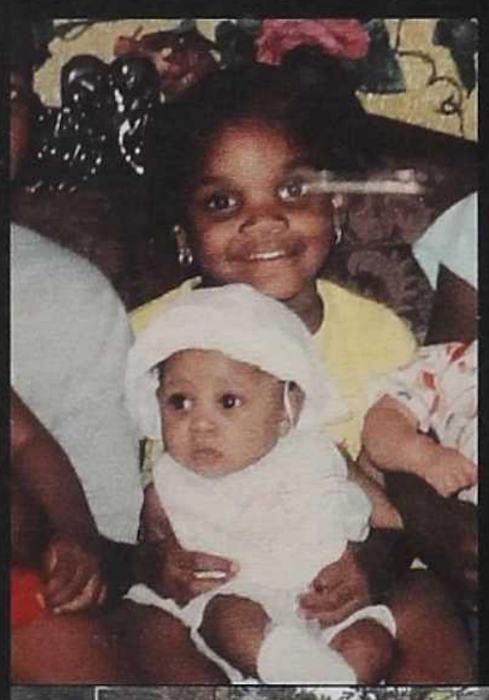


Dear Trudy, I love you forever and I will always be by your side
-Love Mekyell

TRUE JOHNSON

Our last great-grand of this branch. We are proud of you. Only you can choose the road of your life. You can do all things through Christ who strengthens you.
-We love you, Grandma & Papa Spann

TRUE JOHNSON



I'm so proud of you, even though I always knew you could do it. Never forget you are the buttercup to our blossom and bubbles. We'll always be there for you.
-love Bubbles

TRUE JOHNSON

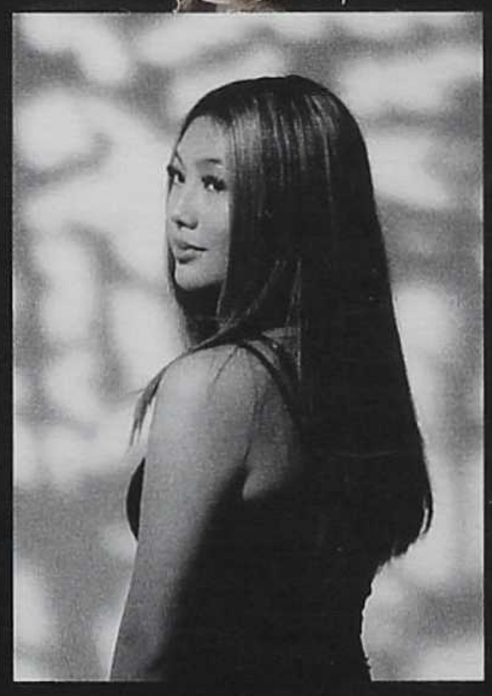
You should be proud of yourself. Know I am always here. Jeremiah 29:11 "For I know the thoughts that I think toward you, says the Lord...to give you a future and a hope"
Love Nana

TRUE JOHNSON

True, you are everything & more. You made my trio complete. You're the perfect mix between perfection & determination. You have truly made your impression on this world.
I love you, Mommy

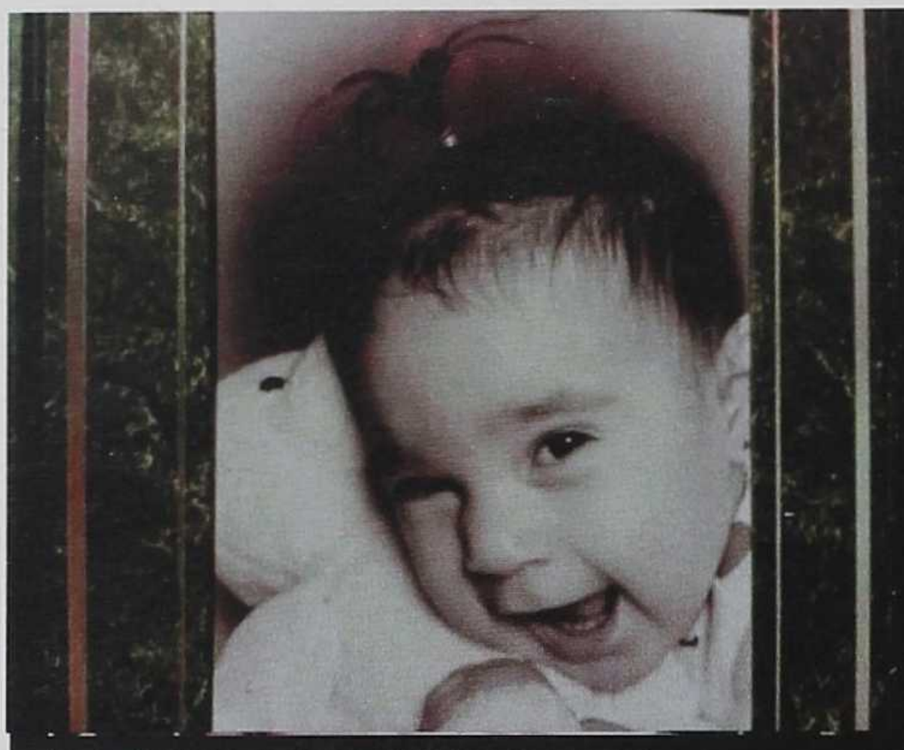
Ai'mee Raevene Rosario Baza

We are so proud of the woman you are becoming. The sky is the limit and there is an ocean of possibilites. We are here for you always. Hu Guiya Hao Neni!
Mom and Dad



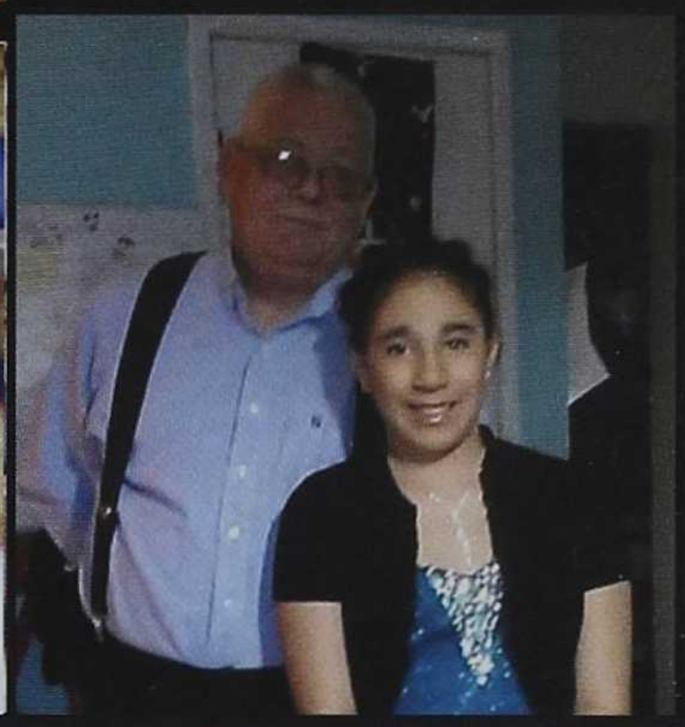
Breylen Harris

Breylen, we are super proud of all you have accomplished during your high school journey and excited to see what the world holds for you as you graduate and step out into the world, always remember to look out for the little guy and stay true to yourself!
Love,
Dad, Mom, Quinn and ShyLa



Mariah Elizabeth Garcia

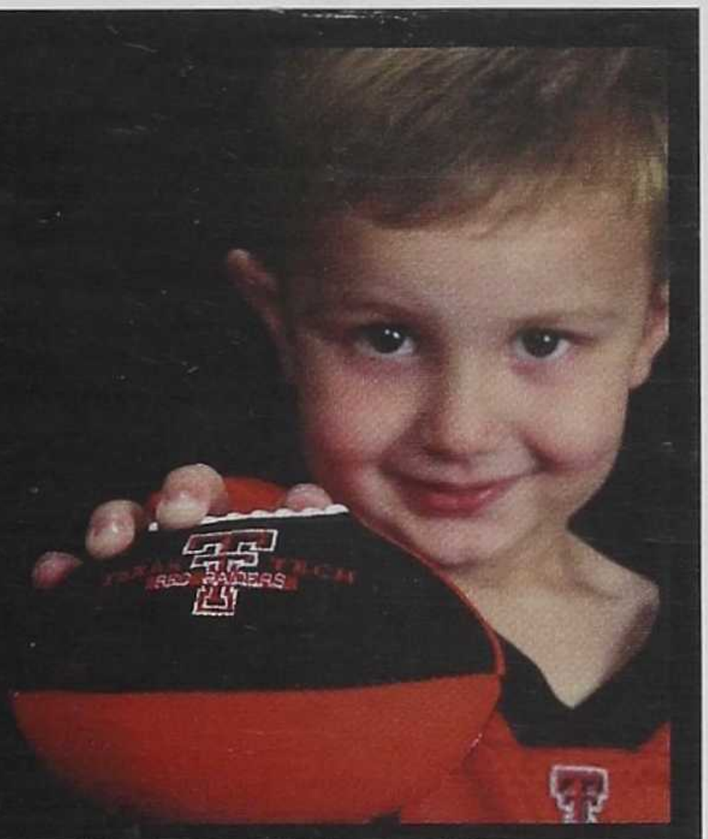
Congrats!!! You Did It! We Are All So Very Very Proud Of You. School Is Finally Over and Now Life Begins! Let's See Where It Takes You
Love
Mommy, Juan, Mom, and Papa



Samuel Mahserjian

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!
Oh, the places you will go!

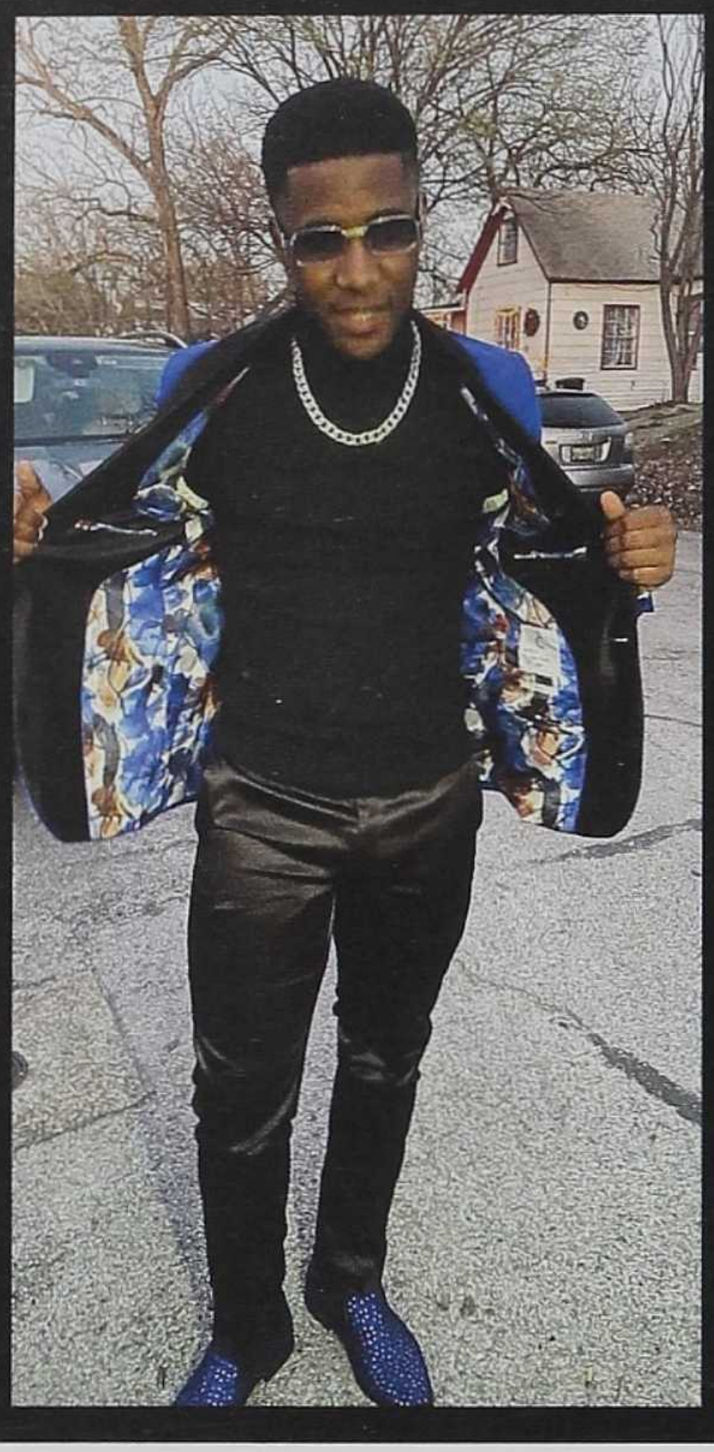
We love you and are
proud of you.



PRESTON ROLLER

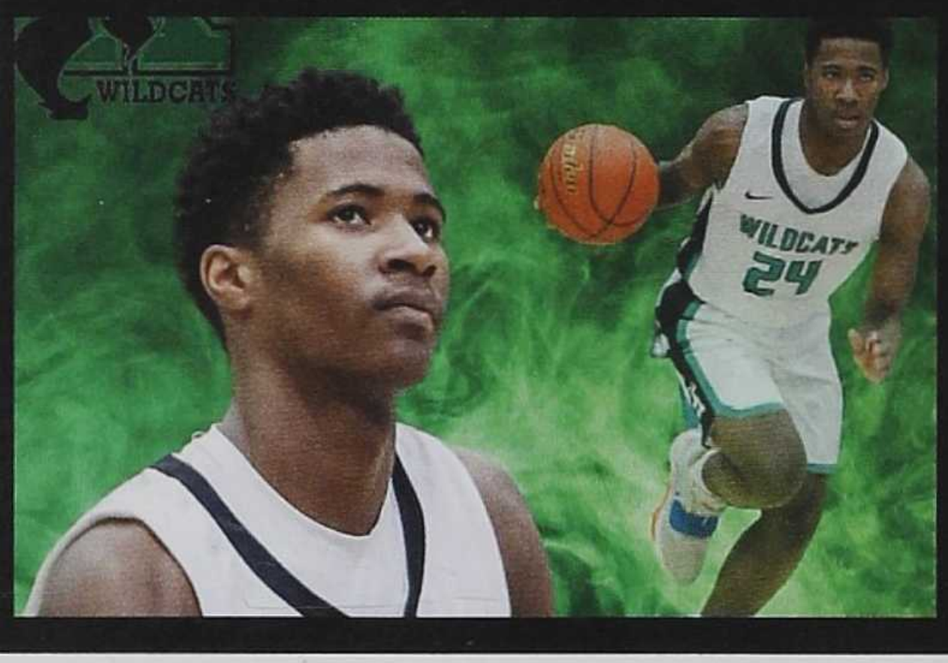
We are very proud of you and excited
about your next adventure at Texas Tech!
Love, Mom, Dad, Chloe & Ryan

TYLER CHOICE

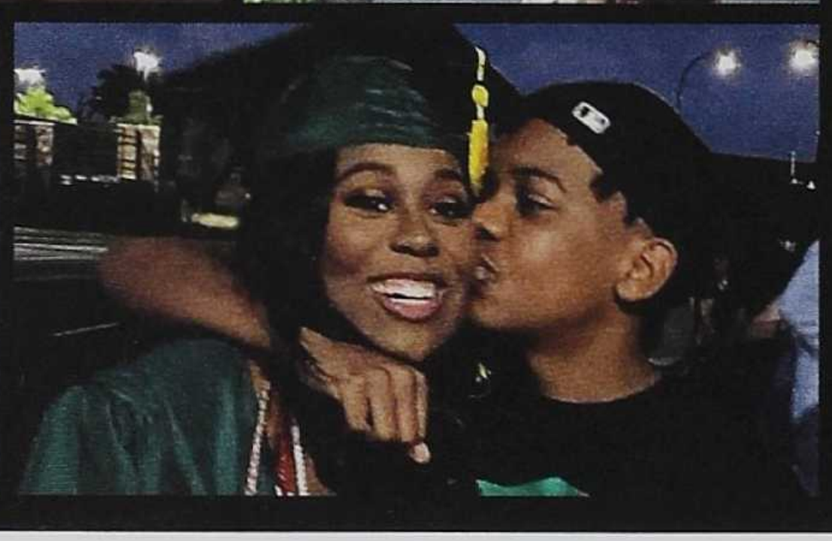


You were a miracle when you were born, and you have been a perfect gift every since. With a blink of an eye, you went from preschool to High School and on to College. You're an amazing son, grandson, brother, nephew, uncle, and cousin. We are so proud of you! It was a tough year, but you got through it just fine. Now it's time for something new and exciting.We can't wait to see where your next adventure takes you!

We Love you,
The Family



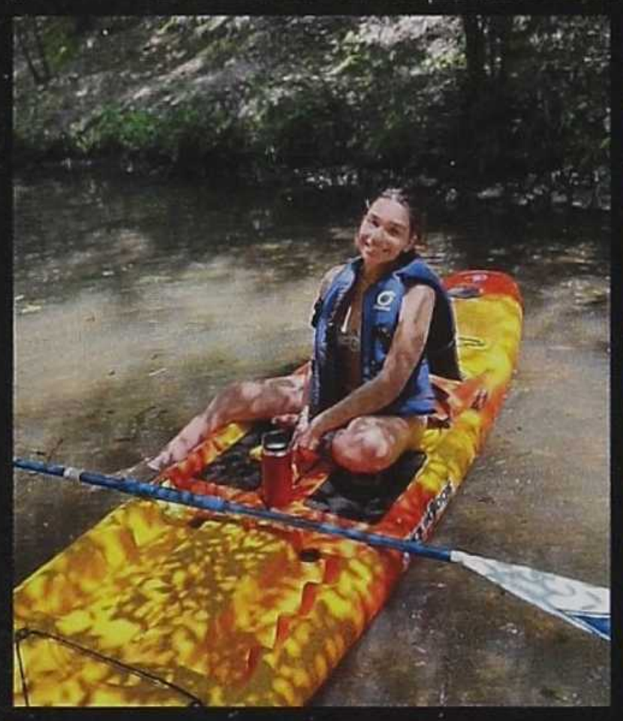
Stephen J. Jordan Jr.

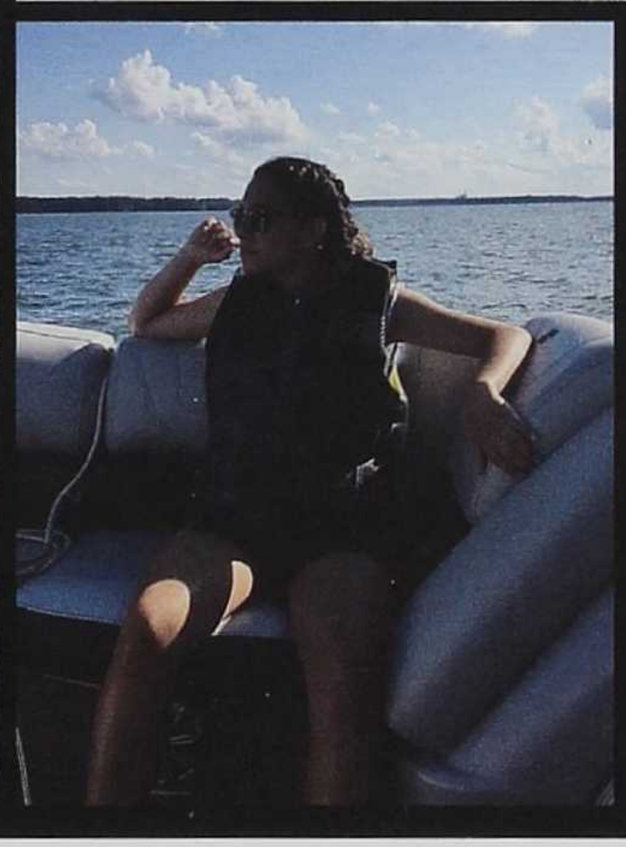


Stephen, we are so proud of you. You've persevered through some difficult times but still came out strong. We love you!
#030919 #foreverinourhearts

Adrianna Isabella Diaz

From being little to now, you have had many adventures as well as done so many things. Congratulations! We are looking forward to where your new adventures will take you. Oh, the places you will see and accomplishments you will conquer!

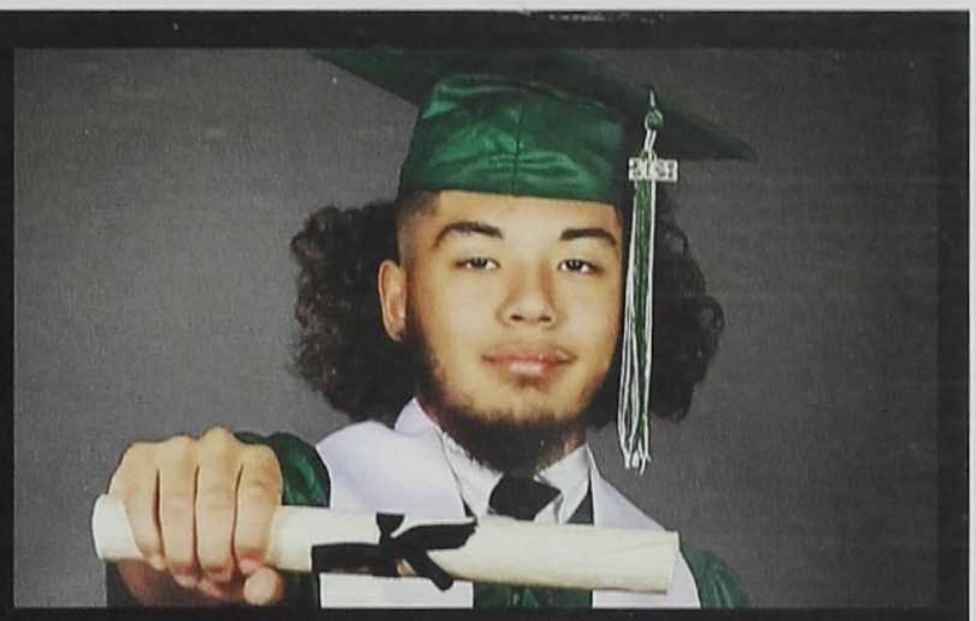




Andie Jesslet

May your future be as blessed and bright as you. Your hardwork and dedication will pay-off as you continue in your academic journey. We are extremely proud and excited for you. We pray all accomplish all your desires and goals. You are the brightest star in our universe! Te queremos mucho y te deseamos lo mejor hoy, mañana y siempre. Estamos muy orgullosos de ti. Love, Mama, Papa, Andrew & Tabbie
P.S. Gig 'em!

Julian Jayme

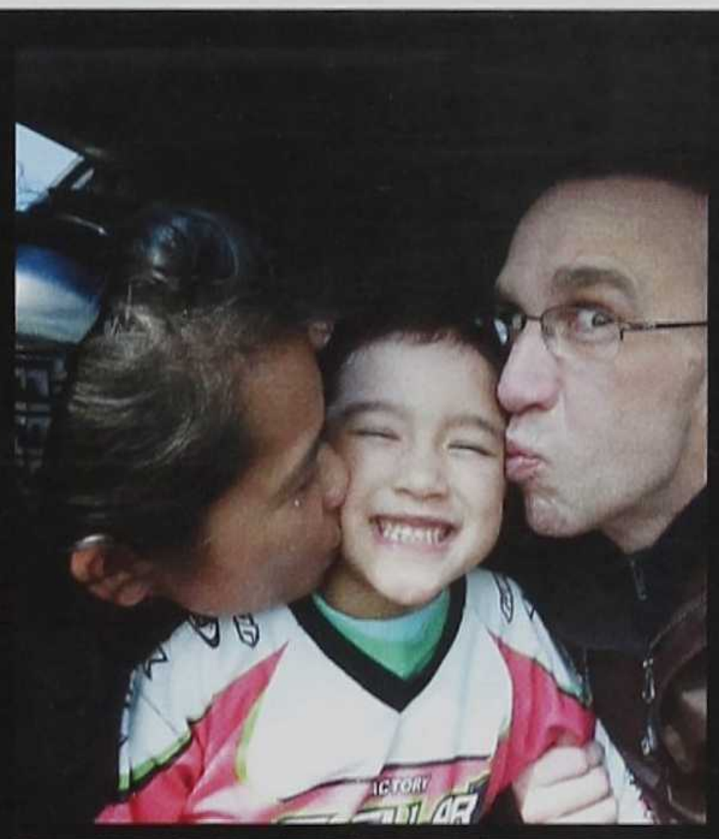


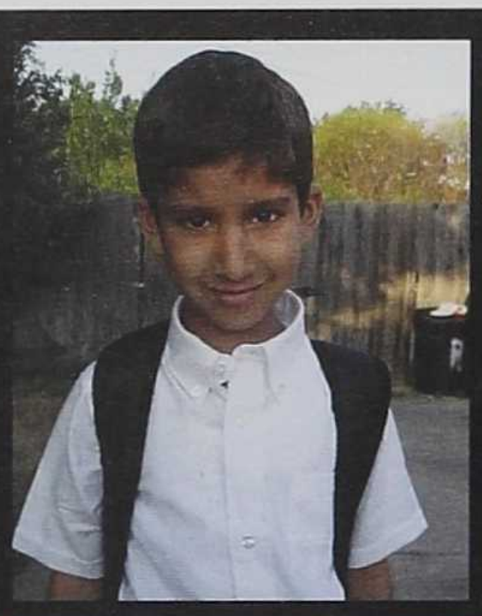
We are so proud of you Juju!
Continue the hard work! We are excited for your next journey.
Love you always,
Yo, Mom & family

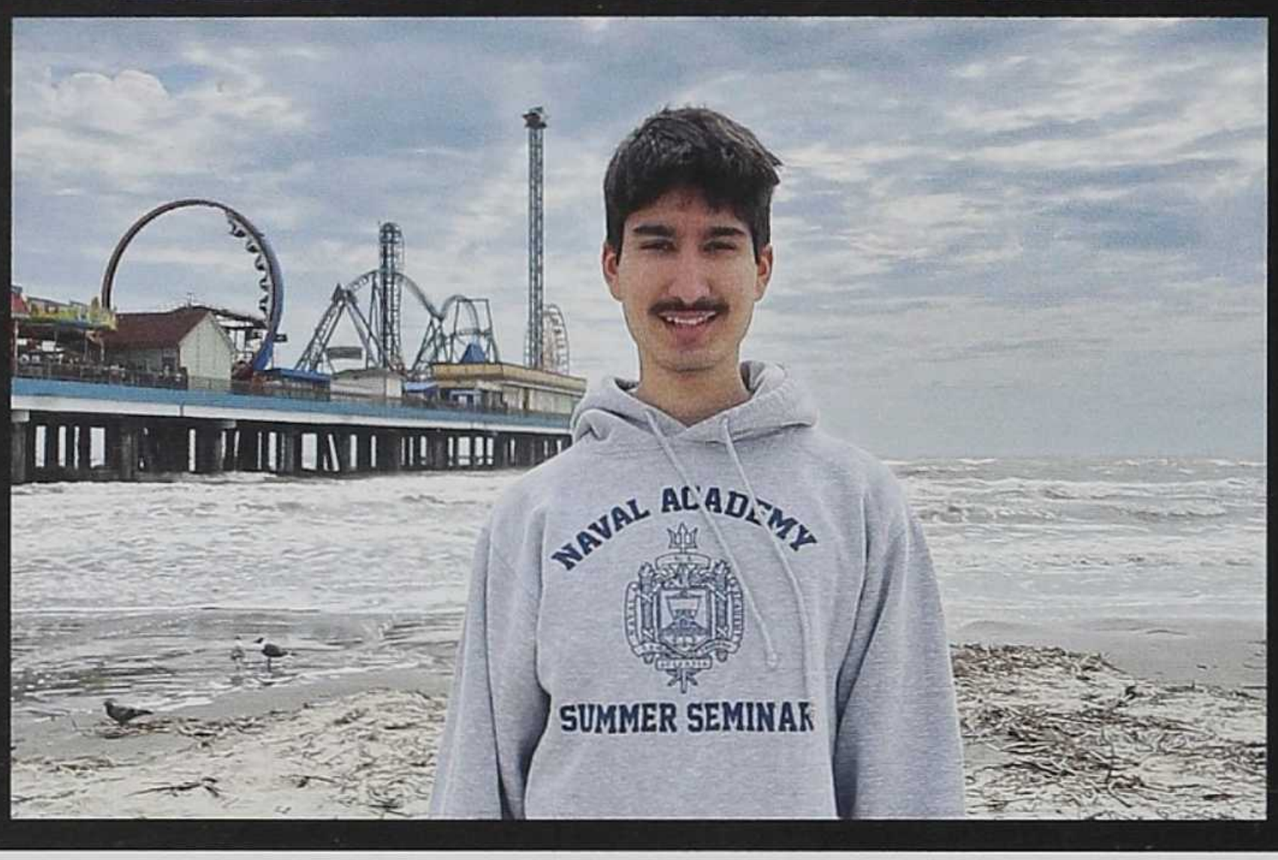
Ashlee Moore

Know that Dad and I are very proud of you and loves you to eternity! Although Dad is gone, he is watching and celebrating for all your accomplishments in Heaven!
Congratulations my love,

Mom

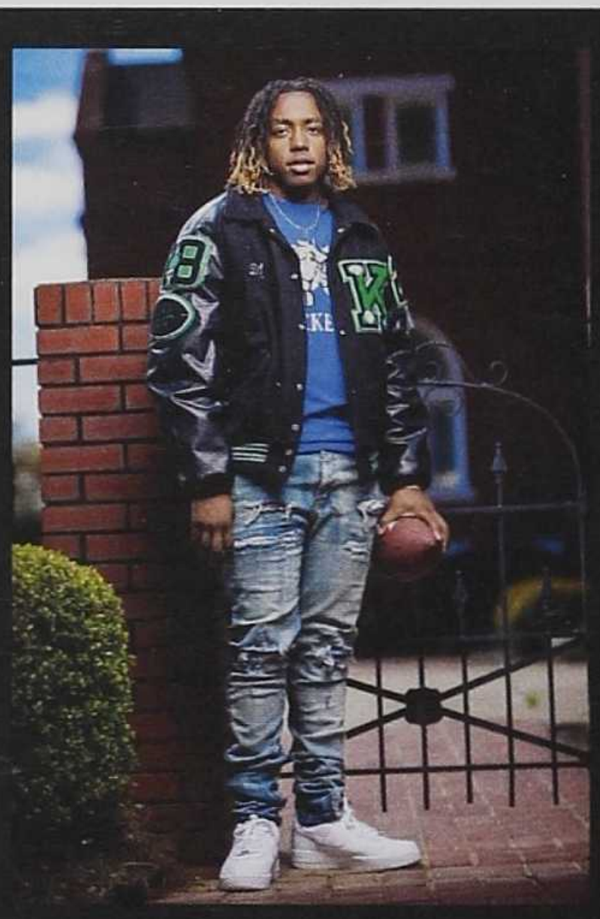






BAHIJ TAHA SAID

Bahij, we are all so proud of you! You worked so hard academically and athletically! All the hard work has finally paid off. Keep true to your faith and always attack your problems with the fiercest work ethic. We can't wait to see what is in store for you at the United States Naval Academy!
Love - Mom, Dad, Munib, & Akram



Congratulations, Cameron on your momentous achievement! I'm so proud to call you my son, We wish you all the success, happiness, and opportunities this world has to offer. This is the end to a new beginning, continue to be the best version of you! We love you, D1

Love,
Mom and Taylar

Remember Me.....

THE COLOPHON

ABOUT THE 2023 BOOK

Volume 74 of the KAT was published by Herff Jones Publishing Company of Edwardsville, KS. Approximately 300 copies were ordered and printed at the Edwardsville plant. Books were sold on a tiered pricing schedule. Books sold for $55 starting from August 16th to September 30th. Books sold for $65 from October 1st to May 26th. There was an extra $10 charge for name plates and a $5 charge for a one line name stamp. All pages of the 8.5 x 11 book were printed in color on 100 lb. matte paper.

Special thanks to our Herff Jones Representative, Ronda Cullen and our Herff Jones Customer Service Support, Chris Speth.

The cover, which was designed by the staff, is a Standard White Litho Stock with raised UV Coating. The fonts used on the cover are AHJ Avalon. All pages in the book use AHJ Avalon Bold for headlines, AHJ Craft Gothic Regular for articles and captions, and AHJ Bungalow Script Regular for subheadings.

Cady Photography, the school's contracted photographer, provided the individual portraits of underclassmen and seniors. The club pictures were provided by the yearbook Advisor, Lindsey Hammonds. Sports team pictures were provided by Cady Photography. All other photographs were provided by the yearbook staff. Most of the photos were edited through the Canva and E-design extension.

The yearbook theme this year, Twenty Twenty Three and We, which was chosen because we wanted to celebrate our individuality while recognizing the fact that collectively we are all Wildcats. Our sections were based on the KISD district's vision plan, Engage, Enrich, Equip, and Excel.

Kennedale ISD does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities and provides equal access to the Boy Scouts and other designated youth groups.

Kennedale ISD is an equal opportunity educational provider and employer.

Kennedale ISD does not discriminate on the basis of race, creed, color, national origin, religion, age, sex (including pregnancy, sexual orientation, or gender identity), military status, genetic information, disability, or any other basis prohibited by law.

DISCLAIMER

In purchasing the yearbook, the buyer is aware that the yearbook is student - created in an academic setting. We regret that errors can and will occur. The yearbook is like a choir performance or a football game - a flat note or a misread play is going to appear sometimes because the participants are students. Instead of focusing on the mistakes, enjoy the pictures and design in your book. The school staff, yearbook students, publisher, school administration, yearbook advisor, photo studios are not liable for errors, missing information, photos, or lost material. As this is the only edition printed, we apologize for any mistakes that were made during this educational process.

Letter From The Editors

From Agnes Chireza: Thank you so much to the yearbook staff for their hard work in creating this incredible book. I look forward to the incredible things Kiley Hooper will do next year as Editor.
